

THE ACHILLES AFFAIR

A NOVEL OF HIGH ADVENTURE

BY BERKELY
MATHER

The Achilles Affair

Martin M. Winkler

The Achilles Affair:

The Achilles Affair Berkely Mather, 1968 **The Achilles Affair** Berkely Mather, 1979-10 **The Achilles Affair. [A Novel.]** Berkely MATHER (pseud.), 1959 **The Achilles Affair** Berkely MATHER (pseud.), 1961 *The Daffodil Affair* Michael Innes, 2010-02-20 Inspector Appleby's aunt is most distressed when her horse Daffodil, a somewhat half-witted animal with exceptional numerical skills, goes missing from her stable in Harrogate. Meanwhile, Hudspeth is hot on the trail of an enigmatic young girl who has been whisked away to an unknown isle by a mysterious gentleman. Horace's Narrative Odes Michèle Lowrie, 1997 Narrative has not traditionally been a subject in the analysis of lyric poetry. This book deconstructs the polarity that divides and binds lyric and narrative means of representation in Horace's Odes. While myth is a canonical feature of Pindaric epinician, Horace cannot adopt the Pindaric mode for aesthetic and political reasons. Roman Callimacheanism's privileging of the small and elegant offers a pretext for Horace to shrink from the difficulty of writing praise poetry in the wake of civil war. But Horace by no means excludes story telling from his enacted lyric. On the formal level, numerous odes contain narration. Together, they constitute a larger narrative told over the course of Horace's two lyric collections. Horace tells the story of his development as a lyricist and of the competing aesthetic and political demands on his lyric poetry. At issue is whether he can ever truly become a poet of praise. **Spies and Holy Wars** Reeva Spector Simon, 2010-11-15 Illuminating a powerful intersection between popular culture and global politics, *Spies and Holy Wars* draws on a sampling of more than eight hundred British and American thrillers that are propelled by the theme of jihad: an Islamic holy war or crusade against the West. Published over the past century, the books in this expansive study encompass spy novels and crime fiction illustrating new connections between these genres and Western imperialism. Demonstrating the social implications of the popularity of such books, Reeva Spector Simon covers how the Middle Eastern villain evolved from being the malleable victim before World War II to the international techno-savvy figure in today's crime novels. She explores the impact of James Bond pulp fiction and comic books and also analyzes the ways in which world events shaped the genre, particularly in recent years. Worldwide terrorism and economic domination prevail as the most common sources of narrative tension in these works, while military tech novels restored the prestige of the American hero in the wake of post-Vietnam skepticism. Moving beyond stereotypes, Simon examines the relationships between publishing trends, political trends, and popular culture at large, giving voice to the previously unexamined truths that emerge from these provocative page-turners. **Troy** Martin M. Winkler, 2009-02-04 This is the first book systematically to examine Wolfgang Petersen's epic film *Troy* from different archaeological, literary, cultural, and cinematic perspectives. The first book systematically to examine Wolfgang Petersen's epic film *Troy* from different archaeological, literary, cultural, and cinematic perspectives. Examines the film's use of Homer's *Iliad* and the myth of the Trojan War, its presentation of Bronze Age archaeology and its place in film history. Identifies the modern political overtones of the Trojan War myth as expressed in the film and explains why it found world

wide audiences Editor and contributors are archaeologists or classical scholars several of whom incorporate films into their teaching and research Includes an annotated list of films and television films and series episodes on the Trojan War Contains archaeological illustrations of Troy relevant images of ancient art and stills from films on the Trojan War **The Love Affairs of Napoleon** Joseph Turquan,1914 **Hammer Complete** Howard Maxford,2019-11-08 Think you know everything there is to know about Hammer Films the fabled Studio that Dripped Blood The lowdown on all the imperishable classics of horror like The Curse of Frankenstein Horror of Dracula and The Devil Rides Out What about the company's less blood curdling back catalog What about the musicals comedies and travelogues the fantasies and historical epics not to mention the pirate adventures This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail including budgets shooting schedules publicity and more along with all the actors supporting players writers directors producers composers and technicians Packed with quotes behind the scenes anecdotes credit lists and production specifics this all inclusive reference work is the last word on this cherished cinematic institution **A Commentary on Euripides' Iphigenia in Tauris** Poulheria Kyriakou,2012-02-14 This work is the first major commentary on Euripides Iphigenia in Tauris to appear in English in more than 65 years It offers detailed analysis of a fascinating play that scholars so far had considered mainly as a source of information about Athenian cult and viewed as a romantic adventure story with happy end Apart from including sober assessments of textual linguistic and metrical problems the commentary sheds new light on the play's treatment of myth its intricate structure presentation of character and place in Euripides work In particular it offers fresh insights into the play's relationship to the literary tradition especially its treatment of the crimes of the Pelopids and its presentation of the complex ambiguous relationship of humans and gods as well as that of Greeks and barbarians Unlike most other tragedies Iphigenia in Tauris does not feature any villain and avoids concentrating on past crimes and their corrosive influence on the characters present The Taurians are not portrayed simply as savage and slow barbarians and Iphigenia the most intelligent character fails to transcend her limitations Religion and cult in both myth and contemporary Athens are a mixture of traditional and invented elements and the play as a whole turns out to be an intriguing and unique experiment in Euripides career **Unconformities in Shakespeare's Tragedies** Kristian Smidt,2016-01-01 This work attempts to analyze Shakespeare's tragedies concentrating on the accidental irregularities and the inspired unconformities to the found there The aim is to understand Shakespeare's mind and craft by an interpretation of the plays to see what problems of consistency they present **Homer's Iliad: The Real Story** John D. Martin,2025-07-30 For the nearly three millennia since its creation the Iliad's Real Story has gone undiscovered Homer a blind poet as antiquity believed him to be created a powerful war story which must have enthralled his listening audiences But this story concealed another one far grander in design and immensely more clever in execution which can be discovered only by careful examination of the written text Living in an age where literacy was minimal Homer created this story for the gods and undoubtedly never expected any

mortal to understand it Homer's imaginative fantasy radically undermines traditional Trojan War mythology and exposes the speciousness of war's glory the folly of the warriors who supposedly fight for it and the amorality of the gods who help them do so Homer's great war poem great indeed war poem indeed is in its depths antiwar In piecing together the Iliad's web of secret plans deeply hidden motives and subtle lies and deceptions and in the process identifying and discarding post Homeric corruptions to the text we will find an Iliad which is not a prelude to Achilles glorious early death and the Fall of Troy but the opposite In a concealed ending towards which the entire story has been leading Homer's own words will tell us how Achilles as supplicated by Priam chooses a long life without renown and goes home The Greek army unwilling to fight without its greatest warrior leaves also sparing peaceful holy Troy Zeus favorite city and best hope for mankind Homer tells this story with a brilliance that is almost unimaginable until one actually encounters it The Real Iliad is an immense intellectual challenge and an inexhaustible source of surprises Far from a formalistically heroic epic as has long been thought it is an imaginative expression of the full creative powers of Western antiquity's greatest author

State Department Employee Loyalty Investigation United States. Congress. Senate. Committee on Foreign Relations, 1950 George Cruikshank's Life, Times, and Art: 1792-1835 Robert L. Patten, 1992 **The Christian miscellany, and family visiter**, 1865 **Greek Readers' Digests?** M. van Rossum-Steenbeek, 2018-07-17 This volume discusses Greek subliterary papyri containing mythical catalogues stories of the Mythographus Homericus and summaries of Iliad Odyssey tragedies comedies and poems of Callimachus The first part of the book explores the following questions what kind of knowledge is transmitted in the papyri and how is this done How is the knowledge related to that found in other literature What do we know about the function and readership of these papyri Although comparable questions have been asked before regarding some papyri this study attempts to present a more precise and comprehensive picture based on a systematic examination of all the relevant papyri The second part contains all the papyrus texts discussed in the first part thereby offering a convenient aid to the reader and a useful instrument for future research

Classics and Comics George Kovacs, C. W. Marshall, 2011 *Classics and Comics* is the first book to explore the engagement of classics with the epitome of modern popular literature the comic book This volume collects fifteen articles all specially commissioned for this volume that look at how classical content is deployed in comics and reconfigured for a modern audience

Calendar of State Papers and Manuscripts Relating, to English Affairs, Existing in the Archives and Collections of Venice Great Britain. Public Record Office, 1910 **The Definitive Shakespeare Companion** Joseph Rosenblum, 2017-06-22 This expansive four volume work gives students detailed explanations of Shakespeare's plays and poems and also covers his age life theater texts and language Numerous excerpts from primary source historical documents contextualize his works while reviews of productions chronicle his performance history and reception Shakespeare's works often served to convey simple truths but they are also complex multilayered masterpieces Shakespeare drew on varied sources to create his plays and while the plays are sometimes set in worlds before the

Elizabethan age they nonetheless parallel and comment on situations in his own era Written with the needs of students in mind this four volume set demystifies Shakespeare for today's readers and provides the necessary perspective and analysis students need to better appreciate the genius of his work This indispensable ready reference examines Shakespeare's plots language and themes his use of sources and exploration of issues important to his age the interpretation of his works through productions from the Renaissance to the present and the critical reaction to key questions concerning his writings The book provides coverage of each key play and poems in discrete sections with each section presenting summaries discussions of themes characters language and imagery and clear explications of key passages Readers will be able to inspect historical documents related to the topics explored in the work being discussed and view excerpts from Shakespeare's sources as well as reviews of major productions The work also provides a comprehensive list of print and electronic resources suitable for student research
