Thatcher and Thatcherism Eric J. Evans, 2004 Thatcherism produced dramatic changes in most aspects of public life both in Britain and abroad This work surveys the origins and impact of Thatcherism as a cultural construct and an economic creed Centering on the career of Margaret Thatcher the author argues that Thatcherism was a bold experiment in ideologically driven government which failed to meet its objectives *Thatcher and Thatcherism* Eric J. Evans, 2013-02-11 This fully revised and updated third edition of *Thatcher and Thatcherism* examines the origins and impact of Thatcherism as a cultural construct and an economic creed from the 1970s to the formation of a coalition government in 2010 Focusing on the career of Margaret Thatcher Eric J Evans questions both the originality and the ideological coherence of Thatcherism were illusory He argues that Thatcherism was a bold experiment in ideologically driven government But also that despite Thatcher s political dominance failed to meet its main objectives He includes discussion of privatisation policies and the challenge to trade union power how Thatcher changed and controlled the Conservative Party Britain s slow economic decline and Thatcher s attempt to turn Britain around the legacy of the Falklands conflict and Thatcher s approach to Europe the approach to the professional ethic including education the civil service and crime the influence of Thatcherism on succeeding governments from Major through New Labour and down to the Cameron Clegg coalition With comprehensive suggestions for further reading and explanation of the economic social and historical context of Britain in the late 1970s and 1980s *Thatcher and Thatcherism* is an invaluable guide to the complexities and paradoxes of Britain from the late 1970 s to the present day

Evans, 2018-07-17 This revised expanded and updated fourth edition of *Thatcher and Thatcherism* examines the origins and impact of Thatcherism both as a cultural construct and an economic creed from the 1970s to the formation of a coalition government in 2010 New to this edition is an extended exploration of Thatcher s impact outside of the UK as well as an examination of the assessments published following her death in 2013 providing students with a greater understanding of the legacy of Thatcherism within the modern political landscape Focusing on the career of Margaret Thatcher Eric J Evans questions both the originality and the ideological coherence of what came to be called Thatcherism and considers to what extent it met or failed to meet its main objectives Key topics discussed within the book include Privatisation policies and the attack on trade union power and influence How Thatcher changed and controlled the late twentieth century Conservative Party The legacy of the Falklands War Thatcher s relations with Europe East and West Thatcher s approach to the professional ethic The influence of Thatcherism on succeeding governments Major and New Labour Neo liberalism and its influence on and under Thatcher With comprehensive suggestions for further reading and explanation of the economic social and historical context of Britain in the late 1970s and 1980s *Thatcher and Thatcherism* is an invaluable guide to the complexities and paradoxes of Britain from the late 1970s to the second decade of the twenty first century **Margaret Thatcher and Thatcherism. A neoliberal regency?**, 2018-08-07 Seminar paper from the year 2017

in the subject Politics Other International Politics Topics grade 1 0 Rhine Waal University of Applied Sciences language English abstract Throughout time economic theories have influenced the path of society and history Neoliberalism is one of these economic theories and its roots trace back to classical liberalist of the 18th century like Adam Smith Over time Neoliberalism has evolved into an independent school of thought aiming at maximizing the individual s freedom and limiting state power The work by Friedrich August von Hayek and Milton Friedman can be seen as the underlying fundament of this school of thought Neoliberalism became reality in the United Kingdom through the implementation of Prime Minister Margaret Thatcher s neoliberal policies in the 1980s and 1990s In order to assess whether Thatcher s regency classifies as neoliberal this paper conducted a literature review to compare Thatcher s policies with the neoliberal ideology constructed by von Hayek and Friedman Thereby significant similarities in the perception of socialism as well as the importance of individual freedom and the handling of inflation were detected just as significant differences in the fields of Law Order Centralization and National identity Thus this paper concludes that Thatcher s regency included several important elements of neoliberal thought but also showed several contradictions to this ideology Therefore Thatcher s regency can be classified as a neoliberal regency with certain limitations outlined in the paper *Making Thatcher's Britain* Ben Jackson,Robert Saunders,2012-08-02 This book situates the controversial Thatcher era in the political social cultural and economic history of modern Britain To what extent did Thatcher and Thatcherism change Britain? Alexandra Dienst,2005-11-23 Essay from the year 2005 in the subject Politics Region Western Europe grade 1 Copenhagen Business School language English abstract When Margaret Thatcher came to power in 1979 she and the Conservative party had to face economic and social decline However the Iron Lady was determined to cure the sick man of Europe her medicine was to roll back the state building up a stakeholder culture Today Britain is one of the freest and healthiest economies in the world most of its businesses and industries are private owned trade unions have lost most of their influence and unemployment and inflation rates are low Yet one can ask to what extent Thatcherism has contributed to Britain s present prosperity Critics argue that Thatcher s reign coincided with a general improvement in world economy and tax revenues from North Sea oil **The Free Economy and the Strong State** Andrew Gamble,1988 A new politics emerged in the 1970s in response to the world recession the exhaustion of Fordism the theory traced to Henry Ford that well paid industrial workers fuel continuous capitalist growth and the breakdown of American hegemony Thatcherism one expression of this new politics acquired its distinctive characteristics through the exceptional and deep seated crisis of state authority that developed in Britain in the mid 1970s By 1987 the Conservatives under Thatcher s leadership had won their third successive election victory over a divided opposition and enjoyed a degree of political and ideological dominance that led many commentators to speak of the end of the socialist era and the emergence of a new consensus in Britain A new word Thatcherism had entered the political lexicon It has come to signify a broad ranging and distinctive program aimed at promoting economic recovery through the privatization of public

enterprise and restoring the authority of the state The Free Economy and the Strong State explores the roots of Thatcherism and its relationship to the Conservative tradition to the economic liberal ideology of the New Right and to the new politics which emerged from the recession and crisis of the world order in the mid 1970s *Thatcher and Sons* Simon Jenkins,2006 The history of Britain for the last three decades under both Conservative and Labour governments has been dominated by one figure Margaret Thatcher This is Simon Jenkin s argued history of Britain over nearly 30 years The Anatomy of Thatcherism Shirley Robin Letwin,2018-04-17 The Anatomy of Thatcherism explains how for the first time in British history a prime minister s name has become an Ism a symbol of a profound social change Letwin argues that Thatcherism promoted a moral agenda rather than an economic doctrine or a political theory in order to achieve a fundamental realignment in British politics She introduces a new term the vigorous virtues to describe what Thatcherites have aimed to cultivate in Individual Britons and In the country as a whole Her definition of Thatcherism is supported by a detailed analysis of the principal Thatcherite policies and the grounds on which they were advocated and opposed Inside and outside the Conservative Party Without departing from a lucid and lively style or resorting to technical jargon Dr Letwin explains such innovations as schools opting out budget holding by GPs and the creation of the first ever competitive spot market in electricity Just how did the Thatcherite administrations shape the reform of the unions How is the Thatcherite attitude to the family connected with Thatcherite policies on schools Why does monetarism appear wrongly to be at the heart of Thatcherism The Anatomy of Thatcherism is a bold and searching book about how Britain changed between 1979 and 1992 It challenges many truisms about British politics and Is indispensable reading both for those who believe in the future relevance of Thatcherism and for those who want to demolish it And it will be of particular interest to those concerned with the history of British politics as It shows how Thatcherism both arose out of and confronted trends that had permeated Conservatism for the entire twentieth century **Thatcherism in the 21st Century** Antony Mullen,Stephen Farrall,David Jeffery,2020-07-24 This collection examines the social and cultural legacy of Thatcherism in the 21st century Drawing upon perspectives from a range of disciplines it considers how Thatcherism manifests itself today and how we can assess its long term impact The book is divided into four sections which offer different ways of conceptualising and addressing questions of legacy the ideological impact of Thatcherism on the Conservative Party and on the country the long term impact of Thatcherism across different parts of the UK how Thatcherism has altered social attitudes to everything from welfare spending to Europe and how popular historical accounts of Thatcherism have become embedded in different parts of contemporary British culture The essays in this volume draw upon newly available archival materials oral histories social attitudes surveys and parliamentary debates to provide a well rounded perspective on Thatcherism today
