

What Happens if Somebody Walks in and He says I am the Prophet of God?

- Dial 911
- No first, ask him for proof
- What kind of proofs prophets of God had to provide to prove that they are truly sent by God
- God always provide Prophets with Miracles to prove to the people that they are not lying, otherwise people will have a strong argument why did not they believe in the Prophets and follow them

The 911 Prophet:

The King's Prophetic Voice Jodie Hughes, 2022-03-15 Learn your God language Every day God is speaking to you not through a booming voice from Heaven but in ways that are simple common and often overlooked God is not a formula He is a person Who longs to draw us into a deeper relationship with Himself As we get to know Him through His Word we recognize the creative *The Prophet's Alibi* Timothy J. Korzep, 2012-01-26 The President of the United States has been abducted While meeting with other world leaders in a unified Europe of the future President Marge Haydon is among the members of the elite G 10 taken captive by militants who crash a peaceful inaugural luncheon The terrorists led by a mysterious man called the Prophet now have control of some of the most powerful people in the world Sylvia Jensen is President Haydon's personal assistant She is a child of the new millennium trained in anti terrorism and modern combat Whether its mere fate or divine intervention that puts her in the right place at the right time she may be the worlds only chance at a peaceful resolution But even Jensen cant be sure who shes up against in the gray area of foreign relations and no body knows the identity of the Prophet Jensen finds herself up against a power hungry threesome who has already amassed almost seven percent of the worlds gold re serves These men want more though and now lives are at stake in the name of domination and greed The world must watch and wait as world leaders suffer hours of terror and the world approaches the brink of disaster

Biblical Prophetic Chronicles of the Last Generation Steven B. Riddley, 2015-10-12 One of the great mysteries of the Bible is what Daniel was told not to reveal in Daniel 12 9 and what John was told not to write down in Revelation 10 4 This is to be revealed to the generation that shall not only see but experience what you are about to read I am not a man that have dreams and visions all I can say that in the year 2002 one morning during my prayer time God spoke to me in my spirit These words Jeremiah 33 3 and thereafter began to reveal to me these mysteries you are about to read concerning what about to happen in America and around the world What has been so profound about this experience is to have the Holy Spirit walk you through the bible scripturally [Unlocking Arizona's Prophetic Destiny](#) Deb Welch, 2014-02-10 I have had the privilege of serving the Lord and Arizona by mobilizing non stop prayer throughout the State since New Year s Eve 2007 through a prayer initiative called The Torch As part of this journey I have collected and mobilized prayer for the prophetic words that have been released over Arizona What an amazing destiny the Lord has for the A to Z State I have found references to Phoenix and Arizona in words from as early as 1965 This compilation is by no means meant to represent an all inclusive list but has been published as a guide to be used to bring encouragement My prayer is that it will be used as a resource to pray and decree Arizona s great destiny until we see these things come to pass I am passionate about seeing those things spoken over Arizona come to pass I am believing as you use this guide to pray for Arizona you will be ignited with that same passion I have been bold and have told the Lord I didn t want to hear about another move of your spirit somewhere else I want to experience the fullness of what You have promised here in Arizona I understand that some prophecies require action on our

the Church's part but I believe that as we continue to seed the atmosphere with these words and remind the Lord of His promises we will see things shift and actions that need to happen will come into reality and we will see Arizona walk in her redemptive purposes

Prophetic Poetry Ronald L. Faust, 2010-01-01 This poetry becomes an agent of transformation in offering a new direction for our lives It provokes a little holy agitation by tossing poems like pebbles into placid pools of water to cause some waves Such poetry gives us prophetic alerts to pay attention to things that matter like peace not war like economic and immigrant justice like an earthy passion for life more than death This book of poems describes a link between poets and peacemakers Maybe peacemakers are like insurgent poets Irrelevant dissident disregarding the status quo Imagining a vision of a world that gets along This poetry too dangerous for right wing religion will offer a resource for church activists and for taking the next step of courage It will be a companion for marching to a different drummer and hearing the still voice of God amplified through ordinary occasions

The Prophetic Lens Phil Allen Jr., 2022-09-13 Martin Luther King used news cameras as a means of exposing anti Black violence by white mobs in the 1950s and 60s Darnella Frazier used her phone to record and post the murder of George Floyd by Derek Chauvin in May 2020 These are just two of many people who have captured images of injustice for the world to see The Prophetic Lens takes an important look at the use of the video camera as an indispensable prophetic tool for the security of Black lives and greater possibility for racial justice Phil Allen shows how the camera can be a catalyst for cultural change using Walter Brueggemann's Prophetic Imagination as a framework for understanding the concept of prophetic Chronicling the use of the camera particularly in film from J D Griffiths Birth of a Nation to Spike Lee's Do the Right Thing Allen's historical approach reveals how effective this technology has been in achieving the goals of its respective storytellers The book highlights both the prophetic potential of the camera and the context of Blackness as a liminal existence amid a context dominated by whiteness
