Stop The Killing Train Radical Visions For Radical Change:

Stop the Killing Train Michael Albert,1994 This book does not simply say no to the killing train It says yes to justice and liberation offering detailed glimpses of what society could be like and strategic advice for how to get there **Stop the Killing Train** Michael Albert,1994 This book does not simply say no to the killing train It says yes to justice and liberation offering detailed glimpses of what society could be like and strategic advice for how to get there **Power** Tom H.

Hastings,2005-12-12 In *Power* Tom Hastings unpacks the methods and considers causes and correlatives to violence and nonviolence Hastings presents an overview of nonviolent power potential examining it on personal community and transnational levels He provides evidence of theories and historical records of nonviolent power through personal stories and the annals of human kind Nonviolent alternatives are proposed and considered The American Dream in the Information

Age Otto Newman,R. De Zoysa,Richard De Zoysa,1999-05-19 America s current transformation from an industrial to a new information based culture presents new challenges as well as new perspectives on old debates This book offers a comprehensive survey of America s changing values It examines notions of American exceptionalism and how the melting pot is coping with race relations and changing demographics it assesses the agenda of government the domestic and global constraints and how social exclusion can be tackled Current changes in the US are likely to be a harbinger for other societies and the authors examine new models of civic society of learning and of reconfiguring social values for a fast changing world

Rebels and Renegades Neil A. Hamilton,2002-10-11 *Rebels and Renegades* examines 350 years of history through the eyes of the uncompromising Presented in nine clearly written chronological chapters this comprehensive reference covers the major events and personalities in the history of extremism in the U S Besides chronicling the event itself entries ranging from 500 to 1000 words include background information and historic effects In addition to the chronology sidebars highlight historical biographical cultural and ethical aspects of the story tying the past to the present Topics include the influence of radical idea on the mainstream the role of violence in radicalism and the evolving relationship between radicals and the media An extensive appendix of excerpts transcripts and full source documents round out the work To see the Introduction a list of detailed contents a generous selection of sample pages and more visit the *Rebels and Renegades* website

Liberating Theory Michael Albert,1986 In a landmark theoretical work which will radically influence progressive thinking seven respected activist scholars from diverse backgrounds and movements have collaborated to create a truly *Liberating Theory* The authors combine and transcend various theories of history marxism anarchism feminism and nationalism to develop an alternative conceptual framework complementary holism Applying this framework to questions of economics politics gender race and culture highlights the usefulness of complementary holism for understanding society and strategizing its transformation Seeking unity that respects diversity *Liberating Theory* provides concepts that promote autonomy within solidarity It rejects the idea that any one oppression is primary while all others are secondary and it

provides a vehicle for activists to share intellectual tools visionary aims and practical strategies so as to support and work with one another without compromising the integrity of their own desires This most unusual and groundbreaking book is the first to put forward a coherent radical politics that gives activists and theorists a framework for understanding the complex integrated character of modern oppressions It is essential reading for all those who concern themselves with social change and with formulating a vision of a liberated future *Haiti* Deidre McFadyen,1995 Covers important issues but the analysis is simplistic and more ideological than scholarly Includes sections on US policy the 1990 coup and human rights Handbook of Latin American Studies v 57 Elie Wiesel and the Politics of Moral Leadership Mark Chmiel,2001 Chmiel also critically engages Wiesel s long standing defense of the State of Israel as well as his confrontations and collaborations with the U S government including the birth of the U S Holocaust Memorial Museum the 1985 Bitburg affair with President Reagan and U S intervention in the Balkans BOOK JACKET Z Magazine ,1994 *Moving Forward* Michael Albert,2000 A What Is to Be Done for activists in the aftermath of the Seattle WTO demos
