Storm Dancer:

Stormdancer Jay Kristoff, 2012-09-18 The first in an epic new fantasy series introducing an unforgettable new heroine and a stunningly original dystopian steampunk world with a flavor of feudal Japan A DYING LAND The Shima Imperium verges on the brink of environmental collapse an island nation once rich in tradition and myth now decimated by clockwork industrialization and the machine worshipers of the Lotus Guild The skies are red as blood the land is choked with toxic pollution and the great spirit animals that once roamed its wilds have departed forever AN IMPOSSIBLE QUEST The hunters of Shima's imperial court are charged by their Shogun to capture a thunder tiger a legendary creature half eagle half tiger But any fool knows the beasts have been extinct for more than a century and the price of failing the Shogun is death A HIDDEN GIFT Yukiko is a child of the Fox clan possessed of a talent that if discovered would see her executed by the Lotus Guild Accompanying her father on the Shogun's hunt she finds herself stranded a young woman alone in Shima's last wilderness with only a furious crippled thunder tiger for company Even though she can hear his thoughts even though she saved his life all she knows for certain is he'd rather see her dead than help her But together the pair will form an indomitable friendship and rise to challenge the might of an empire

The Last Stormdancer Jay Kristoff, 2013-08-13 An original eNovella set in the world of the Lotus War before the events of Stormdancer Your blood red skies are filled with smoke Your bleach white histories with lies You walk sleeping Wake senseless Breathing deep of toxic blooms and forgetting all that has gone before But I remember I remember when two brothers waged bloody war over the right to sit in their father's empty chair I remember when orphaned twins faced each other across a field of crimson and steel the fate of the Shima Shogunate hanging in the poisoned sky between them I remember when a blind boy stood before a court of storms and talons armed only with a thin sword and a muttered prophecy and a desperate dream of saving the world I remember when the skies above Shima were not red but blue Filled with thunder tigers I remember when they left you And I remember why Let me tell you monkey child
