Volume 2** mikawaghost,2021-04-23 Akiteru s intent on living life as efficiently as possible Ever since Mashiro s shock revelation up s become down and nothing s as it seems His friend s little sister went from Annoying with capital A to Sweet with capital S

Mashiro's grown even colder than before and he didn't even think that was possible. His group's script writer's suddenly swapped genres and even Murasaki Shikibu is sticking to deadlines. What's it all mean? And how's Akiteru supposed to stick to being efficient when nothing makes sense anymore. **The Dream Assassin Volume (1)** Roman Harambura, 2019-02-20

Humanity's Greatest Gift: Imagination. Roman expresses that we as humans have the ability to think by thought power as humans on this most precious Earth we each have the power within us to create through manifestation anything we choose simply by the power of our own thoughts. Roman believes we are all thinking beings that every thought we each have has the possibilities of becoming our own reality be it negative thoughts or positive thoughts which in turn creates our personal existence either in a negative way or a positive way. He says we are not in reality physical it only appears to be that way because we are so highly conditioned by our own beliefs systems we are in fact Living Energy in the making of becoming Living Consciousness. The main reason he wrote and created his new book *The Dream Assassin* was to show all of humanity that Imagination is real and at the same time create magnificent imaginative magic that would not only bring awareness but ignite the true inner passion of every individual that reads this book but also to see the movie when it is created in the future to come. As Albert Einstein the great Theoretical Physicist said on many occasions Reality is merely an Illusion all be it a very persistent one. It's like saying just because you cannot touch something doesn't mean it is not real because it may be vibrating simply at another level of consciousness. *My Little Sister Can Read Kanji: Volume 1* Takashi Kajii, 2016-12-17

The year is 2202 and Japan has become the land of moe. Aspiring author Gin Imose and his little sister Kuroha are traveling to TOKYO to meet with the world famous author Gai Odaira. Kuroha is uninterested in his orthodox literary style and amazingly is able to read ancient modern Japanese books written in kanji. This fateful encounter sets off a chain of events that could change the course of literary history. Could it be that long ago books could be about more than little sisters showing their panties and getting in compromising situations with their non blood related older brothers. Impossible. It's hard to even imagine a Japan where everyone could read kanji and the Prime Minister was a 3D human being. **Ascendance of a**
