Marty, 2013-10-15 Long time Bible Professor Tells the Compelling Story of Jesus The story of Jesus is the greatest story of all time But the repetition and varying order of events in the Gospels can be confusing to readers As he does in his bestselling book *The Whole Bible Story* Dr William Marty presents the full narrative of Jesus in chronological order He tells the fascinating account of everything that happened in Jesus life from his birth to his ascension as well as what happened in the church after he left The Jesus Story is perfect for new Christians longing to get to know Jesus or long time believers wanting to recapture the awe and amazement of hearing this remarkable story for the first time *Behind the Bible's Greatest Stories* Paul H. Wright, 2025-05-20 In *Behind the Bible's Greatest Stories* Dr Paul Wright takes you behind the scenes uncovering the ancient cultures and historical geography that frame the most memorable stories in the Bible Posing rarely asked questions about these popular Old Testament stories you ll move beyond the typical Sunday school answers and into the fascinating world of the Bible This deep dive into the text of Scripture reveals that our beloved Bible stories are not quite as simple as they may seem Their plots are intricate their settings are meaningful and the motives of their heroes and villains are complicated and often conflicted Includes Noah s ark Joseph in Egypt Moses and the Exodus Jonah and the whale the story of Ruth Queen Esther and David versus Goliath Each chapter features maps photos and discussion questions making this book ideal for teaching Bible study groups and individual learning *The New Testament Story* Ben Witherington (III), Ben Witherington, 2004 An introductory guide to the New Testament examines how and why the scriptures were written and collected and how they came to be known as the New Testament that we have today while discussing the main stories and major figures the ways that these stories were told and retold and how this literary development has influenced Christian theology ethics and social thought **Stories from the Bible (Great Stories: Low Intermediate)** David Bohlke, *Stories from the Bible* features 30 stories 15 from the Old Testament and 15 from the New Testament The events in the stories are exciting inspirational and timeless Readers will enjoy reading about Noah s Ark Moses and the Ten Commandments and David and Goliath among others They will learn about the life of Jesus including his birth his travels and teachings and his ultimate sacrifice All of the stories are easy to read and enjoy with simple grammar and vocabulary Reflection questions after each story help readers to think about what they ve learned Improve your reading speed comprehension fluency and vocabulary in a fun and easy way The Great Stories readers help you learn about the world while you learn English *The Greatest Story Never Told* , **Welcome to the One Great Story!** George B. Thompson Jr., 2020-09-02 The Bible is not easy to figure out Churches are filled with adults who are too embarrassed to admit their sketchy knowledge and jumbled impressions of biblical material Even seminary trained pastors struggle to get a handle on the flow of the Scriptures from

beginning to end No wonder so many people give up on the Bible and even the church This book claims that what gives the Bible its overarching integrity and lasting value is a narrative a storyline Readers who approach the Bible with narrative in mind will discover from Genesis to Revelation a story that begins at a certain point establishes a theme develops continues and adapts that theme and reaches a resolution of sorts Rather than a book by book treatment of the Bible this book identifies and traces a Story that stretches across the corpus of the canon a Story in which divine promise and human response constantly define each episode Text boxes reflection questions chapter questions and activities encourage the reader to engage with content at more than one level all along the way Engaging with the Bible can become exhilarating and gratifying

The Great Story and the Great Commission (Acadia Studies in Bible and Theology) Christopher J. H. Wright, 2023-02-28 Christianity Today 2024 Book Award Missions Global Church Outreach 2024 Resource of the Year Mission and Cross Cultural Highly regarded biblical scholar and speaker Christopher Wright shows us that how we read the Bible has a profound impact on how we understand what mission is According to Wright People read and preach the Bible in tiny bits and pieces for its promises or rules or doctrines and fail to take it as the true story of the universe past present and future within the plan and purposes of God a story in which we are called to participate as coworkers with God Wright encourages us to explore the Bible's grand narrative and to bring the whole counsel of God in Scripture to our understanding of who we are and what we must do as God's people He helps us understand mission in its broadest sense including our creational responsibilities Wright's goal is to get us excited about the dramatic vista of the whole Bible and to help us understand the breadth and depth of missional engagement that we are called to live as actors in that drama Now in paperback
