Dirk Delabastita, Lieven D'huylst

That Shakespeherian Rag Essays On A Critical Process:

That Shakespeherian Rag Terence Hawkes, 2013-09-13 First published in 1986 This collection of essays focuses on the ways in which our society processes Shakespeare and the purposes for which this seems to be done The case is made by examining the work of four highly influential critics A C Bradley Walter Raleigh T S Eliot and John Dover Wilson Terence Hawkes asks whether beyond the readings to which the plays may be subjected there lies any final authoritative or essential meaning to which we can ultimately turn concluding that jazz music offers the most fruitful model for twentieth century criticism

Radical Tragedy Jonathan Dollimore, 2010-04-09 When it was first published *Radical Tragedy* was hailed as a groundbreaking reassessment of the drama of Shakespeare and his contemporaries An engaged reading of the past with compelling contemporary significance *Radical Tragedy* remains a landmark study of Renaissance drama and a classic of cultural materialist criticism The corrected and reissued third edition of this critically acclaimed work includes a candid new Preface by the author and features a Foreword by Terry Eagleton

The Death of the Actor Martin Buzacott, 2013-10-31 In *The Death of the Actor* Martin Buzacott launches an all out attack on contemporary theatrical practice and performance theory which identifies the actor rather than the director as the key creative force in the performance of Shakespeare Because actors are absent from the site of Shakespearean meaning he argues the illusion of their centrality is sustained only by a rhetoric of heroism violence and imperialism

Literature in the Making Nancy Glazener, 2015-10-15 In the eighteenth century literature meant learned writings by the twentieth century literature had come to be identified with imaginative aesthetically significant works and academic literary studies had developed special protocols for interpreting and valuing literary texts *Literature in the Making* examines what happened in between how literature came to be more precisely specified and valued how it was organized into genres canons and national traditions and how it became the basis for departments of modern languages and literatures in research universities Modern literature the version of literature familiar today was an international invention but it was forged when literary cultures traditions and publishing industries were mainly organized nationally *Literature in the Making* examines modern literature s coalescence and institutionalization in the United States considered as an instructive instance of a phenomenon that was going global Since modern literature initially offered a way to formulate the value of legacy texts by authors such as Homer Cervantes and Shakespeare however the development of literature and literary culture in the U S was fundamentally transnational *Literature in the Making* argues that Shakespeare studies one of the richest tracts of nineteenth century U S literary culture was a key domain in which literature came to be valued both for fuelling modern projects and for safeguarding values and practices that modernity put at risk a foundational paradox that continues to shape literary studies and literary culture Bringing together the histories of literature s competing conceptualizations its print infrastructure its changing status in higher education and its life in public culture during the long nineteenth century *Literature in the Making* offers a robust account of how and why literature mattered then

and matters now By highlighting the lively collaboration between academics and non academics that prevailed before the ascendancy of the research university starkly divided experts from amateurs Literature in the Making also opens new possibilities for envisioning how academics might partner with the reading public **Shakespeare and the Modern Poet**

Neil Corcoran,2010-04-01 Shakespeare is a major influence on poets writing in English but the dynamics of that influence in the twentieth century have never been as closely analysed as they are in this important study More than an account of the ways in which Shakespeare is figured in both the poetry and the critical prose of modern poets this book presents a provocative new view of poetic interrelationship Focusing on W B Yeats T S Eliot W H Auden Ted Hughes and Sylvia Plath Neil Corcoran uncovers the relationships combative as well as sympathetic between these poets themselves as they are intertwined in their engagements with Shakespeare Corcoran offers many enlightening close readings fully alert to contemporary theoretical debates This original study of influence and reception beautifully displays the nature of poetic influence both of Shakespeare on the twentieth century and among modern poets as they respond to Shakespeare A

Practical Reader in Contemporary Literary Theory Peter Brooker,Peter Widdowson,2014-05-22 This introduction to practicing literary theory is a reader consisting of extracts from critical analyses largely by 20th century Anglo American literary critics set around major literary texts that undergraduate students are known to be familiar with It is specifically targeted to present literary criticism through practical examples of essays by literary theorists themselves on texts both within and outside the literary canon Four example essays are included for each author text presented **Shakespeare**

Scholars in Conversation Michael P. Jensen,2019-07-15 Twenty four of today s most prominent Shakespeare scholars discuss the best known works in Shakespeare studies along with some nearly forgotten classics that deserve fresh appraisal An extensive bibliography provides a reading list of the most important works in the field A filmography then lists the most important Shakespeare films along with the films that influenced Shakespeare filmmakers Interviewees include Sir Stanley Wells Sir Jonathan Bate Sir Brian Vickers Ann Thompson Virginia Mason Vaughan George T Wright Lukas Erne MacDonald P Jackson Peter Holland James Shapiro Katherine Duncan Jones and Barbara Hodgdon **European Shakespeares.**

Translating Shakespeare in the Romantic Age Dirk Delabastita,Lieven D'huylst,1993-03-04 Where when and why did European Romantics take to Shakespeare How about Shakespeare s reception in enduring Neoclassical or in popular traditions And above all which Shakespeare did these various groups promote This collection of essays leaves behind the time honoured commonplaces about Shakespearean translation the translatability of Shakespeare s forms and meanings the issue of loss and gain in translation the distinction between translation and adaptation translation as an art etc and joins modern Shakespearean scholarship in its attempt to lay bare the cultural mechanisms endowing Shakespeare s texts with their supposedly inherent meanings The book presents a fresh approach to the subject by its radically descriptive stance by its search for an adequate underlying theory along interdisciplinary lines and not in the least by its truly European scope It

traces common trends and local features not just in France and Germany but also in Hungary Italy the Netherlands Portugal Russia Scandinavia and the West Slavic cultures *Teaching with Shakespeare* Bruce McIver, Ruth Stevenson, 1994 Today the number and nature of interpretive strategies developed by contemporary theorists for reading Shakespeare's texts may not only delight but also disconcert the scholars critics teachers and students who study them In this work six leading Shakespearean scholar critics in a series of clear and elegant lectures delivered to undergraduate English majors explain distinctive procedures that they and other influential contemporary critics use for interpreting Shakespeare's poems and plays Workshops which illustrate with Shakespearean texts the practice of specific methods follow the lectures Helen Vendler Harvard guides readers to Shakespeare's poetry by explaining and illustrating how to hear the unexpected and unobtrusive but crucial questions that sonnets pose and by tracing the increasingly powerful perceptions that precise informed aesthetic responses to these questions evoke R A Foakes UCLA identifies basic cultural issues underlying traditional approaches to teaching Shakespeare's plays especially the tragedies and explains how poststructuralist responses to these issues lead to a reevaluation of the Bard Leah Marcus U Texas Austin also explains cultural issues particularly about the construct that has become Shakespeare and introduces editorial questions about the actual textual versions offered to students notably of Hamlet and King Lear With emphasis on the plays in performance John Wilders Oxford Middlebury delivers a structure oriented acting centered analysis of Julius Caesar and then directs in similar fashion a production of the first scene of A Midsummer Night's Dream Patricia Parker Stanford on the other hand follows intricate lines of wordplay through a series of deconstructions and reconstructions in The Merry Wives of Windsor and A Midsummer Night's Dream Bringing the series to a close Annabel Patterson Duke presents an explicitly issue oriented analysis of editorial critical scholarly dramatic and cinematic interpretations of Henry V and she offers a concluding commentary on the workshops of her colleagues BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Richard III's Bodies from Medieval England to Modernity* Jeffrey R. Wilson, 2022-10-02 The story of a medieval king's disability traveling through time from Shakespeare's hands to today

Right here, we have countless books **That Shakespeherian Rag Essays On A Critical Process** and collections to check out.
