The Meeting of Love and Knowledge Martin Cyril D'Arcy, 1979-01-01 **The Meeting of Love and Knowledge** Martin C. D'Arcy, 2021-12-30 Originally published in 1958 and authored by one of the foremost liberal Catholic theologians of the 20th Century this book recognizes the need for a greater unity of understanding among all faiths and explores these common grounds with insight and sympathy bringing to Catholics and non Catholics alike a full measure of the author's inspiration and judgement **The Meeting of Love and Knowledge** Martin Cyril d' Arcy (S.J., Le P.), 1958 **Risen Sons** John F. Desmond, 2010-11-01 Though stressing that Flannery O'Connor was first and foremost a writer of fiction John Desmond maintains in *Risen Sons* that her orthodox Catholic theology stands at the center of her vision providing the metaphysical base from which the fiction evolved Given this religious context Desmond contends that O'Connor's stated view of fiction writing as an incarnational act suggests a direct connection between the practice of fiction writing and the Incarnation of Christ the pivotal historic event which her fiction seeks to imitate and through which her vision is revealed O'Connor's attempts to create images that would connect the Incarnation with fictional incarnation Mystery with mystery were not immediately realized in her early works It was only with *Wise Blood* that she came to recognize Christian historical vision as her particular fictional subject and the analogical method as the appropriate fictional strategy This discovery made possible the convergence of her metaphysics historical vision and artistic technique providing the thematic and structural basis for the quality of unique wholeness that distinguishes all her works Desmond suggests that O'Connor achieved the fullest development of her analogical vision and most complete identification of thought and technique in her novel *The Violent Bear It Away* Her dramatic rendering of the route Tarwater takes before he can comprehend the transcendent mysterious source of personality and the meaning of personhood in history parallels the actions of Christ embodying O'Connor's complex and dramatic vision of the mind's engagement with history in all its ultimate extensions of meaning **Perennial Wisdom for the Spiritually Independent**, 2013-09-01 The spiritual teachings of many faith traditions can help you step beyond the limits of any one tradition to the reality that can't be named The fastest growing spiritual movement in the United States today is that of the religiously unaffiliated These spiritual seekers make up 20 percent of the adult American population they are the spiritual equivalent of political independents Refusing to limit themselves to one religion or another these seekers without borders are open to wisdom wherever it can be found This is a bible for this vast and growing social movement It weaves sacred texts and teachings from the world's major religions Christianity Judaism Islam Hinduism Buddhism and more into a coherent exploration of the five core questions at the heart of every religion's search Who am I Where did I come from Where am I going How shall I live Why It couples these sacred teachings with modern commentary designed to help readers use these texts in their daily lives It also provides the basics of spiritual mentor Eknath Easwaran's *Passage Meditation* to help you internalize the texts that articulate your deepest insights and values **Commonweal**, 1957 **Union Catalog of**

the Graduate Theological Union Graduate Theological Union. Library, 1972 **National Union Catalog** , 1980 Includes entries for maps and atlases Catholic World , 1957 The Month , 1957 A general interest periodical with an emphasis on religious esp from a Roman Catholic perspective matters
