Slow Juggling:

Never by Itself Alone David Grundy, 2024 Through its comprehensive history of post war queer writing in Boston and San Francisco from the 1940s through the 21st century *Never By Itself Alone* provides a new view of queer history Grundy intertwines analysis of lesbian gay and queer literature of the time centering voices which have not yet before been explored in existing criticism The book elevates the underrepresented work of writers of color and those with gender nonconforming identities underscores the link between activism and literature and insists upon the vital importance of radical accounts of race class and gender in any queer studies worthy of the name

[Help Me Live ... as I Die](#) Joe Peterson, 2012-09 This is not a story about death It is a story about one couple s journey of acceptance love and internal awakenings Kelly and Joe met by chance but were bound by fate One morning in the summer of 2010 Kelly Boedigheimer a thirty nine year old man in good health discovered what he thought was yet another ingrown hair on his chin That was the first step on the life changing journey he would share with Joe Peterson his life partner since 1998 Months later following three surgical procedures where each was more aggressive than the last Kelly and Joe faced the inconceivable Kelly was diagnosed with melanoma In early 2011 Kelly met with a team of specialists at the Mayo Clinic in Rochester Minnesota Another surgery this one more wide ranging than the others removed a section of skin from his chin and a portion of his cheek A graft from his arm provided new skin for those areas Highly concerned about this aggressive melanoma doctor s proceeded quickly to save and protect Kelly Here Joe lovingly and painfully recreates Kelly s final nine months through journal entries e mails blog posts texts and more Their relationship was tested as too many are in this visit back to those days Joe unfolds an inspiring telling of the power of love optimism and hope This is not a story about death This is a story about love

The Body Has a Mind of Its Own Sandra Blakeslee, Matthew Blakeslee, 2008-09-09 Your body has a mind of its own You know it s true You can sense it even though it may be hard to articulate You know that your body is more than a vehicle for your brain to cruise around in but how deeply are mind and body truly interwoven Answers can be found in the emerging science of body maps Just as road maps represent interconnections across the landscape your many body maps represent all aspects of your bodily self Your self doesn t begin and end with your physical body but extends into the space around you When you drive a car your personal body space grows to envelop it When you play a video game your body maps automatically track and emulate the actions of your character onscreen If your body maps fall out of sync you may have an out of body experience or see auras around other people The *Body Has a Mind of Its Own* explains how you can tap into the power of body maps to do almost anything better play tennis strum a guitar ride a horse dance a waltz empathize with a friend raise children cope with stress Filled with illustrations wonderful anecdotes and even parlor tricks that you can use to reconfigure your body sense The *Body Has a Mind of Its Own* will change the way you think about what it takes to have a conscious mind inside a feeling body Praise for *The Body Has a Mind of Its Own* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST BOOK
