Edwin Haronian

Stopping Inflammation Relieving The Cause Of Degenerative Diseases:

What You Must Know About Memory Loss and How You Can Stop It Pamela Wartian Smith, 2014-01-07 Leave it to one of America's best selling physician authors to tackle one of the country's fastest growing health concerns With over 77 million baby boomers living in the U S memory loss is quickly becoming a major issue Although the common belief is that these irritating lapses in the ability to remember are a normal part of aging current scientific research indicates otherwise In fact there are a number of reasons these lapses can occur The good news is that once we understand why we can actually restore and even strengthen our mental acuity In her new book What You Must Know About Memory Loss and How You Can Stop It Dr Pamela Wartian Smith explains why we forget things and what we can do to not only reverse the problem but also enhance our ability to focus concentrate and comprehend Dr Smith begins by discussing why it is important not to simply accept memory loss as a normal part of aging She then presents an in depth look at the most common causes of these lapses in memory nutritional deficiencies hormonal imbalances toxic overload poor blood circulation and lack of physical and mental exercise She begins each section with a questionnaire to determine if the test taker's memory may be affected by that particular cause The author then details how that cause is involved in impaired memory as well as a host of other mental issues ranging from insomnia to personality changes Dr Smith follows each discussion with a list of proven remedies to correct each issue Also included in the book is a special section on recognizing and dealing with severe memory loss While the pharmaceutical companies continue to look for that one magic bullet to reverse memory loss the fact is that there are numerous scientifically valid treatments available to address this growing concern Dr Smith empowers her readers to avoid an unnecessary part of aging by offering simple and effective solutions

Back Surgery Edwin Haronian, 2013-07-02 With all the misleading information out there on back problems even doctors have conflicting views on the best treatments But it is the decision you make that counts The problem has always been finding the facts necessary to make a wise choice or it was until now Dr Edwin Haronian has put together a guide that looks at both the conditions and the procedures surgical and nonsurgical and answers common questions about back problems Back Surgery begins by examining the anatomy of the back It then discusses common conditions that result in pain and the latest and most effective treatments available from acupuncture to medication to surgery Included are pre op and post op suggestions as well as a program designed to prevent future back problems Here are all the facts you need to make the choice that's best for you

Using the Bowen Technique to Address Complex and Common Conditions John Wilks, Isobel Knight, 2014-08-21 This book shows how the Bowen technique can be used to treat different conditions including lower back pain frozen shoulder tennis elbow and carpal tunnel hayfever asthma diabetes type 2 migraines stress and tension disorders fibromyalgia and chronic fatigue as well as in palliative care and performance enhancement in sport and dance

Silent Inflammation Dr Bruce Miller, 2016-01-01 What do unrelated diseases such as heart disease cancer diabetes Alzheimer's Parkinson's disease obesity asthma depression

premature aging and an army of diseases ending with it is such as gastritis sinusitis arthritis have in common Answer The buzz word called inflammation Inflammation may well turn out to be the exclusive Holy Grail of medicine the single phenomenon that holds the key to sickness health firmly says Joel Meggs author of The Inflammation Cure Silent Inflammation falls just below the radar of pain visible swelling It is akin to living with a volcano inside you Even though you are feeling well and on top of the world right now odds are that silent inflammation can be simmering in your body Like a slow poison silent inflammation can gradually destroy your body organs tissues without you feeling it until a chronic disease surfaces in the form of diabetes heart disease or even cancer that may prove fatal I challenge you today to make a decision to reduce silent inflammation in your body if you want to move towards wellness as every pain every chronic disease and every pound of weight gained in your body revolves around silent inflammation Control it and you will feel better look better think better and perform better This is what this book is about Suicide by Sugar Nancy Appleton,G. N. Jacobs,2012-05-17 It is a dangerous addictive white powder that can be found in abundance throughout this country It is not illegal In fact it is available near playgrounds schools and workplaces It is in practically everything we eat and drink and once we are hooked on it the cravings can be overwhelming This white substance of abuse is sugar Over two decades ago Nancy Appleton s Lick the Sugar Habit exposed the health dangers of America s high sugar diet Now in Suicide by Sugar Appleton along with journalist G N Jacobs presents a broader view of the problems caused by our favorite ingredient The authors offer startling facts that link a range of disorders from dementia and hypoglycemia to obesity and cancer to our growing sugar addiction Rounding out the book is a sound diet plan along with a number of recipes for sweet easy to prepare dishes all made without sugar or fruit Suicide by Sugar shines a bright light on our nation s addiction and helps us begin the journey toward health

What You Must Know About Kidney Disease Rich Snyder,2012-05-16 OVER 16 000 COPIES SOLD While the news that you or someone you love has kidney disease can be shocking for over 26 million Americans it is a reality After the initial diagnosis patients and families usually have a myriad of questions about treatment options What You Must Know About Kidney Disease is designed not only to answer all your questions but also to provide the up to date information you need to evaluate and choose both conventional treatments and complementary therapies The book is divided into three parts Part One provides an overview of the kidneys structure and function and discusses common kidney disorders It also guides you in asking your doctor questions that will help you better understand both the status of your health and your prognosis Part Two examines kidney problems and their conventional treatments Part Three presents an in depth look at the most effective complementary treatments available from simple lifestyle changes to acupuncture nutritional and herbal supplementation osteopathic manipulation and more There is so much you can do to affect both your kidney health and your overall well being in a positive way What You Must Know About Kidney Disease provides you with the knowledge you need to be a wise participant in your own health care *Stopping Inflammation* Nancy Appleton,2004-03-01 Most of us think of inflammation

as a symptom associated with an infection or injury Dr Nancy Appleton however has discovered that it might be more than just a simple reaction to a health disorder When the body's tissues are disturbed in some manner a series of complex reactions takes place resulting in inflammation In most cases when the disorder stops the tissue returns to its normal healthy state Sometimes though the tissue remains chronically inflamed Dr Appleton's research demonstrates that this condition might be more harmful than ever suspected Drawing on the latest medical research *Stopping Inflammation* begins with a full explanation of inflammation and its causes It then looks at inflammation's role in various health disorders from obesity to cancer Finally the book provides a number of nondrug treatments aimed not at controlling the problem but at removing its cause Here are safe and credible solutions for restoring good health *The Longevity Handbook* Edmond Saab Jr.

M.D.,2021-06-22 This book was created to be a user manual because it's not just technology that needs a guide the human machine also requires its instruction manual By addressing a few conditions one is able to prevent cure or at least improve most diseases The question is how to raise awareness among those who do not think about targeting the cause but only the symptom Creating guidelines for maintaining health and not just follow industry protocols for treating illnesses is the main goal of *The Longevity Handbook* This book summarizes decades of research and offers new studies and findings to be applied for integral health a new awareness about the functioning of the human machine and how to get the most out of it supply it with the best achieve high performance eliminate what hinders its operation adjust all gears and strengthen its system With adjustments and prevention this wonderful and perfect machine will have more longevity and above all quality of life while it is in operation Unique formulas developed by the author based on vitamins minerals fibers and probiotics available in foods and supplements are also presented in this book along with their associated benefits implications for immunity and overall health The purpose of this work is to serve as a source of information and research showing another view on the origin of diseases which are often omitted or neglected in orthodox prevention and treatment Examples are given on the benefits that can be achieved by stopping to use a single common tool drugs and starting to treat the causes using various sciences such as clinical nutrition medical biochemistry orthomolecular practice phytotherapy biophysics homeopathy homotoxicology and traditional Chinese medicine *Mineral Miracle* Shari Lieberman,Alan Xenakis,2014-02-05 For years scientists have

understood that inflammation causes pain Only recently however has the process of inflammation been linked to the deterioration of tissue bone and cartilage and recognized as an underlying cause of heart attack And while the importance of minerals has been documented for years it is only now that a naturally occurring blend of minerals has been found to act as a powerful anti inflammatory that can stop or slow cartilage loss For those looking for a simpler solution to a real problem *Mineral Miracle* may hold the answer **Integrating Complementary Medicine into Veterinary Practice** Paula Jo Broadfoot,Richard E. Palmquist,Karen Johnston,Jiu Jia Wen,Barbara Fougere,2009-03-03 Integrating complementary treatment options with traditional veterinary practice is a growing trend in veterinary medicine Veterinarians and clients

alike have an interest in expanding treatment options to include alternative approaches such as Western and Chinese Herbal Medicine Acupuncture Nano Pharmacology Homotoxicology and Therapeutic Nutrition along with conventional medicine Integrating Complementary Medicine into Veterinary Practice introduces and familiarizes veterinarians with the terminology and procedures of these complementary treatment modalities in a traditional clinical format that facilitates the easy integration of these methods into established veterinary practices
