The Men In My Life:

Surviving the Men in My Life M.J. AKA, 2023-01-18 I feel everyone has a story to tell and we all wear masks to cover who we really are We want others to think our lives are perfect but that is not always the case Our masks hide the pain and suffering each of us may have endured at some point in our lives It is with this book that I am lowering my mask to reveal to you who I truly am This first book will tell you about two of my marriages and the men in between My first marriage was to my high school sweetheart who really didn't want to be married but never found the courage to tell me After a few years and an assortment of men I married my second husband Within a few months the mental and physical abuse began and I realized that I had made a terrible mistake I blamed myself at first but after years of trying to be a better wife I realized that it wasn't me it was him You will understand by reading my book what I went through and how I finally escaped his dominance I hope this first book will entertain you and help you navigate down your own path of life I have suggested music to listen to while you read my book hoping it will help you understand my life Music has always spoken to me telling me a story Listen to Annie Lennox singing Why and you will understand a little about who I am You don't know how I feel A portion of the profits made from the sale of this book will be donated to a Domestic Violence Program A Piece of Me Sandra E. Grey-Smith, 2011-04 This book A Piece of Me is just that a piece of me Growing up in two different households trying to live what I learned from both and not understanding the realities of this thing called LIFE Some lessons were hard and some were easy but there was always a lesson In retrospect I can now look on pieces of my life in humor or appreciation of the moment and continually see how God moves This may sound like a cliché but Our God IS an AWESOME God *RIGHT In Time* Olivia Marie Solomon, 2025-04-21 *RIGHT In Time* written by Olivia Marie Solomon continues a jubilant and heartfelt book series of sharing her personal life experiences and inspiring faith moments witnessed along the way in her journey This piece will serve as a foundation for anyone looking to capture everlasting hope further their understanding of spirituality and to prosper in an ultimate life purpose and fulfillment Readers seeking healing for themselves body soul and spirit will achieve individual success and create an outpouring of positive impact in their community The book's goal is to have a unifying impact on many Over 199 Scriptures are planted within its pages to provide hope evidence and inspiration of God's magnificent Word and promises for our lives In Jesus Christ things will be made RIGHT in His perfect timing **The Story Within Us** Megan Sweeney, 2012-09-11 This volume features in depth oral interviews with eleven incarcerated women each of whom offers a narrative of her life and her reading experiences within prison walls The women share powerful stories about their complex and diverse efforts to negotiate difficult relationships exercise agency in restrictive circumstances and find meaning and beauty in the midst of pain Their shared emphases on abuse poverty addiction and mental illness illuminate the pathways that lead many women to prison and suggest possibilities for addressing the profound social problems that fuel crime Framing the narratives within an analytic introduction and reflective afterword Megan Sweeney highlights the crucial

intellectual work that the incarcerated women perform despite myriad restrictions on reading and education in U S prisons These women use the limited reading materials available to them as sources of guidance and support and as tools for self reflection and self education Through their creative engagements with books the women learn to reframe their own life stories situate their experiences in relation to broader social patterns deepen their understanding of others experiment with new ways of being and maintain a sense of connection with their fellow citizens on both sides of the prison fence All Men Are Jerks - Until Proven Otherwise, 15th Anniversary Edition Daylle Deanna Schwartz,2013-02-18 Men Really Can Be Jerks But Only If You Let Them Like millions of women Daylle Deanna Schwartz had a habit of falling for jerks until she had enough This cycle wasn t going to change until she made a change herself And now in this anniversary edition of her groundbreaking relationship book she shows you how to do the same This book tells it like it is The only person who can make you happy is you and the only person who can change a guy is himself It s time to take control and make him prove he s not a jerk or move on As a relationship expert and self empowerment counselor Daylle s guidance will motivate you to develop a satisfying healthy relationship without playing games With fresh insight and new stories throughout this updated edition of All Men Are Jerks Until Proven Otherwise makes your happiness your first priority Men can act like real jerks but complaining about them won t get you anywhere It s time to take control of how men treat you and get the love you deserve *The Single Woman* Olga Castellanos,2023-02-08 In this book Olga walks you through the ups and downs of her life as she explains how God helped her develop wisdom love self respect and self control through the hardest years of her life After reading The Single Woman you ll understand that nothing is impossible with God No weapon formed against you shall prosper and you will refute every tongue that accuses you This is the heritage of the servants of the LORD and their vindication is from Me declares the LORD Isaiah 54 17 **Cooking with Love** Tinika B Love,2019-05-02 A good plate of food goes hand and hand with a good conversation Tinika B Love author and entrepreneur lives up to her last name as she has chosen to share her journeys around the world that are filled with both her passion for family and food in this coffee table memoir Readers will glean a unique perspective of Tinika through her real life stories She explores her past and the many roles she plays with others from mother and wife to entrepreneur and cook Tinika s personal stories are the conversation piece while her unique recipes tie into times of tragedy and learning Each chapter tells a story that will resonate with readers who are able to connect fond memories to places smells and taste This book represents the unique life Tinika has led and gives cooks both beginner and advanced new ingredients to try on well known dishes The author offers the opportunity for friends to gather around get cooking share some wine and explore the short story of an overcomer The conversation starters show that a journey can be rocky but dark times good food and great company can create a survivor McClure's Magazine ,1902
