Skipsey* William Blake, 1885      Poems Wilfred Owen, 2022-09-15 Wilfred Owen's Poems stand as a harrowing yet profoundly insightful reflection on the brutality of World War I Rendered in stark visceral language and exploring themes of disillusionment horror and the dehumanizing aspects of war Owen's poetry is emblematic of Modernist literary techniques and innovations giving voice to the physical and psychological traumas experienced by

combatants These verses often adhering to paradox and irony challenge and expand upon the aesthetic boundaries of early 20th century poetry offering poignant critiques of the supposed nobility of war The collection s literary context nuances the desolation of trench warfare through a lens that is at once deeply personal and universally resonant Late British poet Wilfred Owen is renowned for his war poetry which was largely influenced by his direct experiences as a soldier during World War I Witnessing the savagery of war first hand Owen felt compelled to convey the stark reality of the battlefield subverting the traditional romanticized narratives of wartime heroism His verse illustrates a profound connection to the misery and camaraderie of the doomed youth of his generation Plagued by shell shock and burdened with the weight of survival Owen s works are born from a well of personal anguish and socio political consciousness Owen s Poems serve as an essential read for those interested in literature history and the human condition as shaped by war Readers won t find glorified battle scenes or heroic figures within these pages instead they will encounter an unvarnished truth set to the meter of poetry

Recommendation of this work extends to scholars of Modernism pacifists and anyone striving to understand the gravity of warfare through the pained yet delicate touch of one of its keenest observers Owen s poetry beckons a contemplative engagement with the past enlightening future generations on the costs of conflict with enduring eloquence **Astern in**

walks on one of the planets of the universe and collects sea shells of events on the beaches of life This collection is a poetic  
expression of minuscule emotions scattered and introspection into mannerism and habits of human society One sings a  
lunatic song as one housewife loses her almirah s key while in an open field a giant Wall replaces an empty piece of land  
meant for lovers and grazing of the cows At another time and place Mister Sunday enjoys a break from office duty and  
embrace the hours only for him A kid in a village asks the sparrow where to find water in this summer where water is  
everywhere yet not a drop to drink At last the rain come Bring the storms with it Wash away the sins of civilization Yet photo  
frame of an ancestor hangs at a corner of a room and someone smiles as she looks at the dead man on the beautiful beach as  
the death of a freeze moment At a distance appear debris of the falling of sky and a clash of morality looms large The  
garlands float away on the river carries memories sweet and sour Does it carry the mantra Work is God and God is bliss But  
still amidst myths and folklore of religion science and logic try a little more and lead us to the land of Moon and attempt to  
conquer Mars but liberal thoughts attempted to be put in the cuckoo s nest the morality of a race usurped by the anaconda of  
merchandised sponsors who may tempt the basic instinct of the masses to catch the consumer honey bees in their flying nets  
and make Aladdin lamp a laughing stock Later when the Trojan liberals raise their heads from the dead ashes like Phoenix  
and ask for restoration of the basic needs of the cavemen enjoyed since the dawn of the human race Any new bee kid too  
would ask any mother the same the anaconda readies its body for the prey Goebbels and opium of religion fight a river  
stream of clear thoughts as they sprouts and adore the earth like an all starry night sky Not everybody ape to be smart yet  
the enthusiastic today s smart boy throws a gala birthday party while the hungry people starve in want of a few grains They  
have to live to die as the rich engage in war and strife Tv camera sells sops and opera while the powerless and the poor cry  
Then the wait gets over Millennium date arrives with mammoth global fanfare And the balloons of wistful dreams begin to  
float The faces begin to smile Smile of joy spreads a distinct line on the moustache of surrendered soul Love thy nature And  
the ceremony happened in Xmas while Santa cheered Ho Ho Ho
