, 2000-11-01 **The Master of Disguise** Antonio J. Mendez, Malcolm McConnell, 1999-08-01 For the first time the CIA has authorized a top level operative to tell all in an unforgettable behind the scenes look at espionage in action an undisputed genius who could create an entirely new identity for anybody anywhere anytime Antonio J Mendez combined the cunning tricks of a magician with the analytical insight of a psychologist to help hundreds of people escape potentially fatal situations From Wild West adventures in East Asia to Cold War intrigue in Moscow and helping six Americans escape revolutionary Tehran in 1980 Mendez was on the scene Here he gives us a privileged look at what really happens in the field and behind closed doors at the highest levels of international espionage some of it shocking frightening and wildly inventive all of it unforgettable

Residual Uncertainty Roy Pateman, 2003 Intelligence networks will forever be with us and surely there will always be an appropriate role for the intelligence community There are still important but hard to learn facts about targets including the intentions and capabilities of rogue states and terrorists the proliferation of unconventional weapons and the disposition of potentially hostile military forces that can only be identified monitored and measured through dedicated intelligence assets In *Residual Uncertainty* Roy Pateman gives numerous examples of where security has been breached and networks severely even irreparably compromised and explains how the consequences of intelligence failure will surely be graver in the future Pateman pinpoints the causes of failures in intelligence and policy in today's world and offers solutions that will drastically overhaul and improve our intelligence networks

Keeping Us Safe Arthur S. Hulnick, 2004-08-30 How can the United States guard against a clever unknown enemy while still preserving the freedoms it holds dear Hulnick explains the need to revamp U S intelligence operations from a system focused on a single Cold War enemy to one offering more flexibility in combating non state actors including terrorists spies and criminals like those responsible for the attacks of September 11 2001 Offering possible solutions not to be found in the federal commission's official report Hulnick's groundbreaking work examines what is really necessary to make intelligence and homeland security more efficient and competent both at within the United States and abroad The U S government's progress in establishing a

system for homeland security is considerable yet besides shifts in alert status most U S residents are unaware of the work being done to keep them safe Describing the system already in place Hulnick adds further ideas about what more is needed to protect Americans in the ever changing world of intelligence To create a truly valuable program it is suggested the the United States consider not only new strategies and tactics but also the need to break down the barriers between intelligence agencies and law enforcement
