The Encyclopedia of Jewish Symbols Ellen Frankel,Betsy Patkin Teutsch,1995-11-01 Jewish symbols reflect the interaction of word and image within Jewish culture Jews have always studied interpreted and revered sacred texts they have also adorned the settings and occasions of sacred acts Calligraphy and ornamentation have transformed Hebrew letters into art quotation interpretation legend and wordplay have made ceremonial objects into narrative This book represents just such a collaboration between art and language Ellen Frankel and Betsy Platkin Teutsch writer and artist have brought their extensive knowledge and talents together to create The Encyclopedia of Jewish Symbols the first reference guide of its kind designed for use by educators artists rabbis folklorists feminists Jewish and non Jewish scholars and lay readers

The Glorious Hebrew Letters Darren Kelley,2008-10-26 Each letter in Hebrew is a way of life in its own right Each Hebrew letter can be considered its own religion The Hebrew language is a colorful language with plenty of depth For example the Hebrew letter Lamed uses the ox goad for its symbol and it means to learn and prod The Hebrew letter lamed is translated into the English letter L However what does L mean in English That answer will be very difficult to answer without the Hebrew definition The English letters loses height depth and width without its Hebrew origins The Hebrew letters contain so much wisdom that each one of us

would gain enlightenment just by living by the precept and meaning of each letter These Holy letters will help you become obedient to the voice and hand of God *The Zohar* Michael Laitman,2009-01-01 The wisdom of Kabbalah teaches us how to perceive and live in the reality that spreads before us It is a systematic method that has evolved over thousands of years nurtured by individuals whose task was to ensure that the true wisdom would be given to those ready to receive it The Book of Zohar The Book of Radiance is an ageless source of wisdom and the basis for all Kabbalistic literature Since its appearance nearly 2 000 years ago it has been the primary and often only source used by Kabbalists Written in a unique and metaphorical language The Book of Zohar enriches our understanding of reality and expands our worldview However this text should not be read in an ordinary fashion We should patiently and repeatedly read and think about each sentence as we try to penetrate the author s feelings We should read it slowly and try to extract the nuances of the text Although the text deals with one subject only how to relate to the Creator it approaches it from different angles This allows each of us to find the particular phrase or word that will carry us into the depths of this profound and timeless wisdom [A Guide to the Hidden Wisdom of Kabbalah](#) Michael Laitman,2009-01-01 In a time of crisis we need a guide to help us calm and stabilize our lives This is why Kabbalah is being revealed to millions today Kabbalah is a tool for bettering life and A Guide to the Hidden Wisdom of Kabbalah teaches how we can use this tool In a graceful easygoing style you ll learn the basics of Kabbalah and receive much needed suggestions for employing this age old science to your daily life *How Numbers Control Your Life and Give Your Life Purpose* Jack Tafoya,2007-03
