Stone Hearts:

Stone Hearts Fayne Hennesey, 2008 **From the Heart** Jeffrey L. Kosky, 2025-02-25 What does it mean to have a heart How does it feel when a heart fails and what does it take to recover In a world beset by never ending crises personal and collective local and global is heartlessness the only option From the Heart weaves together a personal narrative of a life threatening ailment with considerations of philosophy art and science to contemplate ultimate questions matters of life and death Jeffrey L Kosky recounts his brush with death the surgical repair of a congenital defect in his aortic valve his gradual recovery of everyday life and his struggle to find the heart to go on throughout it all To make sense of the experience he immerses himself in humanistic inquiry and medical science the histories of medicine cardiac surgery and knowledge of the human heart as well as the works of artists writers philosophers and theologians Writing about the experience of being human from the precarious position of his own woundedness Kosky shares hard earned perspectives on what matters most Combining moving memoir encounters with major authors and artists and heartfelt reflections on the big questions of existence this elegantly written book is at once erudite and powerful It shows us why the heart in physical emotional and metaphorical senses helps us come to terms with sickness and health dying and living

Journey of Stones Steven Molin, 2002 This sermon series for Lent and Easter draws on the rich imagery of rocks and stones in scripture These powerful messages center around the compelling metaphor of stones and our willingness to throw them as representative of our sins As worshipers enter the sanctuary they are invited to pick up stones as a concrete symbol of each sermon s theme then as the message concludes the stones are placed at the foot of the cross When the stones disappear on Easter just like the stone sealing Jesus tomb it s a vivid illustration of how the Lord also removes our stones of sin Each chapter includes several thought provoking discussion questions to spur further reflection With messages for Ash Wednesday five weeks of Lent Maundy Thursday Good Friday and Easter Sunday this is an excellent resource for Lenten midweek programming Molin takes us on a journey of prayerful and honest repentance a powerful and life changing journey of celebration of grace of awe at the miracle of the empty tomb and the promise of life Pastor Molin is one of the best sermon story tellers I ve heard But each sermon and every story also teaches a biblical text These sermons are grounded in the living Word of God from the Foreword Glenndy L Sculley Bishop s Associate Minneapolis Area Synod Evangelical Lutheran Church in America We used the Journey of Stones as a Sunday Morning preaching series with some modifications The book and series was a wonderful way to remind all of us that although we are weighed down with our own sins as represented by the stones each week Christ rolled away the stone that separates us from God at the resurrections and took the weight of our sin upon Himself He took our burden on Himself and give us new life Thanks for being willing to offer such an inspirational book Pastor Jerry Van Auken Steven Molin is the senior pastor of Our Savior s Lutheran Church ELCA in Stillwater Minnesota He has also served parishes in Oregon and South Dakota and been an area director for the youth ministry organization Young Life Molin is a
