Sirens A Novel:

The Sirens Emilia Hart, 2025-04 New from the author of the runaway New York Times bestseller *Weyward* comes a spellbinding novel about sisters separated by centuries but bound together by the sea

Sirens Joseph Knox, 2018-12-04 A riveting thriller about a damaged undercover detective navigating a web of politicians drug lords missing persons and his own flawed department perfect for readers of Tana French Don Winslow and Dennis Lehane Infiltrating the inner circle of enigmatic criminal Zain Carver is dangerous enough Pulling it off while also rescuing Isabelle Rossiter a runaway politician's daughter from Zain's influence Impossible That's why Aidan Waits is the perfect man for the job Disgraced emotionally damaged and despised by his superiors In other words completely expendable But Aidan is a born survivor And as he works his way deep into Zain's shadowy world he finds that nothing is as it seems Zain is a mesmerizing Gatsbyesque figure who lures young women into his orbit women who have a bad habit of turning up dead But is Zain really responsible And will Isabelle be next Before long Aidan finds himself in over his head cut loose by his superiors and dangerously attracted to the wrong woman How can he save the girl if he can't even save himself

Sirens Eric Van Lustbader, 1982 Diana Whitney is on the verge of winning an Oscar for her role in a controversial terror film Suddenly she finds her private life invaded by a nightmare that matches the script From the Paperback edition

The Siren, 1898 **Dark Water: A Siren Novel** Tricia Rayburn, 2012-07-10 The sea is calling but the reluctant siren will do anything not to answer A year after the events that killed her sister and turned her into a siren Vanessa is desperately trying to put her family back together and reclaim a normal life But no matter how many times she swims or how much salt water she drinks she can feel herself getting weaker and weaker She has no idea how to survive as a siren and she doesn't want to know the truth about her newly discovered identity It's just too horrifying Then her biological mother shows up at her summer house in Maine she is one of the Nenuphars the most powerful of all sirens She promises that she wants to help the daughter from whom she's been separated for far too long But is she to be trusted Now Vanessa must face the harshest reality of all to survive she must endanger and injure others but is that any sort of life Chilling and romantic *Dark Water* explores questions of identity as old as the sea and brings the Siren trilogy to a startling conclusion

Sirens Michael Bull, 2020-02-06 Sirens are sounds that confront us in daily life from the sounds of police cars and fire engines to less often tornado warnings Ideologies of sirens embody the protective the seductive and the dangerous elements of siren sounds from the US Cold War public training exercises in the 1950s and 1960s to the seductive power of the sirens entrenched in popular culture from Wagner to Dizzee Rascal from Kafka to Kurt Vonnegut from Hans Christian Andersen to Walt Disney This book argues using a wide array of theorists from Adorno to Bloch and Kittler that we should understand siren sounds in terms of their myth and materiality and that sirens represent a sonic confluence of power gender and destructiveness embedded in core Western ideologies to the present day Bull poses the question of whether we can rely on sirens both in their mythic meanings and in their material

meanings in contemporary culture Undercurrent: A Siren Novel Tricia Rayburn, 2011-07-12 The sirens are back but Vanessa may be the biggest threat of all Nothing has been normal since Vanessa Sands learned that her sister was murdered by sirens femme fatales of the watery depths and that everything she believed about her family was a lie Her boyfriend Simon s been the only person Vanessa feels she can really trust But now there are some secrets she can t tell even him And when Vanessa finds herself in the sights of Parker Hawthorne Prep s resident charmer she needs someone to confide in more than ever Doubting her relationship with Simon unsure of Parker s intentions and of her own and terrified by what she s learned about herself Vanessa has never felt so alone But personal problems must be put aside because the Winter Harbor sirens are back for revenge Now Vanessa must face her past and accept that she is just like her enemies every bit as alluring every bit as dangerous The eagerly anticipated second novel of the Siren trilogy Undercurrent is a seductive paranormal romance that will leave you breathless **The Latinx Files** Matthew David Goodwin, 2021-05-14 In The Latinx Files Matthew David Goodwin traces how Latinx science fiction writers are reclaiming the space alien from its xenophobic legacy in the science fiction genre The book argues that the space alien is a vital Latinx figure preserving Latinx cultures by activating the myriad possible constructions of the space alien to represent race and migration in the popular imagination The works discussed in this book including those of H G Wells Gloria Anzald a Junot Diaz Andr M Carrington and many others often explicitly reject the derogatory correlation of the space alien and Latinxs while at other times they contain space aliens that function as a source of either enlightenment or horror for Latinx communities Throughout this nuanced analysis The Latinx Files demonstrates how the character of the space alien has been significant to Latinx communities and has great potential for future writers and artists **Posthumanism in the Novels of Kurt Vonnegut** Andrew Hicks, 2020-05-18 Posthumanism in the Novels of Kurt Vonnegut Matter That Complains So re examines the prevailing critical consensus that Kurt Vonnegut was a humanist writer While more difficult elements of his work have often been the subject of scholarly attention the tendency amongst critics writing on Vonnegut is to disavow them or to subsume them within a liberal humanist framework When Vonnegut s work is read from a posthumanist perspective however the productive paradoxes of his work are more fully realised Drawing on New Materialist Eco Critical and Systems Theory methodologies this book highlights posthumanist themes in six of Vonnegut s most famous novels and emphasises the ways in which Vonnegut troubles human non human natural artificial and material discursive hierarchical binaries Sirens Janet Fox, 2012-11-08 Fans of The Great Gatsby Libba Bray s The Diviners and Bright Young Things will be captivated by Janet Fox s Roaring Twenties tale Two girls One gangster A deadly secret When Josephine s father ships her off to live with her rich cousins on the glittering island of Manhattan he says it s to find a husband But Jo knows better there s trouble brewing and in 1925 all that glitters is not gold Caught up in a swirl of her cousin s bobbed hair set and the men that court them Jo soon realizes that this world of jazz and gangsters and their molls hides a nest of lies But when she befriends the girlfriend of one of the most powerful and

dangerous gangsters in town Jo begins to uncover secrets secrets that threaten an empire and could destroy everyone she loves Jo is faced with a choice hang on to her soul or lose herself in the decade of decadence
