The Act Guide To Childrens Television:

The ACT Guide to Children's Television Evelyn Kaye, Action for Children's Television, American Academy of Pediatrics, 1979 The ACT Guide to Children's Television Evelyn Kaye, 1979-05-01 The ACT Guide to Children's Television Evelyn Kaye, Action for Children's Television, American Academy of Pediatrics, 1979 **Children with Special Needs** Action for Children's Television, 1977 ACT's Guide to TV Programming for Children Maureen Harmonay, 1977 **The Arts** Maureen Harmonay, 1979-01-01 **Promise and Performance** Action for Children's Television, 1977 *Promise and Performance* Maureen Harmonay, 1977 **Promise and Performance** , 1977 **The Praeger Handbook of Media Literacy** Art Silverblatt, 2013-11-26 This groundbreaking two volume set provides readers with the information they need to grasp new developments in the swiftly evolving field of media literacy The United Nations Educational Scientific and Cultural Organization UNESCO proclaimed media literacy a fundamental human right How fitting that there is finally a definitive handbook to help students and the general public alike become better informed more critical consumers of mass media In these A Z volumes readers can learn about methodologies and assessment strategies get information about sectors such as community media and media activism and explore areas of study such as journalism advertising and political communications The rapid evolution of media systems particularly digital media is emphasized and writings by notable media literacy scholars are included In addition to providing a wide range of qualitative approaches to media literacy analysis the handbook also offers a wealth of media literacy resources These include lists of media literacy organizations and national media literacy programs plus relevant books websites videos and articles *Children's TV Act of 1989* United States. Congress. Senate. Committee on Commerce, Science, and Transportation. Subcommittee on Communications, 1989 *Television, a Guide to the Literature* Mary B. Cassata, Thomas Skill, 1985 *Handbook of Children and the Media* Dorothy G. Singer, Jerome L. Singer, 2012 Handbook of Children and the Media brings together the best known scholars from around the world to summarize the current scope of the research in this field Kiplinger's Personal Finance , 1980-08 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics **NAB Legal Guide to Broadcast Law and Regulation** Jean Benz, Jane Mago, Jerianne Timmerman, 2014-10-10 To guide the industry in the 21st century counsel for the National Association of Broadcasters NAB and leading attorneys have prepared the only up to date comprehensive broadcast regulatory publication NAB s Legal Guide to Broadcast Law and Regulation Known for years as the voice for broadcast law this publication addresses the full range of FCC regulatory issues facing radio and television broadcasters as well as intellectual property First Amendment cable and satellite and increasingly important online issues It gives practicing attorneys in house counsel broadcasters and other communications industry professionals practical how to advice on topics ranging literally from a advertising to z zoning Now in its 6th edition NAB s Legal Guide to Broadcast Law and Regulation is

available to keep you current on changes in the law significant court decisions FCC rules agency policies and applied solutions The National Association of Broadcasters is a nonprofit trade association that advocates on behalf of local radio and television stations and broadcast networks before Congress the Federal Communications Commission and other federal agencies and the courts

A Collector's Guide to TV Memorabilia Anthony Slide, 1985 The Guide to United States Popular Culture Ray Broadus Browne, Pat Browne, 2001 To understand the history and spirit of America one must know its wars its laws and its presidents To really understand it however one must also know its cheeseburgers its love songs and its lawn ornaments The long awaited Guide to the United States Popular Culture provides a single volume guide to the landscape of everyday life in the United States Scholars students and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history All American readers will find in it one entry at a time the story of their lives Robert Thompson President Popular Culture Association At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture With its nearly 1600 entries it promises to be the most comprehensive single volume source of information about popular culture The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike Timothy E Scheurer President American Culture Association The popular culture of the United States is as free wheeling and complex as the society it animates To understand it one needs assistance Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations Marshall W Fishwick Past President Popular Culture Association Features of The Guide to United States Popular Culture 1 010 pages 1 600 entries 500 contributors Alphabetic entries Entries range from general topics golf film to specific individuals items and events Articles are supplemented by bibliographies and cross references Comprehensive index

An All-Consuming Century Gary Cross, 2000-09-14 The unqualified victory of consumerism in America was not a foregone conclusion The United States has traditionally been the home of the most aggressive and often thoughtful criticism of consumption including Puritanism Prohibition the simplicity movement the 60s hippies and the consumer rights movement But at the dawn of the twenty first century not only has American consumerism triumphed there isn't even an ism left to challenge it An All Consuming Century is a rich history of how market goods came to dominate American life over that remarkable hundred years between 1900 and 2000 and why for the first time in history there are no practical limits to consumerism By 1930 a distinct consumer society had emerged in the United States in which the taste speed control and comfort of goods offered new meanings of freedom thus laying the groundwork for a full scale ideology of consumer's democracy after World War II From the introduction of Henry Ford's Model T so low in price that no man making a good salary will be unable to own one and the innovations in selling that arrived with the department store window displays self service the installment plan to the development of new arenas for spending amusement parks penny arcades baseball parks

and dance halls Americans embraced the new culture of commercialism with reservations However Gary Cross shows that even the Depression the counterculture of the 1960s and the inflation of the 1970s made Americans more materialistic opening new channels of desire and offering opportunities for more innovative and aggressive marketing The conservative upsurge of the 1980s and 90s indulged in its own brand of self aggrandizement by promoting unrestricted markets The consumerism of today thriving and largely unchecked no longer brings families and communities together instead it increasingly divides and isolates Americans Consumer culture has provided affluent societies with peaceful alternatives to tribalism and class war Cross writes and it has fueled extraordinary economic growth The challenge for the future is to find ways to revive the still valid portion of the culture of constraint and control the overpowering success of the all consuming twentieth century *Resources in Education* ,2001-04 Hearings, Reports and Prints of the House Committee on Interstate and Foreign Commerce United States. Congress. House. Committee on Interstate and Foreign Commerce,1979
