

A woman with long, wavy brown hair is lying down, her face partially obscured by a dense cluster of pink cherry blossoms. She has her eyes closed and a serene expression. The background is filled with more blossoms and green leaves, creating a soft, dreamy atmosphere. Camila Abbot

Storms Gift:

Gifts from the Storm Camila Abbot, 2015-11-03 Camila was an unhappily married mother of three when her oldest child was diagnosed with cancer. This tragic event sent a shockwave throughout her existence propelling her upward out of her disappointed complacency in life and into a broader realm of examination. It would call her to question all her previous beliefs beginning with the true nature of love. Once this portal of exploration was opened, she began to hear a voice whispering through it to her—a voice not of this world but of the spiritual dimension. This voice she realized had been whispering to her all her life, trying to guide her on her journey toward truth. Though in the cacophony of societal distractions she had unfailingly ignored it, in the midst of a tumultuous inner storm it spoke to her once more through the open door of her grief. But this time she was able to listen. Weaving through the emotional landscape of personal experience combined with the ethereal wisdom of a spiritual presence in our lives, this book has the power to help readers reimagine their own personal struggles within the scope of a wider dimension—a dimension that is always available to us as a guide. You will finish reading this book with a feeling of having expanded your awareness and with a deeper understanding of love and its power to transcend all things—even death.

Are Miraculous Gifts for Today? Zondervan, 2011-10-11 *Are Miraculous Gifts for Today* takes you to the heart of one of the most dividing questions in the Church today: how are the Holy Spirit's miracles at work among God's people now? Is he still actively giving the gifts of tongues, prophecy, and healing that fill the book of Acts? Is he driving out demons when Christians command them to flee? Or are these events confined to the time of the early church and the apostles? This volume of the Counterpoints series provides an impartial format for comparing the four main positions on present-day miracles, including the history and distinctions between the three positions that affirm miraculous gifts with voice, also given to a large sector of open but cautious evangelicals: Cessationist (there are no miraculous gifts of the Holy Spirit today), Pentecostal (gifts are intended for today with certain nuances focused on baptism and speaking in tongues), Charismatic (gifts are intended for today and should be actively practiced), and Third Wave (gifts are intended for today with greater emphasis on baptism and less on tongues). This thought-provoking book will help Christians on every side of the miraculous gifts debate to better understand their own position and the positions of others. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion.

How Christians Grow Andrew James Prince, 2022-09-27 When someone becomes a Christian they enter into a lifelong journey of God driven transformation into the likeness of Christ But what does this transformation process look like and what means does God use to bring about spiritual growth How does a Christian continue growing spiritually How do they prevent the practice of the spiritual discipline of meditating on God's word from become mechanical when they may have read through the Bible many times How do they mature in prayer And how do they continue being conformed to the image of Christ for the rest of their lives rather than simply putting their spiritual gearstick into neutral and coasting into eternity This book seeks to answer such questions It begins by exploring the contours of this spiritual transformation into Christlikeness before introducing various means God uses to bring this about The book seeks to give hope and instruction both to the weary and to the strong so that they can grow more like Christ through the means of grace that God has provided

Introducing Christian Theologies II Victor I Ezigbo,2016-08-25 Should Christianity s theological face remain largely European and North American in the twenty first century in the wake of the expansion of Christianity in sub Saharan Africa Asia and Latin America The question about the theological face of Christianity cannot be ignored For too long African Asian and Latin American theologians have been left out of mainstream theological discussions Few standard textbooks on Christian theology acknowledge the unique contributions theologians from these continents have made to global Christianity **Introducing Christian Theologies** Voices from Global Christian Communities is a two volume textbook that alters the predominantly European and North American theological face of Christianity by interacting with the voices of Christian communities from around the globe **Introducing Christian Theologies** explores the works of key theologians from across the globe highlighting their unique contributions to Christian theology and doctrine **Messages from the Master** Lisa Canter,2024-09-17 This devotional is unlike any that you have ever read In it you are taking a journey with me a fellow Believer as you and I navigate the daily ups and downs of a Christian s life God never promised us that this life on earth would be easy To be truthful He said in John 16 33 In the world ye shall have tribulation but be of good cheer I have overcome the world He also never promised us that we would always receive the answer to our prayers immediately To be exact there are over 101 scriptures in the KJV Bible that tell us we should wait on the Lord Facing trials and waiting on God are both handled best when you have a friend Through the words found in this daily devotional you will find a companion for these times in your Christian life You will find a fellow Believer who knows that life can be hard but who also realizes that laughter and a deeper relationship with God make it so much easier God said that our Christian walk would be better when shared with a friend or brother As a fellow Christian you and I are sisters and brothers in Christ Through that relationship it
