Fury on the Pampas Liliane Robin, 1980 **Night of the Scorpion** Liliane Robin, 1980 **The China Mystique** Karen J. Leong, 2005-07-25 Focusing on three women Pearl S Buck Anna May Wong Mayling Soong this book studies the shifting images of China in American culture particularly during the 1930s 40s *Spell of the Antilles* Liliane Robin, 1979 **The Black Feminine Mystique** William E. Waters, 2014-12-12 The Black Feminine Mystique is a collection of poetry that celebrates women of color It draws from mythology from the many Black women heroines from history from women living and dead and from writers artists athletes and women from the authors life including but not limited to his four sisters and his mother The Black Feminine Mystique paints a broad stroke from Isis to Ida B Wells from Hagar in the Wilderness to Winnie Mandela and from the so called Hottentot Venus to Venus Williams One writer said that miscegenation created fifty five shades which is part of the Black Feminine Mystique **Mission Mystique** Charles T. Goodsell, 2010-10-19 In an era filled with mistrust for big government and big business Charles Goodsell goes against this grain to draw attention to public agencies admired for what they do and how well they do it In his groundbreaking new book Goodsell places renewed focus on organizational mission and its potential to be a strong energizing force in government one that animates a workforce internally and attracts admiration and talent externally He offers a normative template for the mystique that underlies this phenomenon and highlights in six rich case studies a driving sense of purpose a cultural and motivational richness and a capacity for tolerating dissent while still innovating and learning Analyzing what works best and what doesn't Goodsell provides a metric through which agency mystique can be evaluated and modeled Goodsell's fresh take on public agencies not only defines good public administration in terms of ethical conduct constitutional accountability and performance effectiveness but argues that the field must add the crucial standard of institutional vitality **The Toscanini Mystique** Kenneth A. Christensen, 2014-10-31 Kenneth A Christensen's THE TOSCANINI MYSTIQUE is the first full length biography about the legendary Italian conductor's life and career in almost thirty five years Maestro Toscanini had a frigid and extremely unhappy childhood along with a severe musical education at the Parma Conservatory This unglamorized account of a gifted teenager's professional conducting debut at Rio de Janeiro's Teatro Imperial is told as it really happened Toscanini was married to a ballerina Carla De Martini who bore him four children but also had an illegitimate son with a gifted soprano who was born retarded Toscanini's vulgar mistreatment of nearly all the singers and musicians who performed under his direction was legendary and is examined with unusual insight about his uncanny memory and talent for musical recreation The recollection of many famous artists including Caruso Debussy Kreisler Puccini Stravinsky Verdi and Wagner's descendants are quoted alongside his confrontations with Hitler Mussolini and the Sicilian mafia But the Maestro also was the most generous of all musicians donating both his time and talents to many worthwhile charities for which he received no financial compensation The life of this great conductor is presented as the struggles of a musical and theatrical reformer who

was a major historical figure that just happened to be one of the greatest musicians who ever lived Mr Christensen has painstakingly wrote his narrative using all the previous biographies and magazine articles on his life the scripts of two video documentaries and the liner notes for the most widely available re releases of his recordings He rewrote and clarified the awkward original Italian translations for non specialist readers and has supplied new English translations for the numerous operatic titles and other musical works as well as all the foreign language newspapers magazines and theatres mentioned in the text In addition he has provided professional critiques on the most widely available Toscanini recordings from RCA Victors Arturo Toscanini Collection and historic reissues of Toscaninis NBC radio broadcast concerts Here was a man who had the nerve to stand up to world dictators and fought hard to prevent the Western worlds supreme musical masterpieces from being abused and mistreated but without taking any credit for laboriously recreating all these composers inspiration He enjoyed to play practical jokes on his family and friends but this humorous side is known only through letters because Toscanini never published any autobiography or memoirs about his art Toscanini gave the world premieres of 14 operas including Leoncavallos Pagliacci and three by Puccini including La Boheme La Fanciulla del West and Turandot Toscanini served as musical director the Teatro Regio in Turino 1895 98 La Scala in Milano 1898 1908 New Yorks Metropolitan Opera 1908 1915 barely missed dying upon the Lusitania becoming musical director of La Scala again 1920 1929 the New York Philharmonic 1926 1936 and the NBC Symphony Orchestra 1937 1954 In between he also guest conducted at the Bayreuth Salzburg and Lucerne Festivals and conducted the inaugural concerts of the Palestine Symphony Toscanini then recorded his most important repertory with the BBC Symphony and the Philadelphia Orchestra the New York Philharmonic and NBC Symphony Orchestras alongside the Robert Shaw Chorale and such esteemed soloists as Jascha Heifetz Rudolf Serkin plus his own son in law Vladimir Horowitz His seven operatic recordings featured Jan Peerce Helen Traubel Richard Tucker Giuseppe di Stefano Rose Bampton Cesare Siepi Herva Nelli Licia Albanese Robert Merrill Jussi Bjoerling Lauritz Melchior and many other gifted singers and musicians of the past whose names alone are too much to mention JFK and the Masculine Mystique Steven Watts, 2025-10-16 From very early on in his career John F Kennedy s allure was more akin to a movie star than a presidential candidate Why were Americans so attracted to Kennedy in the late 1950s and early 1960s his glamorous image good looks cool style tough minded rhetoric and sex appeal As Steve Watts argues JFK was tailor made for the cultural atmosphere of his time He benefited from a crisis of manhood that had welled up in postwar America when men had become ensnared by bureaucracy softened by suburban comfort and emasculated by a generation of newly aggressive women Kennedy appeared to revive the modern American man as youthful and vigorous masculine and athletic and a sexual conquistador His cultural crusade involved other prominent figures including Frank Sinatra Norman Mailer Ian Fleming Hugh Hefner Ben Bradlee Kirk Douglas and Tony Curtis who collectively symbolized masculine regeneration JFK and the Masculine Mystique is not just another standard biography of the youthful president By examining Kennedy in the context of

certain books movies social critiques music and cultural discussions that framed his ascendancy Watts shows us the excitement and sense of possibility the optimism and aspirations that accompanied the dawn of a new age in America A *Jewish Feminine Mystique?* Hasia Diner, Shira Kohn, Rachel Kranson, 2010-09-10 In *The Feminine Mystique* Jewish raised Betty Friedan struck out against a postwar American culture that pressured women to play the role of subservient housewives However Friedan never acknowledged that many American women refused to retreat from public life during these years Now *A Jewish Feminine Mystique* examines how Jewish women sought opportunities and created images that defied the stereotypes and prescriptive ideology of the feminine mystique As workers with or without pay social justice activists community builders entertainers and businesswomen most Jewish women championed responsibilities outside their homes Jewishness played a role in shaping their choices shattering Friedan's assumptions about how middle class women lived in the postwar years Focusing on ordinary Jewish women as well as prominent figures such as Judy Holliday Jennie Grossinger and Herman Wouk's fictional Marjorie Morningstar leading scholars explore the wide canvas upon which American Jewish women made their mark after the Second World War **Unequal Sisters** Vicki Ruíz, Ellen Carol DuBois, 2008 *Unequal Sisters* has become a beloved and classic reader in American women's history It provides an unparalleled resource for understanding women's history in the United States today This classic work now in its fourth edition has incorporated the feedback of end users in the field to make it the most user friendly version to date
