## Stone Voices:

**Stone Voices** Neal Ascherson, 2003 Scotland has a new Parliament and it has North Sea oil but is it yet an independent self sustaining democracy Is it a true nation In *Stone Voices* Neal Ascherson launches what he calls an imaginative invasion of his native land searching for the relationships themes and fantasies that make up Scotland Stone Voice Rising C. Lee Tocci, 2009 In a world of whispering stones and corporate evil Lilibit and six other orphaned children with mysterious powers battle a shape shifting enemy and his helicopter army to reach Kiva a sacred place where Lilibit's destiny lies as the new Stone Voice **THE MAKING OF SOUTH PARK** Jimmy J. Smart, From two broke college students with construction paper to billionaire media moguls the story of South Park is a revolution in comedy This is a professional and uncensored look into one of television's most influential and controversial series tracing the fearless journey of creators Trey Parker and Matt Stone This definitive guide takes you behind the scenes to uncover the origins of their chaotic genius from the short film that became one of the internet's first viral videos to the six day production cycle that allows them to turn current events into comedy gold Explore the show's most explosive moments including the real story behind Isaac Hayes's departure the battles with corporate censors and the creators principled stand against China that cost them an entire market The book reveals how Parker and Stone transformed their honestly offensive approach into a business model that earned them unprecedented financial success with groundbreaking ventures that span from a Tony winning Broadway musical to hit video games and a billion dollar streaming empire More than a simple story of a television show this is a masterclass in how to build a durable relevant and wildly profitable brand in the digital age It is a testament to the power of creative integrity and a must read for anyone who wants to understand the most fearless voice in American comedy Women's Voices in Digital Media Jennifer O'Meara, 2022-04-26 2023 Publication Award Honorable Mention British Association for Film Television and Screen Studies An examination of the sound and silence of women in digital media In today's digital era women's voices are heard everywhere from smart home devices to social media platforms virtual reality podcasts and even memes but these new forms of communication are often accompanied by dated gender politics In *Women's Voices in Digital Media* Jennifer O'Meara dives into new and well established media formats to show how contemporary screen media and cultural practices police and fetishize women's voices but also provide exciting new ways to amplify and empower them As she travels through the digital world O'Meara discovers newly acknowledged or newly erased female voice actors from classic films on YouTube meets the AI and digital avatars in *Her* and *The Congress* and hears women's voices being disembodied in new ways via podcasts and VR voice overs She engages with dialogue that is spreading with only the memory of a voice looking at how popular media like *Clueless* and *The Simpsons* have been mined for feminist memes and encounters vocal ventriloquism on RuPaul's *Drag Race* that queers and valorizes the female voice Through these detailed case studies O'Meara argues that the digital proliferation of screens alters the reception of sounds as much as that of images with substantial implications for women's

voices      **Voices in the Creation of an Indigenous Trinidad and Tobago Theatre** Patrick Brennan, 2025-04-15 This book explores how from the mid 20th century a new form of theatre emerged in Trinidad and Tobago as its playwrights came to mine the Afro Creole Trinidadian folk milieu This book focuses primarily on the period from the 1950s through to the contemporary moment investigating how Trinidad's theatrical practitioners developed methodologies that formulated an indigenous theatre It examines how in its creation it would distance itself from Western forms as the stage was decolonized making way for a variety of new forms that mimetically reflect the reality of Trinidad's Afro Creole folk This book establishes a premise on which the terms folk and indigenous have been shaped by Trinidad's socio historical past It develops an argument that outlines how Trinidad's African cultural retentions form a central basis on which a theatrical tradition was established This book traces the historical impetus and driving forces that gave rise to a body of writers for whom the vitally important link between the production of drama and the search for identity in the immediacy of the post colonial period is established The book develops a structure that forms three lines of discrete research folk expression women their portrayal and their emergence as theatrical practitioners and theatrical developments through the decades These subject areas are examined through the work of a broad body of playwrights Exploring their theory and praxis their work is described in terms that exhibit a variety of genres with tropes that have become indelible resources for theatrical practitioners to draw from With a theatrical base that extends from popular comedy to avant garde spiritual works the theatre is shown to represent a composite entity one that accommodates a plurality of forms which in their summation express the breadth and depth of Trinidad and Tobago's theatrical journey one that is still very much underway Readers that have an interest in theatre cultural gender post colonial or Caribbean studies will enjoy this book      **First Voices, Part One: Adam Eber** Walter J. Schenck, 2001 First Voices is an amazingly good work with impressive writing skills that immediately places it as a valuable work to own It puts Biblical characters and events in a fresh perspective This is an impressive work that appears to be another Testament First Voices tells the story of Adam and Eve Shem and Eber Noah and the Flood Sarah Keturah Hagar and Abraham The Minos of Crete Nimrod and Canaan Chedorlaomer and the city of Babylon Esau and Jacob Judah and Shua the Pharaoh and Joseph the Tower of Babel the great war of Abraham the tragedy of Lot the thinker Jacob and independent Judah Many other stories presents an uncanny insight into the world's first personalities This book transcends intelligence and religious narrative It is a master's craft at its best First Voices is a great achievement into the world of Biblical literature Historic events are rendered in grand depictions in epic proportions It offers an insightful penetration into the word of God and seems to be a separate Testament speaking to the world how God interacts with mankind in real life First Voices is a beautiful wonderful poetic work And perhaps the greatest Biblical epic ever written      **Shimmering Images** Eliza Steinbock, 2019-02-14 In Shimmering Images Eliza Steinbock traces how cinema offers alternative ways to understand gender transitions through a specific aesthetics of change Drawing on Barthes's idea of the shimmer and Foucault's notion of

sex as a mirage the author shows how sex and gender can appear mirage like on film an effect they label shimmering Steinbock applies the concept of shimmering which delineates change in its emergent form as well as the qualities of transforming bodies images and affects to analyses of films that span time and genre These include examinations of the fantastic and phantasmagorical shimmerings of sex change in Georges Méliès nineteenth century trick films and Lili Elbe's 1931 autobiographical writings and photomontage in *Man into Woman* Steinbock also explores more recent documentaries science fiction and pornographic and experimental films Presenting a cinematic philosophy of transgender embodiment that demonstrates how shimmering images mediate transitioning Steinbock not only offers a corrective to the gender binary orientation of feminist film theory they open up new means to understand trans ontologies and epistemologies as emergent affective and processual

Separated Soul Shaene Ragan, 2016-10-11 When Feline the High Sorcerer tries to locate the spirit of his sister sorceress Porpoise he is shocked to discover that her soul has been split in two Half of her lives as an undead dark witch on the northern moors while the other is a sorceress who rises and sets with the light of Phoebe Artemis To unite the two halves of his old friend Feline must himself take on two identities and carefully weave a web of influence First he becomes a cunning cat and charms his way into the dark witch's trust He also becomes a sorcery tutor claiming to be of the vanished Elf Nation to whisper in the ear of the Moon's foster child Just as he begins to think his plan will succeed his task becomes more difficult when the two sides of Porpoise take opposite positions on the lives of the Romanized Celts and the Saxons after the Romans abandon the area With both the soul of his friend and the lives of countless mortals in the mix he must tread carefully to avoid a catastrophe To make matters worse an extraterrestrial parapsychologist begins to stalk him from the astral plane making him realize that his actions may have consequences far beyond their little island *Separated Soul* is grand in scale and rich in unique characters Drawing from pre Celtic mythology and history it ties the mundane and fantastical together into a complex and compelling narrative of operatic proportions

Understanding Sound Tracks Through Film Theory Elsie M. Walker, 2015 *Understanding Sound Tracks Through Film Theory* analyzes all aural aspects of cinema using several approaches feminism genre studies post colonialism psychoanalysis and queer theory In her analysis of each sound track Walker brings together film studies musicology history politics and culture in an accessible yet rigorous way

*Greenworlds* Diana M. A. Relke, 1999 *Greenworlds* rewrites the literary history of Canada from a feminist ecological perspective through a series of essays that examine the lives and work of nine women poets Using insights from fields of knowledge as disparate as history and biology physics and philosophy psychoanalysis and communications studies these essays reflect the transdisciplinary character of women's studies generally and feminist ecocriticism in particular
