**World Leaders Speak: the Messiah Has Come** ,2003      **The Revelation of Jesus Christ** Jon Scott Birch,2022-09-21  
The testimony of Jesus is the spirit of prophecy Rev 19 10 and a prophetic perspective promotes purpose Yet in a world swiftly growing callous true purpose and meaning are fading Many of Jesus disciples today have lost their first love which is Jesus himself Rev 2 4 And too many souls overall miss the wonder inspiration and comfort gained by those who would endeavor toward fuller comprehension of the book of Revelation Blessed are they who read and those who hear the words of this prophecy and keep those things which are written in it for the time is near Rev 1 3 Neglect of the Holy Spirit slothfulness fear and the ongoing confusion generated by competing interpretations and bad theology are the primary obstacles between an individual and the liberation to be had by reading the last book of the Bible We must not forget that while the apostle John wrote the book of Revelation its author is Jesus Christ and he is not an author of confusion but of peace 1 Cor 14 33 This commentary presents a practical discipleship based perspective toward following Jesus into the very heart of his Revelation So as the end of this clamorous age approaches may we truly hear what the Spirit is saying to the churches      *Association Men* ,1915      **A Layman's Guide to Revelation** J. J. Ramsay,2019-12-09 The Layman s Guide to Revelation is a compilation of renowned expositors with different interpretive views of eschatology The book guides its readers into an in depth study of the Revelation using the critical analysis of commentators of the past to help the reader better understand the present times and God s plan for the future The guide defines key words in the Greek translation and explains the symbolic use of numbers colors and the foreshadowing of crucial aspects of Israel s history which will aid in deciphering the visions given to the apostle The guide further explains the types and use of the Old Testament prophets By understanding the Old Testament Scriptures the student will better appreciate the background of the language and the Hebraic symbolism used in Revelation The guide also sheds light on the use of foreshadowing of past empires used in the Old Testament that will further aid in the interpretation of the future and the end times that we are assuredly apart The guide takes the reader verse by verse chapter by chapter through the commentators interpretive views so they can study at their own pace and arrive at their own conclusions The book also includes a commentary by the author that offers his own insights into Revelation that will surely be of use to those who look to God s word to better understand the times we live      The Christian Witness and Advocate of Bible Holiness ,1897      **St. Mary's Chimes** ,1920      **Living to the Praise of God's Glory** Mark A. Simon,2021-05-24 The letter to the Ephesians is missional to its core It effectively exhorts its readers to understand support and participate in God s mission to rescue humanity and all creation from the damage and distortion of sin and so bring about a renewed creation filled with God s glorious fullness Working at the creative intersection of biblical studies and missiology this study adopts a missional hermeneutic to overcome the scholarly neglect of mission in Ephesians The book systematically explores each passage in Ephesians delving into the characterization of God and his mission allusions to Old Testament missional texts in

Ephesians and the portrayal of the apostle Paul and believers as participants in God's mission. A multi-faceted vision of mission emerges which encompasses God's actions in salvation history, the church as mediator of God's glory, reconciliation and grace to the nations, prayer, ethical witness and verbal proclamation of the gospel. Reading Ephesians through this missional lens yields fresh insights into its purpose and context and the richness of its portrait of mission. *Dictionary of the Apostolic Church* James Hastings, John Alexander Selbie, John Chisholm Lambert, 1915. *Shekinah Unveiled* John Whitman, 2018-07-05. Many Christians believe and have been taught that the bride of Christ is the church and this presupposition is widely held by scholars, ministers and laity alike as though it were a biblical precept. Yet this view actually owes its origins to pagan heresy and mysticism that infiltrated the church over the centuries. In fact, the scriptures tell us who Jesus will marry and it is neither the Christian church nor Israel. *Shekinah Unveiled* examines and irrevocably dismantles the ages-old traditions that maintain that the church is the bride of Christ and that Israel was Yahweh's wife. Author and theologian John Whitman proves from scripture who the true bride of Christ and the wives of Yahweh are and he explains why it matters to know the identity of the bride of Christ. Knowledge of the true identity of the bride of Christ affects multiple core doctrines of faith: the imago Dei, marriage, sexuality and the family, sin, Christology, ecclesiology, eschatology, judgment, bridal theology and theology proper. And because the latter is itself the bedrock upon which not only systematic theology but each of these other attendant doctrines are founded, the very heart of Christianity is affected by knowing the identity of Christ's bride. *Latter Day Saints Southern Star*, 1898.
