The Matthew 16 Controversy Peter And The Rock:

Upon this Rock Stephen K. Ray, 1999-01-01 Ray a former Evangelical Protestant and Bible teacher goes through the Scriptures and the first five centuries of the Church to demonstrate that the early Christians had a clear understanding of the primacy of Peter in the see of Rome He tackles the tough issues in an attempt to expose how the opposition is misunderstanding the Scriptures and history He uses many Protestant scholars and historians to support the Catholic position This book contains the most complete compilation of Scriptural and Patristic quotations on the primacy of Peter and the Papal office of any book available It has over 500 footnotes with supporting evidence from Catholic Orthodox Evangelical and non Christian authorities *Peter and the Rock* William Webster, 1996

The Shape of Sola Scriptura Keith A. Mathison, 2001 In what shape do we find the doctrine of sola Scriptura today Many modern Evangelicals see it as a license to ignore history and the creeds in favor of a more splintered approach to the Christian living In the past two decades Roman Catholic and Eastern Orthodox apologists have strongly tried to undermine sola Scriptura as unbiblical unhistorical and impractical But these groups rest their cases on a recent false take on sola Scriptura The ancient medieval and classical Protestant view of sola Scriptura actually has a quite different shape than most opponents and defenders maintain Therein lies the goal of this book an intriguing defense of the ancient and classical Protestant doctrine of sola Scriptura against the claims of Rome the East and modern Evangelicalism The issue of sola Scriptura is not an abstract problem relevant only to the sixteenth century Reformation but one that poses increasingly more serious consequences for contemporary Christianity This work by Keith Mathison is the finest and most comprehensive treatment of the matter I ve seen I highly recommend it to all who embrace the authority of sacred Scripture R C Sproul Ligonier Ministries

IS GOD'S CHURCH BUILT ON PETER? Steve Wohlberg, 2017-08-09

Declaration of Independence of the People of God Richard Lane, 2023-07-24 In a time when the people are separated by theology philosophy divisions and schisms of different doctrines tongues interpretations and religions which is the right one and which is the wrong one How do they know their going the right way and how do they know they are not themselves being deceived When it is easier to lead others astray than to preach and teach the Gospel it becomes harder to convince the people of uncorrupt unwatered down unsugarcoated Scripture truth as it is written there will be a time when sound doctrine will not be tolerated 2 Tim 4 3 For far too long have we become engrossed in what other people say is or is not the truth For far too long have people become in bondage with specific beliefs and religious systems that are doomed to fail fall and falter Unfortunately just as God

had to be patient for the wickedness of Lucifer to be fully revealed and evidence seen before God could expel Satan to the earth God had to let the works of Satan in the guise of religions to be fully manifested for it to be realized exactly what he has done Many see the puzzle pieces as it is shown in this book but only a few see the big picture Take it out of the frame and it falls apart Just as it is written a kingdom divided against itself cannot stand Judgment has sat therefore it has hereby officially fallen into pieces Many ministers prophets and others have spoken of and prophesied of a change that God is bringing to the church worldwide and that something big by God is coming Many wished to see it during their time and many hoped to see it during their life That time has now come and it has already begun Here is the sentence of God The kingdom the dominion and the greatness of the kingdom of God on earth is taken away from the little king in the physical and from Satan in the spiritual and is given to the people of the Most High the only Holy Father Yehovah and Yeshua the High Priest the Head of the whole Church of the Living God worldwide Woo

The Papacy and the Orthodox Anthony Edward Siecienski,2017 The Papacy and the Orthodox examines the centuries long debate over the primacy and authority of the Bishop of Rome especially in relation to the Christian East and offers a comprehensive history of the debate and its underlying theological issues Siecienski masterfully brings together all of the biblical patristic and historical material necessary to understand this longstanding debate This book is an invaluable resource as both Catholics and Orthodox continue to reexamine the sources and history of the debate

have evolved Gordon Arthur explores the contributions of Scripture Roman Legal Theory and Greek Philosophy This book shows how the influence of Roman legal theory has caused inflexibility and at times authoritarianism in the Roman Catholic Church it explores how the influence of reason and moderation has led the Church of England to focus on inclusiveness often at the cost of clarity it expounds the attempts of the Free Churches to establish liberty of conscience leading them at times to a more democratic and individualistic approach Finally Arthur offers an alternative view of authority and sets out some of the challenges this view presents to the Churches
