The Message Of Johns Letters Living In The Love Of God

Gary M. Burge

The Message Of Johns Letters Living In The Love Of God:

The Message of John's Letters David Jackman, 2021-06-22 In a society that scorned the gospel and sneered at godly living John encouraged Christians with a message forged from two words truth and love In this revised BST volume David Jackman considers 1 2 and 3 John by providing historical background identifying key themes and offering applications for today

The Message of John's Letters David Jackman, 1988 **Reformed Systematic Theology, Volume 1** Joel Beeke, Paul M. Smalley, 2019-03-14 The church needs good theology that engages the head heart and hands This four volume work combines rigorous historical and theological scholarship with application and practicality characterized by an accessible Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley explore the first two of eight central themes of theology revelation and God **The Dark Side of Discipleship** Gary Tyra, 2020-10-21 There s a dark side to Christian discipleship church members ignore to their peril The New Testament has much to say about why and how Christ s followers must deal with the devil Learning to take the evil one seriously without obsessing over him is crucial to the spiritual endurance training we all need if we are to someday hear Jesus say to us Well done good and faithful servant Specifically pastor theologian Gary Tyra argues in this work that key to overcoming Satan is a balanced Spirit empowered engagement in what he refers to as the four cardinal components of Christian discipleship Understanding the various ways the devil attempts to derail our experiences of worship nurture community and mission can serve to motivate us with respect to them With the help of the Holy Spirit church members can cultivate a lifestyle spirituality that enables them to don the full armor of God and engage in several critical close quarters combat tactics the New Testament encourages In the end The Dark Side of Discipleship is a no nonsense yet inspirational New Testament theology of spiritual warfare that can serve Christ s church as a powerful aid to the spiritual moral and ministry formation of contemporary Christians Biblical Counsel , 1993 A Commentary on the Letters of John Birger Olsson, 2013-08-13 The long history of interpretation of the three Johannine letters has been largely characterized at least since Irenaeus in the late second century by the assumption that the Elder was addressing the Gnostic heresy In recent years particularly with the work of Raymond Brown attention has been focused on the internal schism within the Johannine or Beloved Disciple s community thus taking the first epistle as a corrective to secessionists misguided attempts to read the Gospel of John in an advanced spiritualizing manner Birger Olsson returns to a less common perspective one that views the crisis facing the Elder as a wholly intra Jewish problem The Johannine community comprised Jewish believers who regarded Jesus as the long promised Messiah of Israel but at some point in the community s life under the leadership of one Diotrephes some members of the community chose to reject this conviction and to entice other members to do likewise Olsson anchors his thoroughgoing interpretation of the three letters in this conflict among Jewish Christians over the nature of the Messiah and the renewal of Israel s ancient covenant Among other things this implies that the letters were written in reverse order of their numbering *The Letters of John* Gary M. Burge, 2011-10-11

The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. John weaves together themes of light and darkness, falsehood and truth, and what it means to be children of God in community. He explores the theme of love as central to God's nature and thus as the defining characteristic of those who follow him. The Letters of John teach us about handling conflict, discerning orthodox belief, and measuring Christian conduct. Gary Burge shares perspectives on John's letters that reveal their enduring relevance for our twenty-first century lives. To bring the ancient messages of the Bible into today's context, each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context; Bridging Contexts, A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible; Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

Aural Design and Coherence in the Prologue of First John Jeffrey E. Brickle, 2012-02-16. Unlike literature in the modern western world, ancient documents were typically crafted for the ear rather than the eye. Jeffrey E. Brickle analyses the oral patterning and resulting soundscape reflected in the prologue of First John. After discussing contemporary techniques of sound analysis and establishing the study's methodological approach, Brickle examines the prologue's aural profile. To do this, he explores, describes, and graphically depicts the patterns of sound that emerge. Brickle then uses approaches to Greek pronunciation and orality advocated in recent New Testament research to determine the impact on the prologue's soundscape. He employs the principles for beautiful and effective composition elucidated by Dionysius of Halicarnassus in his treatise *On literary composition*. The results and implications of this study enable Brickle to suggest further ways to apply research in orality performance and memory to ancient texts. From publisher description: [South Asia Bible Commentary](#)

Zondervan, 2015-10-06. A one-volume commentary written and edited by South Asian biblical scholars on all the books of the Bible. For the purposes of this commentary, South Asia was defined as the SAARC countries, namely India, Sri Lanka, Nepal, Bangladesh, Pakistan, Bhutan, and the Maldives. The contributing scholars from these countries, addressing these countries' specific concerns, have adopted the following key principles: Integrity. Articles are written within the confines of the Lausanne Covenant, and all contributions are in line with and support the confessional direction of the Lausanne Covenant. Interpretation. The commentary offers readers a contextual and readable guide interpreting the biblical text section by section rather than delving too deeply into critical and exegetical details. South Asian. All authors are scholars writing from within their own contexts for the people of South Asia. The focus of this commentary is three-fold: exegetical, contextual, and

applied Articles explain the meaning of the text relate that meaning to the context and apply it to wider life and ministry
Understanding what the Bible teaches book by book The following features are specifically designed to help you as you study each book of the Bible Introduction to each book sketches the context and main themes of the book and its relevance to South Asia Outline shows the structure of the book and can help to identify preaching topics Subheadings break the book up into manageable portions Bold references highlight verses being discussed and help you find your place quickly Italics identify quoted verses being discussed at that point in the commentary Applications are built into the text in many places Further reading each of the authors suggest other commentaries you could consult **1, 2, and 3 John** Karen H. Jobes, 2014-02-11 Concentrate on the biblical author's message as it unfolds Designed to assist the pastor and Bible teacher in conveying the significance of God's Word the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek With a unique layout designed to help you comprehend the form and flow of each passage the ZECNT unpacks The key message The author's original translation An exegetical outline Verse by verse commentary Theology in application While primarily designed for those with a basic knowledge of biblical Greek all who strive to understand and teach the New Testament will benefit from the depth format and scholarship of these volumes 1 3 John In her commentary on John's letters Karen H Jobes writes to bridge the distance between academic biblical studies and pastors students and laypeople who are looking for an in depth treatment of the issues raised by these New Testament books She approaches the three letters of John as part of the corpus that includes John's gospel while rejecting an elaborate redactional history of that gospel that implicates the letters Jobes treats three major themes of the letters under the larger rubric of who has the authority to interpret the true significance of Jesus an issue that is pressing in our religiously pluralistic society today with its many voices claiming truth about God

Immerse yourself in the artistry of words with Experience Art with is expressive creation, Immerse Yourself in **The Message Of Johns Letters Living In The Love Of God** .
