The Meaning Of Masonry

W. L. Wilmshurst

The Meaning Of Masonry:

The Meaning of Masonry, Revised Edition W. L. Wilmshurst, 2007-11 W L Wilmshurst's powerful vision of the rites and rituals of Freemasonry as a spiritual philosophy begins with this book Here Masonry is presented as a sacramental system represented not only by the ceremonies as experienced in the initiations but also by an internal and mystical side hidden behind the visible symbolism available only to the Mason who has learned to use his spiritual imagination and who can appreciate the reality that lies behind the veil This new revised edition features a more readable modern typeface and is enriched with extensive notes to make many of its points more accessible for both British and American students of Freemasonry Prominent Masonic author Robert G Davis calls this book An easy to read and gratifying work which affirms Wilmshurst's interpretation that the progressive lessons of Craft Masonry are nothing less than the spiritual journey of the psyche toward full realization *The Meaning Of Masonry (Annotated Edition)* W. L. Wilmshurst, 2013-10-17 This most interesting and illuminative work is worthy a place on every Mason's bookshelf It seems taken for granted says the author that reception into the Order will automatically be accompanied by an ability to appreciate forthwith and at its full value all that one there finds The contrary is the case for Masonry is a veiled and cryptic expression of the difficult science of spiritual life and the understanding of it calls for special and informed guidance on the one hand and on the other a genuine and earnest desire for knowledge and no small capacity for spiritual perception on the part of those seeking to be instructed In Freemasonry as in all phases of life many are called but few are chosen Masonry is not a mere formalism but a life to be lived If you do not live the life you cannot know the doctrine Masonry is an effort to perpetuate the essential doctrines of the Ancient Mysteries but alas it does so in a very perfunctory manner So veiled are its allegories and symbols that it is almost impossible to penetrate into the Holy of Holies The Meaning of Masonry W. L. Wilmshurst, 2014-03 This Is A New Release Of The Original 1922 Edition Wilmshurst's the Meaning of Masonry W. L.
