Transform Your Church with Ministry Teams E. Stanley Ott, 2004 The concept of ministry teams is rapidly taking hold in churches but just what are they and how do they work Transform Your Church with Ministry Teams outlines what effective ministry teams look like describes what they can offer local congregations and gives concrete step by step suggestions for making them happen The power of ministry teams lies in their unique capacity to generate genuine Christian fellowship nurture disciples develop leaders and mobilize people for ministry While traditional church leadership organizations concentrate almost exclusively on task policy and program ministry teams are designed to enhance faith development and thus ministry effectiveness E Stanley Ott explores three main areas of ministry team development First he explains the philosophy behind ministry teams and discusses the issues involved in shifting from committee based to team based ministry Second he tells how to begin ministry teams including how to identify team leaders and members and how to determine their roles Third he looks at the details of ministry team life including ways to build team fellowship foster discipleship and communication within teams and accomplish specific ministry tasks Filled with wise time tested advice including four how to appendixes this book will help pastors and lay leaders transform the life of their church or Christian organization

The Study of Evangelism Paul W. Chilcote, Laceye C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church's mission Many of the resulting books in the marketplace however have a hands on orientation

often lacking serious theological engagement and reflection. Bucking that trend, *The Study of Evangelism* offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice. Helpfully organized into six categories, these broad, diverse writings lay a solid scholarly foundation for meaningful dialogue about the church's practice of evangelism. **Where Two Or Three Are Gathered** Daniel L.

Prechtel, 2012-04. Much has been written about the practice of one-to-one spiritual directions, but much less about small group communities that offer in depth mutual spiritual support and guidance to its members. But small groups are most likely the more usual setting for spiritual companionship and have strong biblical, theological, and historical foundation in the Christian tradition. This book offers a detailed presentation of ten small group models plus guidance in group leadership dynamics. It also presents material related to group retreat work, spiritual guidance with organizations, and peer supervision consultation model for supporting leaders of spiritual companionship groups and retreats. Church leaders, spiritual directors, and educators are looking for the kinds of resources this book provides to assist them in understanding and leading groups and retreats. **www.congregationalresources.org** Richard Bass, 2004-12-30. An ever-increasing number of resources

compete for the attention of congregational leaders. With a seemingly endless number of choices, finding the best resource on a particular topic for a specific congregation is an often daunting challenge. www.congregationalresources.org is an invaluable companion to the groundbreaking online version of Alban Institute's and Indianapolis Center for Congregational Studies jointly researched and produced Congregational Resource Guide, launched in 2001 and accessed by thousands of seekers each week. The book conveniently and cogently puts the rich array of important resources into context by examining in depth the key books, organizations, Web sites, and people that will help leaders gain an understanding of important issues facing their congregations. The book features ten overviews of important topics by widely recognized experts in their fields, including Amy Sherman on Community Ministry, Tom Fischer on Congregational Health, Lee Ramsey on Preaching, Paul Chaffee on Leadership, John Janka on Evaluation, and Jean Trumbauer on Lay Ministry. Each essay is accompanied by an annotated list of selected resources for researching further information. Helpful guides for using these valuable resources to promote and encourage congregational understanding and transformation are also included. *Do You Believe?* Nancy Ann
