The Mercenary The Formula:

The Mercenary Vicente Segrelles, 2017 The Mercenary embarks on one of his most perilous journeys ever as he tries to stop an unscrupulous alchemist who has stolen a highly dangerous mysterious formula Each volume is complemented with articles at the back about the history and the making of this series over its gloried decades long history Formula Vicente Segrelles, 2018 In a lost and long forgotten valley high up in the mountains The Mercenary has been contracted to save a woman from the mysterious and powerful Cult of the Sacred Fire Each volume is complemented with articles at the back about the history and the making of this series over its gloried decades long history The Cult of the Sacred Fire Vicente Segrelles, 1985 **The Art of Anthonie Palamedes (1602-1673)** Jochai Rosen, 2024-05-08 This book is the first complete study of the life and work of the 17th century Dutch painter Anthonie Palamedes 1602 1673 Palamedes was active in Delft one of the most important cities during the Dutch Golden Age alongside Vermeer Unlike his famous compatriot Vermeer Anthonie Palamedes was a successful painter He was socially acceptable was recognized and appreciated by his colleagues painted hundreds of pictures and achieved financial success that allowed him to live comfortably Palamedes is therefore the embodiment of the successful painter in the Dutch Golden Age The book includes a biography of the painter as well as a systematic and comparative iconographical and stylistic study of his work with an attached critical oeuvre catalogue

Gregory Peck Gerard Molyneaux, 1995-06-30 Born in 1916 in La Jolla California Gregory Peck took up acting in college on a lark that would lead to a career In his early years he appeared in a series of summer stock engagements and Broadway shows He became a star within a year after arriving in Hollywood during World War II and he won an Academy Award nomination for his second film From the 1940s to the present he has played some of film s most memorable and admired characters This volume provides complete information about Gregory Peck s work in film television radio and the stage Entries are included for all of his performances with each entry providing cast and credit information a plot summary excerpts from reviews and critical commentary A biography and chronology highlight significant events in his life while a listing of his honors and awards summarizes the recognition he has received over the years For researchers seeking additional information the book includes descriptions of special collections holding material related to Peck s work along with an extensive bibliography of books and articles Reproducing Athens Susan Lape, 2009-01-10 Reproducing Athens examines the role of romantic comedy particularly the plays of Menander in defending democratic culture and transnational polis culture against various threats during the initial and most fraught period of the Hellenistic Era Menander s romantic comedies which focus on ordinary citizens who marry for love are most often thought of as entertainments devoid of political content Against the view Susan Lape argues that Menander s comedies are explicitly political His nationalistic comedies regularly conclude by performing the laws of democratic citizen marriage thereby promising the generation of new citizens His transnational comedies on the other hand defend polis life against the impinging Hellenistic kingdoms either by

transforming their representatives into proper citizen husbands or by rendering them ridiculous romantic losers who pose no real threat to citizen or city In elaborating the political work of romantic comedy this book also demonstrates the importance of gender kinship and sexuality to the making of democratic civic ideology Paradoxically by championing democratic culture against various Hellenistic outsiders comedy often resists the internal status and gender boundaries on which democratic culture was based Comedy s ability to reproduce democratic culture in scandalous fashion exposes the logic of civic inclusion produced by the contradictions in Athens s desperately politicized gender system Combining careful textual analysis with an understanding of the context in which Menander wrote *Reproducing Athens* profoundly changes the way we read his plays and deepens our understanding of Athenian democratic culture
