Sexuality and the Sacred James B. Nelson, Sandra P. Longfellow, 1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully T&T Clark Handbook of Christian Ethics Tobias Winright, 2020-12-10 The T T Clark Handbook of Christian Ethics provides an ecumenical introduction to Christian ethics its sources methods and applications With contributions by theological ethicists known for their excellence in scholarship and teaching the essays in this volume offer fresh purchase on and an agenda for the discipline of Christian ethics in the 21st century The essays are organized in three sections following an introduction that presents the four font approach and elucidates why it is critically employed through these subsequent sections The first section explores the sources of Christian ethics including each of the four fonts scripture tradition experience and reason The second section examines fundamental or basic elements of Christian ethics and covers different methods approaches and voices in doing Christian ethics such as natural law virtue ethics conscience responsibility narrative worship and engagement with other religions The third section addresses current moral issues in politics medicine economics ecology criminal justice and other related spheres from the perspective of Christian ethics including war genetics neuroethics end of life decisions marriage family work sexuality nonhuman animals migration aging policing incarceration capital punishment and more

Between the Sexes Lisa Sowle Cahill, 1989 The basis for a Christian sexual ethic says Cahill is a correlation of four sources Scripture Christian tradition of faith theology and practice philosophy normative accounts and the empirical sciences descriptive accounts The Public Forum and Christian Ethics Robert Gascoigne, 2001 This book addresses the question of the communication of Christian ethics in the public forum of liberal pluralist societies Drawing on debates in philosophy theology and sociological theory it relates the problem of communication to fundamental questions about the nature of liberal societies and the identity of Christian faith and the Christian community With particular emphasis on Kantian and neo Kantian ethics it explores the link between autonomy and community in liberal societies The theology of *communio* expressed in revealed Christian traditions can reconcile autonomy and community Any Christian attempt to communicate this vision must also reflect on Christianity's own identity especially the ways in which its own self consciousness grows in critical interaction with secularity In this light Christian ethical communication is both a witness to a distinctive identity founded in the revelation of the triune God and a vision of universal human solidarity which can reconcile autonomy and community

Stone, 2023-09-26 The Political Crisis and Christian Ethics addresses themes in political philosophy in the context of a crisis in democracy after the denial of the 2020 election by the Republican candidate for president The refusal to accept the results of the election divided the electorate and drove the president s followers to fail in their attempted coup attempt in January of 2020 Democracy is defended in Reinhold Niebuhr s writing on politics and in Barack Obama s use of the theologian s thought It is developed further in the political theory of Paul Tillich The themes of just peacemaking are reviewed in Paul Tillich s critique of John Foster Dulles work and in the author s critique of just peacemaking in the work of Glen Stassen Domestically the issues of race inequality ecology and healthcare are addressed from the perspective of prophetic realism The book concludes in terms of Alfred North Whitehead s philosophy of education and religion and a vision of the good president In summary The Political Crisis and Christian Ethics is a volume of American Christian political theory in a period of overcoming the trauma of 2016 with Christian ethics and political philosophy

The Political Ethics of Alexander Campbell Harold Linger,2012-12-24 Description In these pages laymen will find themselves and their condition of

life the center of attention at all times Consequently they will not find a specifically spiritual vocabulary or an alien pious rhetoric They will not find a long list of prayers practices and penances They will not find a list of things to be given up Patiently and gently these souls will open up to God They will see that true peace comes from true love and that love means an entire giving and that giving means some changes Such transitions are sometimes easy sometimes not But in the end what was once unwisely loved is now put aside and what was once foolishly despised is now embraced with gratitude Every man who has gone even a part of the way knows this The purpose of the book then is to open the soul to the grace of God and to show some practical consequences of the love of God in a life that wants to find love and peace from the Introduction *The Modern Church* Philip Augustus Nordell,1912 **The Oxford Handbook of the Bible and Ecology** Hilary Marlow,Mark Harris,2022 Does the Bible have anything to contribute to contemporary concerns about the environment This collection of essays on the Bible and ecology explores biblical texts and their interpretation in the light of ecological issues The handbook covers a number of political and ethical issues as well as offering detailed exploration of individual Bible books It discusses a number of controversial views including whether the Judeo Christian tradition has contributed to the environmental crisis and how the Bible is used by climate change deniers Catalogue of Oberlin College for the Year ...
