Angel Communication Code Stephen J. Silva,2024-02-12 What is presented in this is not a topic by topic review of what is already known but rather it pulls together what is already known and combines this information with fresh new insights with a singular focus The book establishes the common thread leading to a new way to establish 2 way Extraterrestrial Communication This presentation is unique and has never before been conceived or put to the test For the past decade the author has been conducting research and studying the science of extraterrestrial existence and extraterrestrial communication means and methods The result of all of the research in combination with the dream like vision of an extraterrestrial communication code has culminated into the publication of two books on the subject This book is the second The vision came to the author is very much the same sort of vision several Nobel Prize winning scientist experienced leading to their discoveries cited herein This book takes the reader on a journey that leads directly to a scientifically based hypothesis about establishing ET communication It further presents the foundation of an experiment designed to put that hypothesis to the test consistent with the universally accepted standard scientific method The next step is to execute the experiment proposed and get ready to communicate with our brothers out there in the universe beyond earth

Fool's Gold? Scott Shane,2009 Scott Shane draws on hard data from the Federal Reserve and other sources to paint the first reliable group portrait of the lionized angel investors Surprisingly he finds that they are fewer contribute less and involve themselves in fewer start ups than the conventional wisdom suggests Numbering only 156 000 angels typically still have their day jobs make investments of 10 000 or less and take little or no role in management Few of the companies they put money into arrive at IPOs let alone massive returns
