**Karen Henderson**

## **Slovak National Awakening:**

**The Slovak National Awakening** Peter Brock, 1976      **The Slovak National Awakening** Peter Brock, 1976-12-15 The Slovaks lived under Hungarian rule for centuries with no clear sense of political separateness preserving Slovak as their spoken language but using Czech as their written language In the last decades of the 18th and the first half of the 19th centuries the efforts made by clerical intellectuals to develop a language more closely attuned to Slovak needs led to the rise of Slovak nationalism The Slovak National Awakening describes the three major stages in the development of national consciousness In the 1780s Catholic intellectuals began to write in the vernacular a Catholic priest Bernolík produced a Slovak grammar and dictionary and an influential treatise in defence of Slovak as a language separate from Czech However while Slovak ethnic distinctness was being asserted the sense of belonging to the Hungarian nation was not questioned The next steps were taken by the Protestant intelligentsia who had been pro Czech since the Reformation Influenced by German concepts of linguistic nationalism they began to assert Slovak cultural and linguistic separateness but still within the political framework of the Hungarian State The third stage in the Slovak Awakening came in the mid 1840s when a group of young Protestant intellectuals led by Ľudovít Štúr rejected their predecessors Czechoslovakism and advocated a Slovak language and a Slovak nationality In 1851 the Catholic Bernolík and the Protestant Štúr were able to agree on the language that became the basis of modern Slovak This study of the relation between language and nationalism will appeal to specialists in European history and will be of interest for the light it throws on modern separatists and anti imperialist movements

**Defining the Sovereign Community** Nadya Nedelsky, 2012-02-28 Though they shared a state for most of the twentieth century when the Czechs and Slovaks split in 1993 they founded their new states on different definitions of sovereignty The Czech Constitution employs a civic model founding the state in the name of the citizens of the Czech Republic while the Slovak Constitution uses the more exclusive ethnic model and speaks in the voice of the Slovak Nation Defining the Sovereign Community asks two central questions First why did the two states define sovereignty so differently Second what impact have these choices had on individual and minority rights and participation in the two states Nadya Nedelsky examines how the Czechs and Slovaks understood nationhood over the course of a century and a half and finds that their views have been remarkably resilient over time These enduring perspectives on nationhood shaped how the two states defined sovereignty after the Velvet Revolution which in turn strongly affected the status of the Hungarian minority in Slovakia and the Roma minority in the Czech Republic Neither state has secured civic equality but the nature of the discrimination against minorities differs Using the civic definition of sovereignty offers stronger support for civil and minority rights than an ethnic model does Nedelsky's conclusions challenge much analysis of the region which tends to explain ethnic politics by focusing on postcommunist factors especially the role of opportunistic political leaders Defining the Sovereign Community instead examines the undervalued historical roots of political culture and the role of current constitutional definitions of sovereignty

Looking ahead Nedelsky offers crucial evidence that nationalism may remain strong in Slovakia and the Czech Republic even in the face of democratization and EU integration and is an important threat to both     Johann Gottfried Herder and the Czech National Awakening Zdeněk V. David, 2007 The Czech national awakening is habitually linked with Herder's influence as a Romantic and anti Enlightenment happening This study argues the opposite It contradicts at least in the Czech case the idea originally articulated by Hans Kohn that European nationalism particularly in the center and the east of the continent was an expression of a particularist self assertion verging on or passing into xenophobia and defying the rationalistic and cosmopolitan outlook of the Enlightenment Abstract     **Eastern Europe** Richard Frucht, 2004-12-22 A contemporary analysis of the people cultures and society within the regions that make up Eastern Europe Eastern Europe An Introduction to the People Lands and Culture sheds light on modern day life in the 16 nations comprising Eastern Europe Going beyond the history and politics already well documented in other works this unique three volume series explores the social and cultural aspects of a region often ignored in books and curricula on Western civilization The volumes are organized by geographic proximity and commonality in historical development allowing the countries to be both studied individually and juxtaposed against others in the region The first volume covers the northern tier of states the second looks at lands that were once part of the Hapsburg empire and the third examines the Balkan states Each chapter profiles a single country its geography history political development economy and culture and gives readers a glimpse of the challenges that lie ahead Vignettes on various topics of interest illuminate the unique character of each country     *European Nations and Nationalism* Louk Hagendoorn, György Csepeli, Russell Farnen, 2017-03-02 This rich source book informs its reader in a comparative perspective about the political and social economic past and present of fifteen Western Central and Eastern European countries This includes the economic and social aspects of the development of the nation state descriptions of the current political structures and institutions an account of the types of ethnic composition of the populations definitions of citizenship and a background to the existing political parties and preferences The countries involved are the Russian Federation Ukraine Romania Hungary Slovakia the Czech Republic Poland Germany Sweden The Netherlands Belgium Britain France Spain and Italy The authors are scholars in the fields of nationalism and ethnic conflict and they were invited to write their country chapters along the lines of a common format paying special attention to the notion of state and nation building processes citizenship definitions and minority issues This book is a comprehensive reference guide for students and scholars in the fields of social sciences European studies history and other related disciplines and generally to those who are interested in the past and present of any one of the large number of countries described     **The Literature of Nationalism** Robert B. Pynsent, 2016-07-27 The Literature of Nationalism concerns literature in its broadest sense and the manner in which in belles lettres the oral tradition and journalism language and literature create national nationalist myths It treats East European culture from Finland to Yugoslavia from Bohemia to Romania from the nineteenth century to today One third of the book

concerns women and ethnic identity and the rest covers subjects as varied as Bulgarian Fascism and the impact of political change on language in Hungary and ex Yugoslavia

*Young Europe and the Birth of Modern Nationalism in the Slavic World* Anna Procyk, 2019-10-25 Giuseppe Mazzini's *Young Europe and the Birth of Modern Nationalism in the Slavic World* examines the intellectual currents in Eastern Europe that attracted educated youth after the Polish Revolution of 1830. Focusing on the political ideas brought to the Slavic world from the West by Polish migr conspirators Anna Procyk explores the core message that the Polish revolutionaries carried a message based on the democratic principles espoused by Young Europe's founder Giuseppe Mazzini. Based on archival sources as well as well documented publications in Eastern Europe this study highlights that the national awakening among the Czechs Slovaks and Galician Ukrainians was not just cultural as is typically assumed but political as well. The documentary sources testify that at its inception the political nationalism in Eastern Europe founded on the humanistic ideals promoted by Mazzini was republican democratic in nature and that the clandestine groups in Eastern Europe were cooperating with one another through underground channels. It was through this cooperation during the 1830s that the better educated Poles and Ukrainians in the political underground tied to Young Europe became aware that the interests of their nations bound together by the forces of history and political necessity were best served when they worked closely together.

**Bulgaria, Hungary, Romania, the Czech Republic, and Slovakia**

Britannica Educational Publishing, 2013-06-01 Bulgaria Hungary Romania the Czech Republic and Slovakia share a remarkably similar trajectory on their individual paths to becoming the nations they are today. Each had ties to the Roman Byzantine and Ottoman empires in earlier times all became Eastern bloc countries in the 20th century and all successfully emerged from Communist rule in the late 20th and early 21st centuries. These multi layered lands where folk traditions still exist alongside the hallmarks of modern life and the remnants of communist rule are the subjects of this sweeping tome.

*History of Slovakia* Stanislav J. Kirschbaum, 2016-05-10 This classic book offers the most comprehensive and up to date history of Slovakia from its establishment on the Danubian Plain to the present. While paying tribute to Slovakia's resilience and struggle for survival it describes contributions to European civilization in the Middle Ages the development of Slovak consciousness in response to Magyarization its struggle for autonomy in Czechoslovakia after the Treaty of Versailles its resistance as the first Slovak Republic to a Nazi controlled Europe its reaction to Communism and the path that led to the creation of the second Slovak Republic. Now fully updated to the present day the book examines the vagaries of Slovak post Communist politics that led to Slovakia's membership in NATO and the European Union.

*The Longman Companion to European Nationalism 1789-1920* Raymond Pearson, 2014-09-25 A highly topical analysis of European Nationalism from the French Revolution through to the aftermath of the First World War when the nationalist issues and problems that dominate the political landscape of our own time were already fully established. Covering an enormous range of peoples from the Icelanders to the Gypsies from Brittany to Wallachia the book presents a wealth of historical geopolitical information.

unavailable elsewhere Essential as a reference work it also provides a unique opportunity to survey systematically a crucial but fragmented subject in its full European context For historians political scientists departments of European studies and general readers     The History of the Czech Republic and Slovakia William Mahoney,2011-02-18 This survey of Czech and Slovak history traces the development of two neighboring peoples through the creation of a common Czechoslovakian state in 1918 to the founding of the independent Czech and Slovak Republics in 1993 and beyond The History of the Czech Republic and Slovakia charts historical developments in the two nations to the opening decade of the 21st century The book begins with an overview of the geography climate people economy and government of both the Czech and Slovak republics Subsequent chapters offer a chronologically organized survey of historical events trends ideas and people Starting with the early Slavic settlements around the 5th century AD the book explores Czech and Slovak history through the Middle Ages the Renaissance and Early Modern eras the Enlightenment and the age of nationalism and revolution Chapters on the 20th century include discussion of the World Wars the interwar Czechoslovak state the Communist decades the Prague Spring and the Velvet Revolution of 1989 The story is brought up to date with insights into developments in the independent Czech and Slovak republics since 1993     **History of Slovak Literature** Peter Petro,1997-05-13 Starting with the Great Moravian period Peter Petro surveys one thousand years of Slovak literature He examines the medieval Renaissance baroque classical romantic realist and modern periods and highlights the contributions of such writers as Hronsk Hviezdoslav Koll r Kukuc n Nedozeršk Pap nek R fus Saf rik Tatarka Tranovsk Vajansk and Z borsk Like Czech Polish and Ukrainian writing Slovak literature transcended the merely literary to become an influential political and cultural tool Slovak writers and poets played an important role in promoting and protecting the culture and language of their people against invading cultures A History of Slovak Literature will be a welcome addition to the field of Slavic studies     *Johnson & Stoskopf's Comparative Health Systems* Leiyu Shi,Richard G. Greenhill,2025-08-15 Johnson Stoskopf s Comparative Health Systems A Global Perspective explores the evolving landscape of health care delivery worldwide Part I introduces fundamental concepts including health and disease health policy and economics and the role of international health organizations Part II delves into the health systems practices and policies of over 20 countries considering factors such as geography culture and historical context Each country is thoroughly assessed in terms of cost quality access and innovation The third edition examines the impact of the global COVID 19 pandemic on health care systems and the response of different countries It also addresses other challenges and opportunities such as global pandemics disasters conflicts changes in the U S health system and the role of non governmental organizations Updated throughout the 3rd edition also offers 13 new chapters including Global Health and Disease 3 emphasizes the importance of integration of the healthcare system with the public health system for effective intervention in the cycles of diseasesDistinct chapters on 10 new countries Cuba Norway Finland Poland Slovakia Czech Republic Egypt South Africa Taiwan and SingaporeThe Business of Health Care 27 discusses value based care and long term

care as it relates to the business of healthcare 11 Bonus Chapters in the eBook including a new chapter on the Sustainable Development Goals SDGs along with 10 chapters covering the health systems and policies of 10 additional countries including Peru Ireland Finland Türkiye Poland Nigeria Botswana and more Comparative Health Systems Global Health Systems or World Health Systems courses in Health Administration Public Health Nursing and other allied health programs 2026 600 pages *Bratislava* Lucy Mallows,2009 One of the great Baroque cities of central Europe Bratislava is situated on Europe's most important river the Danube Visitors can explore the car free centre on foot soaking up the buzz of pavement cafés and bars Also included is expanded coverage of day trips outside Bratislava including the Small Carpathian Wine Route a region full of wine cellars and internationally recognised winemakers **Slovakia - Culture Smart!** Brendan Edwards,Culture Smart!,2011-09-01 Slovakia has struggled with a low international profile Often overlooked as the Czech Republic's little sister it is a young country with an old culture and history and a people who are proudly Central not Eastern European Although for much of the twentieth century Czechs and Slovaks lived together in one state there are important differences between them differences that ultimately contributed to separation in 1993 and the rebirth of a sovereign Slovak state Generally speaking the Slovaks are more Slavic than the Czechs their pace of life is slower and their spare time is more often filled with friends family and music They are known to be resistant to change yet change has been a constant in the state's short economic and political history from the fall of communism in the Velvet Revolution of late 1989 to the Velvet Divorce of Czechoslovakia in 1993 to widespread economic diversification expansion and global influence to European Union membership in 2004 and the adoption of the euro in 2009 and they have adapted with quiet optimism Slovakia has been referred to as the economic tiger of Europe and now that it has EU membership and a healthy industrial economy Europeans are starting to take notice Its popularity as a tourist destination has been growing rapidly in recent years Slovaks call their country the Heart of Europe a term that describes not only their geography but the Slovak character which is warm deeply hospitable and immensely proud Visitors who step outside Bratislava's Staré mesto Old Town and take the time to explore the country beyond will discover a landscape of plains meadows mountains natural spas and hundreds of ancient castles and a people at once modest stoical humorous and responsive This book captures the essence of what makes the Slovak people unique and explains something of the quirks and memorable aspects of their lifestyle It opens a window onto their inner world their customs and celebrations and describes what to expect and how to behave in different situations While the country is not without its frustrations for foreigners most visitors succumb to its charms Few have left without yearning to return to the little big country *Traditional Slovak Folktales* David L. Cooper,2001-05-03 This delightful collection makes the rich but little known Slovak folk culture available for English language readers Most of the fifty tales assembled here from the collections of folklorist Pavol Dobšinský are translated into English for the first time The poetic qualities of the originals have been carefully preserved The general reader will enjoy these tales immensely and students will find an

insightful introduction to the genres of the folktale and the specifics of Slovak tales For expert readers all of the tales have been classified according to the Aarne Thompson index and many include short commentaries that draw on the work of Viera Gasparikova

**Slovakia** Karen Henderson,2003-08-29 Since Slovakia achieved independent statehood at the end of 1992 it has become one of the most prosperous post communist states This book provides a unique and thorough introduction to Slovakia and will enable the reader to understand its multi faceted nature The book includes chapters on Twentieth Century History Politics Economy and International Relations

1948 and 1968 - Dramatic Milestones in Czech and Slovak History Laura Cashman,2013-09-13 This volume has been published to coincide with the anniversaries of two significant milestones in Czech and Slovak history the establishment of communist rule in 1948 and the Prague Spring of 1968 and in anticipation of the 20th anniversary of the 1989 Velvet Revolution Given the ultimate failure of the communist system these events and their legacy for Czech and Slovak society and politics merit continued study particularly given the wealth of new data made available when state and Party archives were finally opened in the 1990s The essays in this volume by witnesses historians and social scientists from the Czech Republic and Slovakia the USA UK and Australia offer a reappraisal of those turbulent events They present new and original research based on information from archives which were not opened until after 1990 and which is not yet available to audiences who do not speak Czech or Slovak This volume will therefore be of interest to both specialists and general readers who are curious to learn more about these events This book was published as a special issue of Europe Asia Studies

Peoples of the Eastern Habsburg Lands, 1526-1918 Robert A. Kann,Zdenek David,2016-06-01 The Peoples of the Eastern Habsburg Lands 1526 1918

### **Slovak National Awakening Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Slovak National Awakening has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Slovak National Awakening has opened up a world of possibilities. Downloading Slovak National Awakening provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Slovak National Awakening has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Slovak National Awakening. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Slovak National Awakening. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Slovak National Awakening, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Slovak National Awakening has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

## FAQs About Slovak National Awakening Books

**What is a Slovak National Awakening PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Slovak National Awakening PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Slovak National Awakening PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Slovak National Awakening PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Slovak National Awakening PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
