Reaching Out in Love Mother Teresa, Edward Le Joly, Jaya Chaliha, 1998-01-01 Biographical account of Mother Teresa 1910 1997 founder of the Missionaries of Charity woven around events and incidents that touched her life *Mother Teresa of Calcutta* Leo Maasburg, Leo-Maximilian Maasburg, 2011-01-01 Mother Teresa's life sounds like a legend The Albanian girl who entered an Irish order to go to India as a missionary and became an Angel of the Poor for countless people She was greatly revered by Christians as well as Muslims Hindus and unbelievers as she brought the message of Christian love for one's neighbor from the slums of Calcutta to the whole world Fr Leo Maasburg was there as her close companion for many decades traveling with her throughout the world and was witness to countless miracles and incredible little known occurrences In this personal portrait of the beloved nun he presents fifty amazing stories about her that most have never heard wonderful and delightful stories about miracles small and great that he was privileged to experience at Mother Teresa's side Stories of how without a penny to her name she started an orphanage in Spain and at the same time saved a declining railroad company from ruin and so many more They all tell of her limitless trust in God's love of the way the power of faith can move mountains and of hope that can never die These stories reveal a humorous gifted wise and arresting woman who has a message of real hope for our time It's the life story of one of the most important women of the 20th century as it's never been told before *In the Heart of the World* Mother Teresa, 1997 Thoughts stories prayers Mother Teresa Jennifer A. Miller, 2009-01-01 An introduction to the life Mother Teresa who was a well known missionary who dedicated her life to helping the poor **Everything Starts from Prayer** Mother Teresa of Calcutta, 2010-06-29 At the Home for the Dying in Calcutta Mother Teresa often cared for the residents as they approached the end As she was ministering to one illness ravaged man a visitor overheard her whisper a few words to him These few words embody some of Mother Teresa's most wonderful wisdom This is what she said You say a prayer in your religion and I will say a prayer as I know it Together we will say this prayer and it will be something beautiful for God These gentle words of solace and care provide us with a glimpse at a Mother Teresa we've often overlooked Mother Teresa the universal teacher of prayer The world has admired the Mother Teresa who devoted her life to caring for the poorest of the poor everywhere But her close associates knew that all of Mother Teresa's outer activity of caring and action was the natural consequence of her devotion the overflow of her deep inner life They witnessed her reliance upon contemplative practice and they recognized Mother Teresa not only as a devout

Catholic but also as a great ecumenical teacher of prayer **Stories Mother Teresa Told** ,1999 **The Science and Theology of Godly Love** Matthew T. Lee,Amos Yong,2012-06-15 Arguing that there are ways to move beyond the limitations of methodological atheism without compromising scientific objectivity the essays gathered in *The Science and Theology of Godly Love* explore the potential for collaboration between social science and theology They do so within the context of the interdisciplinary study of Godly Love which examines the perceived experience of loving God being loved by God and thereby being motivated to engage in selfless service to others This volume serves as an introduction to and a call for further research in this new field of study offering ten methodological perspectives on the study of Godly Love written by leading social scientists and theologians Drawing on the work of Douglas Porpora and others the contributors contend that agnosticism is the appropriate methodological stance when religious experience is under the microscope Godly Love does not force a theistic explanation on data instead these essays show that it sensitizes researchers so that they can take seriously the faith and beliefs of those they study without the assumption that these theologies represent an incontestable truth
