Thats What I Call Commuting Real Stories From Conductors On Chicagos Metra Lines:

That's What I Call Commuting Ed Gabrielse, Mike Holinka, 2003 This book was written based on my experiences in matters of the heart I realize that at times the heart tells us things that our brains don't comprehend but we know that we really feel this way Take for instance teenagers I suppose that when we mature as adults we say that we were infatuated with love or that we really didn't love the person that we were in love with Please let me tell you that this process of thinking is wrong Feelings are feelings and we must deal with them whether real false love hate etc Shouldn't it be us that deal with our feeling and not have our feelings deal with us Are we that lovesick heartbroken teen that aches for someone to love him/her No so how dare we tell our daughter/son what to feel I believe that he should let teens express and deal with their own feelings and only offer sympathetic understanding and sound advice unless of course they will be physically hurt then that protective mother/lion in all of us have to say something So how do we teach our children what love means We don't I mean will they believe us anyway I believe that in matters of the heart words can speak louder than action and perhaps poetry is the path to do so I mean what is a lyric but poetry in music and what is speech but poetry in motion Perhaps by reading this book someone who is heartbroken will look at the good things in a relationship and reflect on those good things as a learning experience and also learn from the bad things as well By doing so he/she will not make the same mistake again we hope I hope that I have shed some light on this crazy thing called love and have made at least one person whether male/female adult or child especially teenagers feel that there will ALWAYS be someone in the world aside from God who knows what he/she is going through has been there and had learned from these experiences whether good or bad and will turn them into a beautiful gift for all the world to share Chicago Tribune Index, 2001 *Chicagoland Commuter Railroads* Andrew T. Roth, Patrick C. Dorin, 2007-05-01 Commuter or Suburban Rail Passenger Train Services have been an important part of the Chicago Metro area for well over 100 years Since the city and its suburbs are economically interdependent upon one another passenger service could not be discontinued without severe economic impacts on the entire Chicago area The Metra Commuter Rail Service and the Indiana Commuter Transportation District South Shore services have realized this and are providing a crucial life line for the many Chicago Suburban corridors and have made substantial gains and many expansions since the 1980s This book reviews the commuter services offered in the Chicago area on the Chicago North Western The Milwaukee Road the South Shore the Illinois Central the Rock Island the Burlington the Wabash the Gulf Mobile and Ohio the South Shore the New York Central and the Pennsylvania Railroads before the development of the RTA Metra and NICTD
