Midland Route Edward M. McFarland, 1980      **Lost Ghost Towns of Teller County** Jan MacKell Collins, 2016

Throughout Teller County history lovers can find abandoned towns and forgotten main streets that once bustled with life and commerce. Even before Teller was carved from surrounding counties the scenic mountains and lucrative mines of the gold rush era brought thousands of settlers and attracted resort owners and tycoons eager to exploit the rich setting. Seemingly overnight towns in the Cripple Creek District and other places popped up flush with gold and people looking for opportunity. As the ore disappeared the miners moved on in search of the next big lode. One by one the towns were all but forgotten. Join Jan MacKell Collins and discover the booming history lost towns and hardy settlers of Teller County.

**Legends, Labors & Loves: William Jackson Palmer, 1836-1909**, 2009. Everyone in Colorado Springs knows General William Jackson Palmer. Ask any child and they'll tell you he's the man on the horse. Ask an adult and they may add that city streets, a park, and a school are named after him. But who was he? Perhaps more knowledgeable citizens would tell you General Palmer was the founder of Colorado Springs or he was the president of the Denver and Rio Grande Railroad and others would declare he was a decorated Union soldier. Who was he or who was she is frequently answered by recounting the individual's accomplishments in life. Some people have long resumes listing their incredible successes. Others are well known for their failures. There are some residents of the Pikes Peak Region who know William Jackson Palmer as a husband to Queen Mellen Palmer, a father to Elsie, Dorothy, and Marjory, and a friend to everyone in the community. Still others would tell you that he was an environmentalist, a pacifist, and an entrepreneur. The second annual Pikes Peak Regional History Symposium, William Jackson Palmer 1836-1909: Legends, Labors, reconciling the massive manpower required to build Palmer's western railroad and mining empires with his reputation as man of benevolence and reconciling Palmer's love for Colorado Springs with his intercontinental romance with his wife Mary Lincoln Mellen Queen Palmer. This Palmer Paradox intrigued Chris Nicholl, historian in Special Collections at Pikes Peak Library District, who co-chairs the Symposium Planning Committee with Calvin P. Otto. Chris and Cal assembled many research talents of the region to attempt to reveal this man of Glen Eyrie. This book, *Legends, Labors, Loves: William Jackson Palmer 1836-1909*, contains the keys to the many doors in Palmer's own castle, his personal life. However, there still are rooms private and concealed which no one can ever enter. This unauthorized biography of a truly remarkable and modest man will open every reader's eyes to a new view of William Jackson Palmer. There is no scandal nor is there deception. However, in these pages you will not only find integrity, leadership, and compassion, but you will also witness Palmer's tenacious conviction, strength, and shrewdness just how one imagines a true founding father.
