The Millennial Fables Seven Short Stories That Can Only Cause Trouble:

The Millennial Fables Richard Gloff, 2000-03-01 Funny surreal provocative disturbing The Millennial Fables deal with our American culture at the end of the 20th century Things are different here So don't be surprised if children start to float or someone's arguing with Jesus or you come upon a mountain made of millions of discarded men What's more don't expect anything that could be called heartwarming or inspirational If anything these stories have the bad manners to laugh at all that These are graffiti on the great facade of modern liberal humanism They are devoutly heretical fantasies They are meant to unsettle and nag They are seven short stories that can only cause trouble It's been said that when reality becomes absurd satire becomes useless Then again things are different here *Forthcoming Books* Rose Arny, 2001 The Nation, 1900
