*The Land between Two Rivers* Thomas D. Petter, 2014-02-25 A survey of recent scholarship shows that historians who are skeptical about any real history of early Israel have disparaged the idea that Israel had an early presence in Transjordan This skeptical stance however is by no means shared by everyone Cross for instance asserted that the tribe of Reuben was a catalyst for Yahwism in the period preceding the rise of kings in Israel and Transjordan in the 10th 9th centuries B C Weaving together biblical extrabiblical and archaeological data available to him at the time 1988 Cross demonstrated the reality of an early Israelite presence in Transjordan Ongoing excavations at Tall al Umayri the type site for the Late Bronze Iron I transition in the region bounded by the Wadi Zarqa in the north and the Wadi Mujib in the south and at Tall Madaba which had an early Iron I settlement now confirm a tribal presence in these Transjordanian areas during the early Iron I By bringing together applicable anthropological research and relevant biblical extrabiblical and archaeological data Petter outlines a context driven interpretive framework within which to plot tribal ethnic expressions in the past From the perspective of the longue dure we can see that frontier regions tend to exhibit episodic changes of hand competing sides claimed legitimate ownership sometimes by way of making the gods owners of the land

**Yahweh the Patriarch** Erhard S. Gerstenberger, 2021-02-02 Israel s conceptions of God changed argues Gerstenberger over the millennium witnessed in Hebrew Scriptures Contrary to widespread opinion the author shows that historical and biblical evidence points to an active early participation of women in cultic life especially in the domestic realm when in the sixth century the status of women underwent a change Social upheaval political and economic stress and the growing influence of priestly circles converged to redefine God in male terms This book explores the religious role of women in these different periods and social organizations How did women lose a strong position in Israelite house cult as attested in Scriptures and through archaeological findings Why did Yahweh who once had a consort Asherah turn into a lone and militantly male deity
