The Account Which We Must Give Studies On The Judgement Seat Of Christ:

A Forty-Day Study of the Book of Hebrews Rick Jory, 2019-06-26 Can Christians lose their salvation Are there such things as guardian angels Can those in heaven see the happenings on earth How were the Old Testament saints saved since Jesus hadn't been born yet Jesus said to the thief on the cross Today you shall be with me in paradise but he wasn't raised from the dead until three days later and didn't ascend into heaven until many days after that did Jesus lie Using an in depth study of the book of Hebrews Dr Jory explores answers from the Bible for these and a host of other questions about God and the Christian faith Biblical commentaries come in all shapes sizes and levels of detail and complexity Dr Jory's approach is to ratchet down the complexity It seeks to present material with these questions always in focus What would I want to learn from the Bible How would I want it to be taught to me The material is presented in short lessons structured to be covered over a forty day period and is geared for both individual and small group Bible studies

The Oxford Handbook of Pauline Studies Matthew V. Novenson, R. Barry Matlock, 2022-03-10 The Oxford Handbook of Pauline Studies brings together a diverse international group of experts on the apostle Paul It examines the authentic texts from his own hand other ancient texts falsely attributed to him the numerous early Christian legends about him and the many meanings that have been and still are made of these texts to give a twenty first century snapshot of Pauline Studies Divided into five key sections the Handbook begins by examining Paul the person a largely biographical sketching of the life of Paul himself to the limited extent that it is possible to do so It moves on to explore Paul in context and Pauline Literature looking in detail at the letters manuscripts and canons that constitute most of our extant evidence for the apostle Part Four uses a number of classic motifs to describe what modern experts describe as Pauline Theology and Part Five considers the many productive reading strategies with which recent interpreters have made meaning of the letters of Paul It is demonstrated that reading Paul is not and never has been just one thing It has always been a matter of the particular questions and interests that the reader brings to these very generative texts The Oxford Handbook of Pauline Studies thoroughly surveys the state of Pauline studies today paying particular attention to theory and method in interpretation It considers traditional approaches alongside recent approaches to Paul including gender race and ethnicity and material culture Brought together the chapters are an ideal resource for teachers and students of Paul and his letters

No Cost Jesus? H. Wallace Webster, 2021-07-12 Many people think that while living our daily lives can be difficult even challenging following Jesus is actually pretty easy All we need to do is say yes to Jesus and our lives can go on without interruption But is it really that easy to follow Is he a Jesus without cost or requirement At some point we all need to ask ourselves Who is this Lord that I'm serving Our culture encourages us to think of Jesus as a good friend who will not put any demands on our time or our lives But the real Jesus the God of the Bible comes with a cost He demands our time He demands our thoughts He demands our lives He demands our all It's only when we are willing to pay that cost that we get to know our Savior as he really is and we realize that he's worth so much more

,2020-05-14 John's writings are both ethereal and practical. On the one hand he deals with some of the most profound truths of the Christian gospel and then brings us up short with his black and white statements concerning who is in and who is out. The dialogues between Jesus and the Pharisees in this gospel sound very harsh to a Western ear; there are no punches pulled. But these are surrounded by miracles and healings and the profound 'I Am' statements that fall from the pages and cause us to watch and listen in awe and wonder. We see the same contrast of profundity and practicality in John's letters as he speaks of Jesus in hushed tones and then condemns those who reject Jesus as antichrist. John makes the purpose of his gospel clear. John 20:31. He does it in such a way that tells and paints an unmistakable portrait of Jesus that people come to know who He is and put their faith in Him. In his letters John aims to deal with error concerning the person of Jesus and to ensure the church remains on track. At the centre of all John's writings is a simple message to the Church: love one another.
