The Mission of Jesus the Messiah:

The Mission of Jesus the Messiah E. Keith Howick, 2003 The Life of Jesus the Messiah is a five volume set that discusses the life of Jesus Christ topically In volume 4 the earthly mission of Jesus is discussed Their nature of His life is explained and both the historical impact He had on the Jews living in His time and its significance to us today are discussed The volume s organization makes it an ideal resource for both students and instructors The volume includes complete scriptural references to the King James Bible footnotes a complete index and a scripture index allowing readers to quickly find relevant commentary

Jesus the Christ James E. Talmage, 2019-12-24 In Jesus the Christ James E Talmage presents a profound theological exploration of the life and mission of Jesus Christ crafted with meticulous scholarship and a reverent literary style Drawing from a rich tapestry of scriptural sources Talmage integrates theological insights with historical context offering readers a comprehensive understanding of Jesus teachings His divine nature and His role within the plan of salvation This monumental work reflective of early 20th century religious scholarship intricately weaves doctrinal analysis with narrative flair making the Christological content accessible to both lay readers and scholars alike James E Talmage a prominent Latter day Saint theologian and a member of the Quorum of the Twelve Apostles penned this seminal text at a time when the understanding of Christ was being challenged and redefined His extensive background in geology and philosophy combined with his deep faith and commitment to his religious community motivated him to clarify and defend the teachings of Christianity especially within the context of Latter day Saint beliefs Talmage s scholarly approach paired with his spiritual fervor sets him apart as a key figure in Mormon intellectual history Jesus the Christ is an essential read for anyone seeking a deeper understanding of Jesus within Christianity irrespective of their personal beliefs Talmage s insightful interpretations and eloquent prose provide both enlightenment and inspiration urging readers to reflect on their own faith journeys This text remains a foundational work for theological students and laypersons alike inviting all to partake in the sacred exploration of the life of Jesus

Mission of the Messiah Tim Gray, 1998 Mission of the Messiah is a compelling new study of the Gospel of Luke that presents the messianic mission of Jesus as the fulfillment of Old Testament prophecy This book is a must for anyone whose heart is burning to know and love Christ more profoundly

Messiah's Mission James Bales, 2017-03-13 What was the true mission of Jesus the Messiah Did He intend to set up an earthly kingdom Was the church not prophesied in the Old Testament Was the gospel age an afterthought of God put in place because somehow the Jews thwarted His plan to establish an earthly kingdom Using the Bible and comparing it to writings from prominent premillennialists James Bales utterly devastates their false assumptions and doctrines and shows quite clearly that Jesus Christ fulfilled His mission fulfilled the Old Testament prophecies and established the kingdom of God in the first century

Jesus the Christ James Edward Talmage, 1922 *The Mission and Ministry of Jesus* Donald J. Goergen, 2003-09-04

Resolving the Tension of Jesus's Mission in Matthew's Ancient Biography Jerry D. Breen, 2024-10-03 Jerry D Breen argues

that reading Matthew and all the Gospels as ancient biography is the necessary next step for Gospel studies In particular Breen contends that more specific comparisons should be made between the Gospels and ancient literature Breen stresses that this reading invites narrative critics to place more emphasis on examining the use of sources and the importance of intertextual and historical information that the author introduces to the text Breen places emphasis on the relationship between Jews and non Jews in ancient Galilee and Palestine and challenges the long supported theory that Jesus did not minister to non Jews beyond two or three exceptions Demonstrating that Jesus is inclusive of everyone who comes to him even though he was sent primarily to the Jews Breen argues that the portrait which Matthew creates is one of a Jewish Messiah who is on a mission to restore Israel so that the restored people of God can bless the nations Concluding that rather than two conflicting missions the audience of the gospel is encouraged to view the healing of non Jews during Jesus s ministry as further proof that the Jewish Messiah is bringing restoration to Israel

World Mission Scott N. Callaham, Will Brooks, 2019-06-12 World missions needs a fully biblical ethos This is the contention of the editors of and contributors to World Mission a series of essays aimed at reforming popular approaches to missions In the first set of essays contributors develop a biblical theology of world missions from both the Old and New Testaments arguing that the theology of each must stand in the foreground of missions not recede into the background In the second they unfold the Great Commission in sequence detailing how it determines the biblical strategy of all mission enterprises Finally they treat current issues in world missions from the perspective of the sufficiency of Scripture Altogether this book aims to reform missions to be thoroughly not just foundationally biblical a needed correction even among the sincerest missionaries

The Transfiguration of Mission Wilbert R. Shenk, 2008-02-01 Six contributors bring broad mission experience to their examination of current trends in missiological thought
