The Massie Case:

The Massie Case Peter Packer, 1966 *Local Story* John P. Rosa, 2014-08-31 The Massie Kahahawai case of 1931 1932 shook the Territory of Hawai i to its very core Thalia Massie a young Navy wife alleged that she had been kidnapped and raped by some Hawaiian boys in Waik k A few days later five young men stood accused of her rape Mishandling of evidence and contradictory testimony led to a mistrial but before a second trial could be convened one of the accused Horace Ida was kidnapped and beaten by a group of Navy men and a second Joseph Kahahawai lay dead from a gunshot wound Thalia s husband Thomas Massie her mother Grace Fortescue and two Navy men were convicted of the lesser charge of manslaughter despite witnesses who saw them kidnap Kahahawai and the later discovery of his body in Massie s car Under pressure from Congress and the Navy territorial governor Lawrence McCully Judd commuted their sentences After spending only an hour in the governor s office at Iolani Palace the four were set free *Local Story* is a close examination of how Native Hawaiians Asian immigrants and others responded to challenges posed by the military and federal government during the case s investigation and aftermath In addition to providing a concise account of events as they unfolded the book shows how this historical narrative has been told and retold in later decades to affirm a local identity among descendants of working class Native Hawaiians Asians and others in fact this understanding of the term local in the islands dates from the Massie Kahahawai case It looks at the racial and sexual tensions in pre World War II Hawai i that kept local men and white women apart and at the uneasy relationship between federal and military officials and territorial administrators Lastly it examines the revival of interest in the case in the last few decades true crime accounts a fictionalized TV mini series and most recently a play and a documentary all spurring the formation of new collective memories about the Massie Kahahawai case *The Massie Case* Honolulu TimeWalks Company, 1996 *The Massie Case. (The Most Notorious Rape Case of the Century.).* Peter Packer, Bob Thomas, 1966 **New Faces in a Changing America** Loretta I. Winters, Herman L. DeBose, 2003 *New Faces in a Changing America* is a comprehensive penetrating authoritative and provocative examination of what it means to be multiracial in this country With contributions by the leading thinkers activists and researchers on the subject it admirably links theory and the powerful lived experiences of mixed race people This book will be the most important reference source on the subject for many years James P Allen California State University Northridge Not since the work of Root has there been as important of an anthology as *New Faces in a Changing America* This book explores the reality of multiracial people from a variety of theoretical and conceptual perspectives It is a must read for anybody who want to understand the multiracial movement and the multiracial people who lead that movement Any teacher who wants to introduce the concept of multiraciality to his her class must also have this book Winters and Debose are to be commended for putting together this first rate academic examination of an important social phenomenon George Yancey University of North Texas How multiracial people identify themselves can have major consequences on their positions in their families communities and society Even the U S Census

has recognized the rapidly increasing numbers of those who consider themselves multiracial adding a new racial category to the 2000 Census form two or more races New Faces in a Changing America Multiracial Identity in the 21st Century examines the multiracial experience its history and the political issues and consequences surrounding biracial and multiracial identity bringing together top names in the field to give readers cutting edge views and insights gained from contemporary research This important new text follows the trail blazed by Maria Root who contributes its opening chapter An introduction places the issues of multiracial identity into context via a discussion of U S Census data and debates providing an overview of the varied readings to come covering such topics as Race as a social rather than biological construction The Multiracial Movement Racial Ethnic Groups in America and Beyond Race Gender human service professionals including psychologists counselors social workers and school personnel and importantly multiracial individuals themselves **The Massie Case** Peter PACKER (and THOMAS (Robert Joseph)),Thalia MASSIE,Robert Joseph THOMAS,1966 **Perfect Victims** Bill James,2011-07-07 The Black Dahlia case The Manson murders The Zodiac Killer The slaughter of JonBenet Ramsay These killings among many others in Bill James s astonishing chronicle of the history of American crime have all created a frenzy of interest and speculation about human nature And while many of us choose to avoid the news about gruesome murders Bill James contends that these crime stories which create such frenzy and have throughout history are as important to understanding our society culture and history as anything we may consider to be a more serious subject The topic envelopes our society so completely we almost forget about it James looks at the ways in which society has changed by examining the development of how crimes have been committed investigated and prosecuted The booktakes on such issues as the rise of an organized police force the controversial use of the death penalty the introduction of evidence such as fingerprinting and DNA and the unexpected ways in which the most shocking crimes have shaped the criminal justice system and our perceptions of violence

Crimes of the Centuries Steven Chermak Ph.D.,Frankie Y. Bailey,2016-01-25 This multivolume resource is the most extensive reference of its kind offering a comprehensive summary of the misdeeds perpetrators and victims involved in the most memorable crime events in American history This unique reference features the most famous crimes and trials in the United States since colonial times Three comprehensive volumes focus on the most notorious and historically significant crimes that have influenced America s justice system including the life and wrongdoing of Lizzie Borden the bombing of the Sixteenth Street Baptist Church the killing spree and execution of Ted Bundy and the Columbine High School shootings Organized by case the work includes a chronology of major unlawful deeds fascinating primary source documents dozens of sidebars with case trivia and little known facts and an overview of crimes that have shaped criminal justice in the United States over several centuries Each of the 500 entries provides information about the crime the perpetrators and those affected by the misconduct along with a short bibliography to extend learning opportunities The set addresses a breadth of famous trials across American history including the Salem witch trials the conviction of Sacco and Vanzetti and the

prosecution of O J Simpson Making Waves Frederick Lau,Christine R. Yano,2018-02-28 Musical sounds are some of the most mobile human elements crossing national cultural and regional boundaries at an ever increasing pace in the twentieth and twenty first centuries Whole musical products travel easily though not necessarily intact via musicians CDs and earlier cassettes satellite broadcasting digital downloads and streaming The introductory chapter by the volume editors develops two framing metaphors traveling musics and making waves The wave making metaphor illuminates the ways that traveling musics traverse flows of globalization and migration initiating change and generating energy of their own Each of the nine contributors further examines music its songs makers instruments aurality aesthetics and images as it crosses oceans continents and islands In the process of landing in new homes music interacts with older established cultural environments sometimes in unexpected ways and with surprising results They see these traveling musics in Hawai i Asia and the Pacific as making waves that is not only riding flows of globalism but instigating ripples of change What is the nature of those ripples What constitutes some of the infrastructure for the wave itself What are some of the effects of music landing on transported to or appropriated from distant shores How does the Hawai i Asia Pacific context itself shape and get shaped by these musical waves The two poetic and evocative metaphors allow the individual contributors great leeway in charting their own course while simultaneously referring back to the influence of their mentor and colleague Ricardo D Trimillos whom they identify as the wave maker The volume attempts to position music as at once ritual and entertainment esoteric and exoteric tradition and creativity within the cultural geographies of Hawai i Asia and the Pacific In doing so they situate music at the very core of global human endeavors **Clarence Darrow** Andrew E. Kersten,2011-04-26 Clarence Darrow is best

remembered for his individual cases whether defending the thrill killers Leopold and Loeb or John Scopes s right to teach evolution in the classroom In the first full length biography of Darrow in decades the historian Andrew E Kersten narrates the complete life of America s most legendary lawyer and the struggle that defined it the fight for the American traditions of individualism freedom and liberty in the face of the country s inexorable march toward modernity Prior biographers have all sought to shoehorn Darrow born in 1857 into a single political party or cause But his politics do not define his career or enduring importance Going well beyond the familiar story of the socially conscious lawyer and drawing upon new archival records Kersten shows Darrow as early modernity s greatest iconoclast What defined Darrow was his response to the rising interference by corporations and government in ordinary working Americans lives he zealously dedicated himself to smashing the structures and systems of social control everywhere he went During a period of enormous transformations encompassing the Gilded Age and the Progressive Era Darrow fought fiercely to preserve individual choice as an ever more corporate America sought to restrict it
