Stories Told By Flashlight:

Stories Told by Flashlight Mark Allyn Stewart, 2006-02-01 It doesn't take a genius to know that no one is perfect. Everyone falls and makes mistakes. Your pain and suffering seems to override your joy and happiness making you feel all alone. The key thing to understand is that God is the solution to all your life's situations. In times like these it seems as if life has become hopeless. Relationships have grown without meaning, marriages are torn apart, parents and children are against each other, and friendships are rarely heard of anymore. You are trying to run and hide but there is nowhere or no one to turn to. You are facing life's situations as they come while trying to hold on. In this book you will learn how a young girl who was torn between various life situations struggled to find her way out. She shows you how to analyze your situations and get through them. She expresses how in times of weakness God can make you strong. Most of all she explains how she sought and found God who has made her life better and complete as well as gave her a sense of peace and direction. That same peace and direction she has found is available to you too. The question is do you want it.

The Flatt Family Stories Ernest Allen Flatt Sr., 2021-10-18 The Flatts have always been great believers that God comes first, closely followed by family. Though they may agree or disagree about a variety of subjects, they will always be the Flatt family proud and strong. In a collection of stories that were told to him while growing up, Ernest Allen Flatt Sr. shares insight into both sides of the Flatts that include his mother's family, the Griffins. Throughout the action-packed tales that begin in 1898 and continue through the present day, Flatt offers an entertaining glimpse into the two families' experiences as they moved from Tennessee to Kentucky and then to Ohio and back to Tennessee again, married, and gave birth to offspring. Attempted to survive the challenges surrounding the Great Depression and two world wars and dealt with killers, Flatt also shares background into his own life as he transformed into a professional musician, married twice, raised children, bought two motorcycles in the same day, retired, and battled health issues. Included are two family trees that can be utilized as a reference. *The Flatt Family Stories* is the memoir of two Southern families as
