Sisson's Word and Expression Locator

by A. F. Sisson

"In my forty-one years as a teacher of English language and literature at the University of Maryland, I have examined many books dealing with vocabulary and linguistics, studies and with words and their usage and none in the development of the English language, and I can verify that no book with which I am familiar shows as much thoroughness and as much real scholarship as the
WORD AND EXPRESSION LOCATOR."

*James E. Hartman, Professor Emeritus
English Language and Literature, University of Maryland*

How would you find the word that means "an intense desire to have?"
