Fifteen years during which the golden boy had amassed a fortune, making a name for the man. He's just not sure if the other man he's seen her with is only a friend or someone special in her life. Wynne Buchanan is looking forward to a certain shy professor's community center presentation about a murder committed in Willow Springs almost a century ago. Their friendship these past four years has meant the world to her, but every time she thinks they're moving toward a serious relationship, he pulls away. She's determined to find out why during his upcoming visit, because she's hoping for more, so much more.
