Survivors Cambodian Refugees In The United States Asian American Experience:

Survivors Sucheng Chan, 2004-05-05 In this clear comprehensive and unflinching study Sucheng Chan invites us to follow the saga of Cambodian refugees striving to distance themselves from a series of cataclysmic events in their homeland. *Survivors* tracks not only the Cambodians' fight for life but also their battle for self-definition in new American surroundings. Unparalleled in scope, *Survivors* begins with the Cambodians' experiences under the brutal Khmer Rouge regime, following them through escape to refugee camps in Thailand and finally to the United States where they try to build new lives in the wake of massive trauma. Their struggle becomes primarily economic as they continue to negotiate new cultures and deal with rapidly changing gender and intergenerational relations within their own families. Poverty, crime, and racial discrimination all have an impact on their experiences in America, and each is examined in depth. Although written as a history, this is a thoroughly multidisciplinary study, and Chan makes use of research from anthropology, sociology, psychology, medicine, social work, linguistics, and education. She also captures the perspective of individual Cambodians. Drawing on interviews with more than fifty community leaders, a hundred government officials, and staff members in volunteer agencies, *Survivors* synthesizes the literature on Cambodian refugees, many of whom come from varying socioeconomic backgrounds. A major scholarly achievement, *Survivors* is unique in the Asian American canon for its memorable presentation of cutting-edge research and its interpretation of both sides of the immigration process.

Not Just Victims Audrey U. Kim, 2003 *Not Just Victims* contains twelve oral histories based on conversations with Cambodian community leaders in eight American cities: Long Beach, Philadelphia, Washington D.C., Seattle, Portland, Tacoma, and the Massachusetts towns of Fall River and Lowell. Unlike the dozens of autobiographies published by Cambodians that focus largely on their victimization, these narratives describe how Cambodian refugees have adapted to life in the United States. Sucheng Chan's extensive introduction provides a historical framework; she discusses the civil war (1970-75), the bloody Khmer Rouge revolution (1975-79), the border war during the Vietnamese occupation of Cambodia (1979-89), and the additional travails faced by those who escaped to holding camps in Thailand. The book also includes an essay on oral history and a substantial bibliography.

Asian Americans Xiaojian Zhao, Edward J.W. Park Ph.D., 2013-11-26 This is the most comprehensive and up-to-date reference work on Asian Americans, comprising three volumes that address a broad range of topics on various Asian and Pacific Islander American groups from 1848 to the present day. This three-volume work represents a leading reference resource for Asian American studies that gives students, researchers, librarians, teachers, and other interested readers the ability to easily locate accurate up-to-date information about Asian ethnic groups, historical and contemporary events, important policies, and notable individuals. Written by leading scholars in their fields of expertise and authorities in diverse professions, the entries devote attention to diverse Asian and Pacific Islander American groups as well as the roles of women, distinct socioeconomic classes, Asian American political and social movements, and race relations involving Asian Americans.

Asian American History and

Culture: An Encyclopedia Huping Ling, Allan W. Austin, 2015-03-17 With overview essays and more than 400 A Z entries this exhaustive encyclopedia documents the history of Asians in America from earliest contact to the present day Organized topically by group with an in depth overview essay on each group the encyclopedia examines the myriad ethnic groups and histories that make up the Asian American population in the United States Asian American History and Culture covers the political social and cultural history of immigrants from East Asia Southeast Asia South Asia the Pacific Islands and their descendants as well as the social and cultural issues faced by Asian American communities families and individuals in contemporary society In addition to entries on various groups and cultures the encyclopedia also includes articles on general topics such as parenting and child rearing assimilation and acculturation business education and literature More than 100 images round out the set

In Defense of Asian American Studies Sucheng Chan, 2005 In Defense of Asian American Studies offers fascinating tales from the trenches on the origins and evolution of the field of Asian American studies as told by one of its founders and most highly regarded scholars Wielding intellectual energy critical acumen and a sly sense of humor Sucheng Chan discusses her experiences on three campuses within the University of California system as Asian American studies was first developed in response to vehement student demand under the rubric of ethnic studies Chan speaks by turns as an advocate and an administrator striving to secure a place for Asian American studies as a teacher working to give Asian American students a voice and white students a perspective on race and racism and as a scholar and researcher still asking her own questions The essays span three decades and close with a piece on the new challenges facing Asian American studies Eloquently documenting a field of endeavor in which scholarship and identity define and strengthen each other In Defense of Asian American Studies combines analysis personal experience and indispensable practical advice for those engaged in building and sustaining Asian American studies programs

Asian America Rising Diane Wong, Mark Tseng-Putterman, 2025-09-16 A collection of movement flashpoints and insurgent visions for Asian American activism In the late 1960s Asian American political activism emerged to unite disparate Asian diasporic communities living in the United States behind a radical political identity shaped by the Black Power and anti imperialist movements of their times Today Asian Americans are more diverse and at times more politically divided than ever before In media and electoral politics Asian Americans are celebrated as the fastest growing racial demographic in the United States and claimed as evidence of racial progress Yet the rise of Asian America rarely centers the coordinated forms of grassroots political organizing that Asian Americans have used to shape their place in society In Asian America Rising Diane Wong and Mark Tseng Putterman bring together an interdisciplinary group of established and emerging scholars of Asian American activism and politics community organizers artists archivists and others to highlight the diversity of twenty first century Asian American political movements across a number of critical areas Based on deep collaborations between scholars and frontline organizers contributors like Diane Fujino Vichet Chhuon Lakshmi Sridaran and Kim Compoc examine different facets of the Asian American political

experience including the impact of immigrant detention and deportation the emergence of conservative Chinese American opposition to affirmative action in higher education abolitionist perspectives on the Stop Asian Hate movement and transnational resistance to U S economic and military dominance in Hawai i the Philippines and Okinawa Ultimately Wong and Tseng Putterman show important shifts and emergent directions for Asian American politics in the twenty first century Focusing on grassroots mobilization and bold interventions beyond the formal political sphere they shine a light on the diversity and power of Asian American political activism cultural work community building mutual aid and multiracial issue based organizing

Asian Americans in Dixie Khyati Y. Joshi, Jigna Desai, 2013-10-01 Extending the understanding of race and ethnicity in the South beyond the prism of black white relations this interdisciplinary collection explores the growth impact and significance of rapidly growing Asian American populations in the American South Avoiding the usual focus on the East and West Coasts several essays attend to the nuanced ways in which Asian Americans negotiate the dominant black and white racial binary while others provoke readers to reconsider the supposed cultural isolation of the region reintroducing the South within a historical web of global networks across the Caribbean Pacific and Atlantic Contributors are Vivek Bald Leslie Bow Amy Brandzel Daniel Bronstein Jigna Desai Jennifer Ho Khyati Y Joshi ChangHwan Kim Marguerite Nguyen Purvi Shah Arthur Sakamoto Jasmine Tang Isao Takei and Roy Vu

Almost All Aliens Paul Spickard, Francisco Beltrán, Laura Hooton, 2022-09-15 Almost All Aliens offers a unique reinterpretation of immigration in the history of the United States Setting aside the European migrant centered melting pot model of immigrant assimilation Paul Spickard Francisco Beltrán and Laura Hooton put forward a fresh and provocative reconceptualization that embraces the multicultural racialized and colonially inflected reality of immigration that has always existed in the United States Their astute study illustrates the complex relationship between ethnic identity and race slavery and colonial expansion Examining the lives of those who crossed the Atlantic as well as those who crossed the Pacific the Caribbean and the North American Borderlands Almost All Aliens provides a distinct inclusive and critical analysis of immigration race and identity in the United States from 1600 until the present The second edition updates Almost All Aliens through the first two decades of the twenty first century recounting and analyzing the massive changes in immigration policy the reception of immigrants and immigrant experiences that whipsawed back and forth throughout the era It includes a new final chapter that brings the story up to the present day This book will appeal to students and researchers alike studying the history of immigration race and colonialism in the United States as well as those interested in American identity especially in the context of the early twenty first century

Multicultural America Ronald H. Bayor, 2011-07-22 This encyclopedia contains 50 thorough profiles of the most numerically significant immigrant groups now making their homes in the United States telling the story of our newest immigrants and introducing them to their fellow Americans One of the main reasons the United States has evolved so quickly and radically in the last 100 years is the large number of ethnically diverse immigrants that have become part of its

population People from every area of the world have come to America in an effort to realize their dreams of more opportunity and better lives either for themselves or for their children This book provides a fascinating picture of the lives of immigrants from 50 countries who have contributed substantially to the diversity of the United States exploring all aspects of the immigrants lives in the old world as well as the new Each essay explains why these people have come to the United States how they have adjusted to and integrated into American society and what portends for their future Accounts of the experiences of the second generation and the effects of relations between the United States and the sending country round out these unusually rich and demographically detailed portraits **Journal of Asian American Studies** ,2006 Official publication of the Association for Asian American Studies explores all aspects of the Asian American experience Publishes original works of scholarly interest to the field including new theoretical developments research results methodological innovations public policy concerns pedagogical issues and book media reviews *Amerasia Journal* ,2009 **Shadow**

Traces Elena Tajima Creef,2022-04-12 Images of Japanese and Japanese American women can teach us what it meant to be visible at specific moments in history Elena Tajima Creef employs an Asian American feminist vantage point to examine ways of looking at indigenous Japanese Ainu women taking part in the 1904 Louisiana Purchase Exposition Japanese immigrant picture brides of the early twentieth century interned Nisei women in World War II camps and Japanese war brides who immigrated to the United States in the 1950s Creef illustrates how an against the grain viewing of these images and other archival materials offers textual traces that invite us to reconsider the visual history of these women and other distinct historical groups As she shows using an archival collection s range as a lens and frame helps us discover new intersections between race class gender history and photography Innovative and engaging *Shadow Traces* illuminates how photographs shape the history of marginalized people and outlines a method for using such materials in interdisciplinary research
