The Marshals Lady:

The Marshal's Lady Connie Carson, 2011-11-15 Amber had grown up as the oldest of seven children in a very poor family in St Louis Missouri So when a wealthy Texas rancher had ask her to marry him she had jumped at the chance for a better life She did not know until they arrived at the ranch just how isolated the ranch was or the true personality of her husband Jace Prescott s father was a sheep rancher and his mother was an Apache Indian Jace grew up under the cruel hand of his father and the hatred of the people of Wolf Creek Texas because he was a half breed Apache When his mother died his father deserted him leaving him with nothing but the small ranch With the help of an uncle and a lone white man he managed to grow to manhood and eventually became a marshal in El Paso county Amber and Seth did not meet under the best of circumstances but soon found they had a strong attraction for each other that eventually turned to love Together they face the adversities in the still untamed American west Preview When he took off his hat to her she found herself looking up and into the eyes of the best looking man she had ever seen She thought he looked like he might be part Indian since his hair was as black as a raven s wing and his brown eyes were so dark she could hardly see the pupils He was well over six feet tall with broad shoulders that tapered to a narrow waist where two large handguns rode on his hips Looking at her closely he noticed her waist was so small he felt he could put his hands around it and his fingers would touch Her eyes were a clear dark blue and her nose was small and turned up slightly at the end He couldn t decide what color her hair was It wasn t blond it wasn t red It reminded him of the color of honey

The Marshal's Lady Josie Malone, 2021-08-17 While trailing a serial killer on horseback homicide detective Beth Chambers finds she has somehow ridden back in time to 1888 When she comes across injured Marshal Rad Morgan she has no choice but to try to save his life Though the handsome marshal believes a lady should stand behind her man Beth is determined to catch the killer she s chased through time and prove she s a capable law enforcement officer in any century A former Union soldier Rad has survived the Confederate hellhole of Andersonville Prison but his toughest challenge is beautiful Beth Chambers As the headstrong female detective from the future lets him in on why she s there Rad becomes convinced that her stubbornness may get her killed But when he is shot and left for dead the marshal has no other choice but to put himself in Beth s hands and hope they can both survive Two officers of the law from different centuries chasing the same killer could be a recipe for disaster especially with the distraction of love
