Standing watch at the sacrificial altar in Britain the lone Druid priest watched the storm build up around him It was the summer Equinox and the fullest full moon he had ever seen He d been waiting for what seemed hours within the ring of monolithic rocks feeling the power of the storm grow With each bolt of lightning the force of energy contained inside the altar seemed to double in strength The young Druid could see the flow of blue fire as it passed from upright column to the next A ring of horrendous force beyond anything he has ever seen Being an Eight level master but only twenty five years old he hadn t had much time to do anything He d been tutored by the last of the great masters all Level twelve s as well as being well past the hundred year mark They stood facing him now their backs to each of the tall support posts One for each of the twelve massive blocks of granite which made up the druidical circle they now stood in

Imagine a galaxy on the brink Admiral Adam Max MacBride a battle hardened hero of a fading empire is one step away from hanging up his space boots But destiny has a wicked sense of humor Empress Juliana Let s just say her grip on the throne is looser than a zero G tether and her royal consort Prince Wylan is giving off some seriously unsettling vibes Legend whispers he s a direct descendant of the mythic King Arthur who supposedly warped in from a bizarre realm called Earth via a shifting enigma known as Caer Pedryvan the revolving castle MacBride isn t buying the fairy tales but the Arthur connection is real it runs in his own bloodline too When Cynddew a respected Druid chaplain bursts onto the scene with a dire warning and a chilling prisoner a young coxswain suspected of being a host for a parasitic polymorph MacBride s retirement plans are officially torpedoed What he witnesses next will send shivers down your spine Staring into the prisoner s vacant eyes devoid of any human spark MacBride confronts a terrifying truth an intelligent shape shifting slime has arrived ready to infiltrate and obliterate all higher life forms The nightmare has returned MacBride remembers Verunda a vibrant world annihilated by these very creatures Now after the Verundan massacre they re back threatening to engulf the entire galaxy Where did they come from Can they be stopped The answers remain shrouded in terrifying mystery Then comes the night MacBride seeks to resign to finally claim his peace But a glimpse into Prince Wylan s eyes under the flickering candlelight reveals a horrifying connection to the spreading decay within the empire Retirement is no longer an option He s thrust into the role of virtual dictator tasked with crushing rebellion in the legendary city of Avalon and battling an invasion from the unknown Mutiny brews within the fleet and a cryptic summons to a Druid ceremony unveils a shocking secret a dormant untamed power lies within MacBride himself Prepare for a mind bending journey across galaxies and through the mists of time This is the heritage of King Arthur twisted into a cosmic battle for survival From the acclaimed author of The Forgotten Planet comes a suspense fueled saga where ancient legends collide with futuristic terror Get ready to question everything you thought you

knew about reality **Balor--A Prince of Druids** John James Kielty.,2009-06-08 He was from a world long forgotten when sorcerers and wizards began to co exist with the growing and oppressive human populations He was born a Prince of a powerful Druid family He was trained as a warrior and as a sorcerer and was second in power only to his father who unwisely attempted to form a truce and alliance with a similarly powerful rival Druid family An act of treachery forced the Druid Prince into immortal exile where he is reincarnated endlessly only to die a violent death as a warrior in a thousand battles in a hundred wars He is among us now and continues to use his powers to confront evil whenever he finds it as he waits for another death at the hands of another warrior *Pathways of the Druids* Christopher J Pine,2013-03-11 In AD 60 the Roman Empire occupies Britannia destroying its ancient culture Under the leadership of Boudicca the Iceni rise up against Nero s forces but it is a losing battle Yet the Druids are masters of nature and in a final desperate strategy to avoid slavery the priests summon their greatest magic to open a portal into an alternative world One last Celtic tribe the Ordovetii race to cross the threshold *To Norty* Charlotte Bishop,2011-08 With the birth of her daughter Norty thought her life complete then the attacks began Her daughter was in constant fear of her life and when her mind was locked from the world it sent her on a vengeance trail to find the closest and dearest of friends could not be trusted An old enemy long since dead still had influence from the grave over her enemies yet help came from an unexpected source her people s oldest and bitterest enemies **Druids** Morgan Llywelyn,2006 Mine was the vast dark sky and the spaces between the stars that called out to me mine was the promise of magic So spoke the young Celt Ainvar centuries before the enchanted age of Arthur and Merlin An orphan taken in by the chief druid of the Carnutes in Gaul Ainvar possessed talents that would lead him to master the druid mysteries of thought healing magic and battle talents that would make him a soul friend to the Prince Vercingetorix though the two youths were as different as fire and ice Yet Ainvar s destiny lay with Vercingetorix the sun bright warrior king Together they traveled through bitter winters and starlit summers in Gaul rallying the splintered Celtic tribes against the encroaching might of Julius Caesar and the soulless legions of Rome *What Do Druids Believe?* Philip Carr-Gomm,2013-12-05 Druidism evolved out of the tribal cultures of Britain Ireland and western France over two thousand years ago In the seventeenth century it experienced a revival which has continued to this day Contemporary Druids can now be found all over the world and Druidry s appeal lies in its focus on a reverence for the natural world a belief in the value of personal creativity and of developing a sense of communion with the powers of nature and the spirit Druidry s startling recent growth lies in its broad appeal some treat it as a philosophy others as a religion still others as a path of self development Druids can be Pagan or can be followers of other faiths and a Druid ceremony might include Christian and Buddhist Druids alongside Pagan and Wiccan Druids Philip Carr Gomm explains the practical value of following Druidism today and examines its core beliefs and relevance to the contemporary issues that face us all
