Stormrider David Gemmell,2002-02-26 Spellbinding action and breathless adventure these are the realms of David Gemmell His mythic characters represent the ultimates in good and evil and everything in between Brilliant warriors they are heartbreakingly human in their ability to love sacrifice and summon extraordinary courage when all seems lost With Stormrider Gemmell continues his spectacular Rigante saga as the imperiled highland clan faces its deadliest threat and calls for its greatest hero STORMRIDER A Novel of the Rigante Centuries ago Connavar s triumphant battles against the invading army of Stone gained the Rigante their freedom yet magic that once flourished has been all but snuffed out The Varlish king and his barons have stolen Rigante lands and robbed the people of their culture and liberty From the Rigante s former seat of power the black hearted Moidart rules only in the north are the clansmen free There in the Druagh mountains the magic still reigns strengthened by bold brilliant victories of the outlaw leader known as Ravenheart One glorious spark one moment of Rigante rebellion has ignited a revolution and forged a legend The conquered clans set about to rediscover their greatness yet theirs is not the only call to arms In the south civil war has drenched the land in blood and the armies of destruction have begun creeping north There the brooding Ravenheart waits knowing the forces of the hated Moidart will come led by the brutal ruler s only son Stormrider Ravenheart and Stormrider enemies of uncommon courage are unaware that the fate of the world lies in their hands Faced with this inexorable advance deadly foes will be forced to unite and a secret lost in the uncharted past will return to haunt these two warriors as they face the vengeance of an ancient evil Immense armies of darkness advance on the highlanders and it seems as if nothing will stop them They crush their enemies with ease until only a few thousand men stand before them with no help in sight But these are not ordinary men they face They are clansmen and more than that they are Rigante

closest friend with them Now with the Salamander crippled and the galaxy on edge Lily must convince her crew that the Storm Riders are more than just pirates They are zealots wielding the power of a cosmic tempest the Union refuses to understand one that may have been set in motion long before Lily was even born As the hunt takes her to the farthest reaches of known space Lily must rely on unlikely allies question everything she s been taught and face the growing storm within herself Because the leader of these zealots is hiding a dark secret And if Lily can t stop them the storm will swallow everything *The Stormrider Surf Guide Portugal* , *Readings in the Anthropocene* Sabine Wilke,Japhet
