M. Dexter,2010-05-25 Emily thought her life was perfect with the exception that she always wondered who her father was and what her mother was really like She was adopted as a newborn by her mother s best friend when her real mother died from a blood disease shortly after she was born Her life seemed charmed and she had nearly everything she could want or need Her curiosity through the years of her youth was soothed by pictures of her biological mother but never her father Lisa her adoptive mother didn t know who her father was just that her mother Molly had gone to a sperm bank because she didn t want the complications of having a husband and all the headaches of a relationship with a man Molly wanted a baby to complete her perfect life as Hollywood s prettiest newscaster Her life was charmed and she was perfectly happy without the confinement of a relationship She had had many relationships without satisfying results and decided she didn t need a man in her life if only she just had a baby So she went to the sperm bank and chose the most intelligent and most handsome donor from the vast selection in the catalog She knew her baby would be perfect in every way Before Emily came into Lisa s life she had raised her son and had a pretty quiet but satisfying life Was she ready to take on another child if something happened to Molly She and Molly had been inseparable since they were children She would die for Molly but to raise a child on her own again was no small favor When Emily s father Jake came looking for the child or children his sperm had produced he wasn t sure what to expect As it turned out only one child had been produced and he knew he had to track her down As a widower with no children of his own he longed to know his biological daughter hoping she felt the same way and that she would want to know him Once he found her should he seek custody or just leave her be He wondered what she looked like and how old she was if she would accept him as part of her life or reject him for not being there before even though it wasn t his choice to not be there for her      Outlook ,1928
