Small Press Verse And Poeticonjectures:

Small Press Verse & Poeticonjectures Alessio Zanelli, 2003-02-12 Mr Zanelli's native tongue is Italian. Within just a few years after learning English he began to compose poetry in this foreign language. I can only imagine how hard it must be to gather the thoughts and sensations that are required to write and translate them into external and removed groups of sounds. English words. Because of this I read each poem with a sense of wonder. Lisa Kaufman Poetic Voices the dense allusive vivid pleasures I have championed in Alessio's more recent work. Chris J Heyworth Breathe Poetry Magazine Alessio Zanelli is an Italian poet with a masterful command of the English language. Lynne Jones Gentle Reader Poetry Small Press Verse Poeticonjectures is Alessio Zanelli's second book of poetry containing all the poems that appeared in paper or web magazines and anthologies during the triennium 2000-2002 plus a solid batch of selected previously unpublished works. Compared with the ones in his first collection Loose Sheets some of which are also included in the present volume these latest poems evidence the author's much improved skill in manipulating the English language in both its classical and modern idiomatic usage. In parallel and suggestively again Zanelli's lyrical verse aspires to reinforce the background image of his feeling a citizen of the world though firmly attached to his roots. Not less captivating sounds the author's original voice in which he is able to treat the great and little themes of life to depict his inner fancied world as well as to confront and subdue man's latent ancestral metaphysical fear of existence regarded as being a miniscule dot within something immeasurably and unaccountably vaster. What is then softly and gradually brought to light is a cosmic scene behind the fate of men that renders all of human endeavors and dreams ineluctably worthwhile whatever birthplace period culture and faith may be.
