Tennis and America, Thank You Freddie Botur, 2013-07-08 Jack Kramer Freddie nobody wants us 1966 In 1966 when I had the Thirty Fourth Street armory Jack Kramer the world famous player and promoter approached me and asked me to put up fifteen thousand dollars in prize money for a tournament he wanted to organize early in 1967 He had eight professionals set to go but no place to host the tournament and no prize money to offer Freddie nobody wants us Kramer said Madison Square Garden does not want us White Plains does not want us I could not believe that a great and famous player like Jack Kramer was coming to me an unknown immigrant to ask if I would be interested in promoting the tournament I thought about it for a little less than a minute knew instantly that we could accommodate nearly four thousand people in the armory and determined that I would make it happen A few days later I received a letter of confirmation from his manager Mr Wills The players he was proposing were the most famous names in the game We just needed to come up with the prize money Since we did not have anyone who could sponsor us I put up five thousand dollars myself and asked two of my friends Lieberman vice president of a gas company and Zdenek Capek the engineer friend who helped me design the roll up mats for the armory to invest five thousand dollars each I can still name the singles draw from the top down Rod Laver Fred Stolle Dennis Ralston Butch Buchholz Pancho Gonzalez Pierre Barthes Mike Davis Andres Gimeno Pancho Segura and Cliff Drysdale No one was willing to underwrite the event [Thank You America](#) Ngombe Mayunda, 2017-04-17 This book is about showing my gratitude to some amazing people Most of them are Americans for the good they had demonstrated to me my family and my original country the DRC Congo Kinshasa from the year 1884 I wanted them to know that their kind acts will never be forgotten So from the bottom of my heart I say thank you to all of them and thank you to America where they came from [Thank You, America](#) Robert R. Rotruck, 2009-11 Author Robert R Rotruck Chief Warrant Officer U S Navy Retired had a wonderful career serving the people of the United States from 1959 to 1979 He feels very blessed to have had the opportunity to be a part of a unique community of American citizens that choose to serve their country through the military This book details each of his duty stations in a short story format making it an easy and enjoyable read Bob Rotruck shows the indomitable spirit of American service men and women in Thank You America He leaves a legacy for his two sons and appeals to the younger generation who may be considering serving their country It was a wonderful life Bob says I wouldn't trade it for anything Smooth seas and fair winds **Thank the Liberals For Saving America** Alan Colmes, 2012-08-27 In Thank the Liberals political commentator and Fox News radio host Alan Colmes explains how people who fight for liberal ideals help our country move forward With his trademark humor and wit Colmes walks readers through the founding of our nation and shows how America was based on a liberal idea Our very founders were progressives and it's progressives who have led America to be the country it is today Through legislation constitutional amendments Supreme Court decisions and the actions of grassroots Americans we see that it is liberal efforts that are responsible for programs

intrinsic to our American DNA programs like Social Security Medicare assistance for the needy and the government safety nets that have saved us during the recent economic downturn Colmes s goal is to show not only where we are today but also where we as a nation are going and how it is liberals who will get us there The divide between conservative and progressive aims has gotten ever more stark and it seems that many conservatives are trying to take us backward revoking or rolling back hard won rights and impeding progress which at best keeps us stranded in the status quo This continual push to the right is something liberals must fight and fight they do On everything from preserving the separation of church and state to climate change regulating immigration caring for the poor and making peace not war Colmes shows how liberals are leading the way Thank the Liberals will open readers eyes to some of the battles that will help define our nation as we move forward Colmes boldly shows that as America progresses it will become more liberal just as it has done throughout history and that this will enable us to continue to stand out as a beacon of freedom and democracy for the rest of the world *Theory of*
