## **The Master Plan:**

**The Master Plan** Chris Wilson, Bret Witter, 2020-02-04 The Master Plan is less of a road map and more of a philosophy that we should all take to heart We are all better than our worst decision our sense of justice should honor the redemptive possibilities inherent in every person and our destinies are truly intertwined Wes Moore author of The Other Wes Moore Growing up in Washington DC Chris Wilson was surrounded by violence and despair He watched his family and neighborhood shattered by trauma and he lost his faith One night when he was seventeen defending himself he killed a man He was sentenced to life in prison with no hope of parole But what should have been the end of his story became the beginning Behind bars Wilson embarked on a remarkable journey of self improvement reading working out learning languages even starting a business At nineteen he sat down and wrote a list of all the things he intended to accomplish and all the steps he d have to take to get there He called it his Master Plan He revised that plan regularly and followed it religiously Sixteen years later it led him to an unlikely opportunity and to a promise he has been working hard to live up to every day since Harrowing heartbreaking and ultimately triumphant The Master Plan is a memoir for this moment proving that every person is capable of doing great things *The Master's Plan* Ameet Guha, 2020-08-25 IMAGINATION shall give you power He said to his people They imagined themselves to be more powerful than him He realised that his master plan failed when his people used him yet ignored him He thought it was a master plan a plan that would improve lives of his people and at the same time establish himself as the all powerful The Master However he did not expect his master plan to make his people as dangerously ambitious as himself and imitate his own ways His plan creates a chaotic and an undesirable world And instead of being seen by his people as powerful they use him for their personal gains and then ignore him He feels cheated He is determined to get his world back He designs yet another plan This time he picks three people a brilliant scientist a religious leader and a politician each more ambitious than himself He monitors their behavior and dramatically intertwines their lives to reset his world through them Set in the spiritual land of India and in lives of 4 metaphorical characters The Master s Plan is a fast paced riveting fiction of how the Master resets his plan using three characters whose lust for power takes each of them to the top beyond which they see only death and destruction Will the Master finally get his world back *Carrying Out the Master Plan* Detroit (Mich.).
