## **Small Place:**

*A New World in a Small Place* Robert Brentano, 2024-03-29 Distinguished historian Robert Brentano provides an entirely new perspective on the character of the church religion and society in the medieval Italian diocese of Rieti from 1188 to 1378. Combing through a cache of previously ignored documents stored in a tower of the cathedral, he uses wills, litigation proceedings, fiscal accounts, and other records to reconstruct the daily life of the diocese. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1994. *The World and a Very Small Place in Africa* Donald R. Wright, 1997 This study looks at the effects of global phenomena: trans-Saharan trade, European expansion, the rise of an Atlantic plantation complex, industrialization, imperialism, colonialism, world wars, growth of a world market, political independence, and economic dependence on the way of life in Niumi, a small area at the mouth of the Gambia river in West Africa, now called The Gambia, over the last six or seven hundred years. Written in clear, accessible prose and drawing on archival and oral traditions, the work considers global developments from a local, regional perspective. **A Short History of a Small Place** T. R. Pearson, 2003-09-30 Marvelously funny, bittersweet, and beautifully evocative, the original publication of *A Short History of a Small Place* announced the arrival of one of our great Southern voices. Although T. R. Pearson's Neely, North Carolina, doesn't appear on any map of the state, it has already earned a secure place on the literary landscape of the South. In this introduction to Neely, the young narrator Louis Benfield recounts the tragic last days of Miss Myra Angelique Pettigrew, a local spinster and former town belle who, after years of total seclusion, returns flamboyantly to public view with her pet monkey, Mr. Britches. Here is a teeming human comedy inhabited by some of the most eccentric and endearing characters ever encountered in literature. **Wildness in a Small Place** Randy Minnich, 2004-11-01 A journal of the author's observations of the passage of a year in an urban nature area, supplemented with poems and drawings. *A Full Life in a Small Place and Other Essays from a Desert Garden* Janice Emily Bowers, 2015-11-01 The frustrations and pleasures of gardening are evident; its implications for life are more subtle, lurking under a leaf or buried in a compost pile. Janice Emily Bowers senses these implications and communicates them as only a fine writer can. In *A Full Life in a Small Place*, she shows how backyard gardening opens up a broader appreciation of both life and living. Her observations on organic gardening inspire further meditations on nature and wildlife and demonstrate how gardens both complicate and enrich our lives. In their entirety, these sixteen essays ask how we shall live and recognize that before we can determine how we need to find out why. **Flourishing in a Small Place** Paul Emanuel Larsen, 2019-07-10 Born during the Great Depression and the height of the modernist fundamentalist controversies, Paul Emanuel Larsen entered pastoral ministries in the late fifties. Rooted in historical evangelical theology, he embarked on church planting

through expository preaching and evangelism In the mid sixties he also became politically involved in the civil rights movement For over twenty seven years he pastored three churches while pursuing advanced pastoral doctoral studies In 1986 he was elected president of his denomination the Evangelical Covenant Church During his twelve years of service he became involved in both national and international ecumenical affairs For twelve years he served as chair of the Annual Meeting of all United States Church Leaders This included heads of Roman Catholic Orthodox mainline Protestant and evangelical denominations He aided his church in its emergence from its Swedish immigrant culture and its efforts to become an ethnically inclusive church body During his tenure the church grew by more than 50 percent Retiring at age sixty five he spent the next twenty years pursuing evangelization and social justice on behalf of more than a half billion Indian Other Backward Castes and Dalits He was the founding chair of both Truthseekers International USA and the William Carey Heritage Foundation The former worked among the poorest of the poor while the latter developed the first Indian university accredited evangelical PhD in Christian studies This book chronicles the way one pastor has sought to navigate the harsh ongoing polarizations in theology race and politics
